Edward James A Surrealist Life:

A Surreal Life Royal Pavilion, Art Gallery, and Museums, 1998-04-24 A series of essays examining the many facets of the man known for his patronage of surrealist art Edward James, Poet, Patron, Eccentric John Lowe, 1991 A Surreal Life

Nicola Coleby, 1998-01-01 A series of essays examining the many facets of the man known for his patronage of surrealist art

A Surreal Life Edward James I. B. Tauris & Company, Limited, 1998-05 **Getty Research Journal** Gail Feigenbaum, 2020-03-10 The Getty Research Journal features the work of art historians museum curators and conservators around the world as part of the Getty's mission to promote the presentation conservation and interpretation of the world's artistic legacy Articles present original scholarship related to the Getty's collections initiatives and research This issue features essays on works by Bolognese painter Guido Reni and his studio a collection of late nineteenth century images by one of Iran's most prolific photographers Antoin Sevruguin Le Corbusier's encounters with and monumentalization of the konak a type of Ottoman house the correspondence between Ren Magritte and his wife while he stayed at the London home of patron and collector Edward James the activities of Belgian surrealist douard L on Th odore Mesens as art dealer and collector and art historian and critic Leo Steinberg's unpublished research on Titian Shorter texts include notices on three joining fragments of an Urartian bronze belt a sketchbook newly attributed to Florentine architect engineer and set designer Giulio Parigi photo albums documenting the plague pandemic in late nineteenth century Bombay four scrapbooks produced by Neue Sachlichkeit photographer Albert Renger Patzsch and the correspondence between Swiss curator Harald Szeemann and Russian artist Lev Nusberg **Medea, Magic, and Modernity in France** Amy Wygant, 2016-04-29 Bringing together the previously disparate fields of historical witchcraft reception history poetics and psychoanalysis this innovative study shows how the glamour of the historical witch a spell that she cast was set on a course over a span of three hundred years from the sixteenth to the eighteenth centuries to become a generally broadcast glamour of appearance Something that a woman does that is became something that she has The antique heroine Medea witch and barbarian infamous poisoner infanticide regicide scourge of philanderers and indefatigable traveller serves as the vehicle of this development Revived on the stage of modernity by La P ruse in the sixteenth century Corneille in the seventeenth and the operatic composer Cherubini in the eighteenth her stagecraft and her witchcraft combine author Amy Wygant argues to stun her audience into identifying with her magic and making it their own In contrast to previous studies which have relied upon contemporary printed sources in order to gauge audience participation in and reaction to early modern theater Wygant argues that psychoanalytic thought about the behavior of groups can be brought to bear on the question of what happened when the early modern witch was staged This cross disciplinary study reveals the surprising early modern trajectory of our contemporary obsession with magic Medea figures the movement of culture in history and in the mirror of the witch on the stage a mirror both appealing and appalling our own cultural performances are reflected It concludes with an analysis of

Diderot's claim that the historical process itself is magical and with the moment in Revolutionary France when the slight and fragile body of the golden throated singer Julie Anglique Scio became a Medea for modernity not a witch or a child murderess but as all the press reviews insist a woman Historical Dictionary of Surrealism Will Atkin,2021-12-10 The Surrealist Movement is an international intellectual movement that has led a sustained questioning of the basis of human experience under twentieth and twenty first century modernity since its founding in the early 1920s Influenced by the psychoanalytical teachings of Sigmund Freud Surrealism emerged among the generation that had witnessed the insanity and horror of the First World War and was conceived of as a framework for investigating the little understood phenomena of dreams and the unconscious In these territories the surrealists recognized an alternative axis of human experience that did not align with the rational workaday rhythms of modern life and which instead revealed the extent to which individual subjectivity had been constrained by post Enlightenment rationalism and by the economic forces governing the post industrial world Against these trends the Surrealist Movement has sought to re evaluate the foundations of modern society and reassert the primacy of the imagination for almost a century to date This book offers focused introductions to numerous writers poets artists filmmakers precursors groups movements events concepts cultures nations and publications connected to Surrealism providing orientation for students and casual readers alike Historical Dictionary of Surrealism Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 200 cross referenced entries on the Surrealist Movement's engagement with the realms of politics philosophy science poetry art and cinema and charts the international surrealist community's diverse explorations of specific thematic territories such as magic occultism mythology eroticism and gothicism This book is an excellent resource for students researchers and anyone wanting to know more about surrealism **Temerity & Gall** John Metcalf,2022-05-31 Metcalf's talent is generous hectoring huge and remarkable Washington Post In Temerity surveys with no punches pulled the current state of CanLit and offers a passionate defense of the promise and potential of Canadian writing In a 1983 editorial letter to the Globe and Mail celebrated Canadian novelist W P Kinsella railed that Mr Metcalf an immigrant continually and in the most galling manner has the temerity to preach to Canadians about their own literature Forty years later in spite of Kinsella's effort to discredit him in the name of a misguided nationalism both embarrassing and familiar John Metcalf still has the temerity and gall to preach to teach and to write passionately and uproariously about literature in Canada Part memoir meditation and apologia part criticism and pure Metcalf the present volume distills a lifetime of reading and writing thinking and collecting and continues his necessary work kicking against the ever present pricks As is the case with all of his critical work Temerity Gall will challenge delight anger and inspire in equal measure and is essential reading for anyone interested in literature in Canada and its place within the wider tradition of writing in English Temerity Gall is printed in a limited paperback edition of 750 copies signed and numbered by the author **How Fat Was Henry VIII?** Raymond Lamont-Brown,2016-04-04 Ever

wondered how fat Henry VIII really was Or what made Mary I Bloody Over many hundreds of years British royalty has had its fair share of accidents rumours scandals misrepresentations and misconceptions For instance could Richard III be innocent of the deaths of the Princes in the Tower And what really happened between Queen Victoria and her Highland servant John Brown In today s world where newspapers clamour to report new revelations about the Royal Family this informative and quirky book gives the inquisitive reader an in depth look at the secrets of our past royals For anyone curious about what went on behind the palace walls Raymond Lamont Brown answers those intriguing confusing and mysterious questions we might have about our monarchs

Lord Berners Sam Leith,2012-10-04 Here lies Lord Berners One of life s learners Thanks be to the Lord He was never bored So reads the epitaph on the gravestone of Lord Berners In its witty way it hints at his range of accomplishment He was a composer admired by Stravinsky writer painter aesthete and eccentric indeed in Mark Amory s words The Last Eccentric famously dyeing the pigeons at his house Faringdon in vibrant colours and for a time having a giraffe as a pet and tea companion His literary and artistic milieu was glittering Stravinsky Picasso Salvador Dali Siegfried Sassoon John Betjeman the Sitwells Harold Nicolson Frederick Ashton and Gertrude Stein they all belonged to it In fiction he was famously portrayed as Lord Merlin in Nancy Mitford s The Pursuit of Love As social history and a chronicle of a mad cap English eccentric this long awaited much needed and beautifully written book is to use a simple clich indispensable

Alexander Waugh Literary Review In Amory this engaging character has found the ideal biographer Getting the exact measure of its subject throughout written in a dry wittily ironic prose the biography offers of sheer bliss Gilbert Adair Sunday Times

Edith Sitwell Richard Greene,2011-11-10 For the better part of forty years Edith Sitwell s poetry has been neglected by critics But born into a family of privileged eccentrics Edith Sitwell was highly regarded by her contemporaries the great writers and artists of the day who attended her unlikely London literary salon Her quips and anecdotes were legendary and her works like English Eccentrics confirmed her comic genius while later she established herself as the quintessential poet of the Blitz This masterly biography meticulously researched and drawing on many previously unseen letters firmly places Edith Sitwell in the literary tradition to which she belongs

Stravinsky Stephen Walsh,2010-06-09 Packed with rich and fascinating detail the third volume of the magisterial biography of Igor Stravinsky casts a brilliant new light on the greatest composer of the twentieth century Among the best musical biographies of the last half century patiently disentangling fact and myth Minneapolis Star Tribune This volume begins in 1934 when Stravinsky is fifty two and living in France Already regarded by many as the most important composer of his generation Stravinsky is nevertheless at this point a fairly unhappy expatriate all too aware of the war clouds beginning to gather Though he still maintains a family life with his wife and children much of his time is spent with his mistress Vera Sudeykina while traveling around Europe giving concerts in order to earn the money to support his dependents which include a number of relatives Composing of course remains the center of his existence But changes are imminent within only a few years his wife Katya will be dead his family scattered and

Stravinsky himself together with Vera starting over again in America Stravinsky The Second Exile follows the composer through the remainder of his long life years during which he produces such masterworks as The Rake's Progress and Symphony in C and achieves a new level of fame as a conductor and raconteur in his own right With a dazzling command of sources in several languages and a keen feeling for accuracy in situations where truth and falsehood have become blurred Walsh traces and illuminates Stravinsky's increasingly complex and often agonized family relationships along with his crucially important connection with his associate Robert Craft Walsh is also as a musicologist and critic able to speak with knowledge and wit about Stravinsky's work expertly describing and assessing the composer's musical journey from the neoclassicism of his late French and early American periods through his early essays in serial technique and on finally to the astonishing intricacies of his final compositions The first volume of this biography Stravinsky A Creative Spring was received with glowing praise for its insight narrative skills and readability The period covered here beset as it is with myths and misconceptions is handled with even greater authority

Surreal Eden Margaret Hooks, 2007 Socialite Edward James was a patron of surrealist artists such as Salvador Dali and Rene Magritte Focussing on James years in Mexico Surreal Eden describes his estate of Las Pozas where he built one surrealist structure after another providing full employment for the nearby town From buttocks sticking out of a hillside to an elaborate aviary built on high rise towers Las Pozas is a surreal tribute to one of the most eccentric personalities of the early 20th century

Between the Pigeonholes Alison Falby, 2020-12-15 Aldous Huxley described Gerald Heard as that rare being a learned man who made his mental home on the vacant spaces between the pigeonholes Heard's off beat interests made him a cultural and intellectual pioneer on both sides of the Atlantic in the middle decades of the twentieth century Despite accolades from such figures as E M Forster who characterized him as one of the most penetrating minds in England and Christopher Isherwood who described him upon his death as one of the few great magic mythmakers and revealers of life's wonder Heard is largely unknown today Between the Pigeonholes is the first published full length study of Gerald Heard Alison Falby examines Heard's ideas and contexts in interwar Britain and postwar America demonstrating his significance in several important twentieth century movements These movements include popular science and psychology psychical research Eastern spirituality pacifism cooperativism and Californian counter culture All of Heard's involvements expressed his desire to convey religious ideas in the modern languages of biological social and physical science Falby also traces Heard's shifting political leanings from left liberal in the early 1930s to libertarian in the early 1960s She finds that his modernist theological approach conventionally associated with liberal religion and politics provided spiritual fodder for those on both the Left and the Right Isherwood and W H Auden on the one hand and Clare Boothe Luce and Spiritual Mobilization on the other Using Heard as a prism through which to examine popular ideas Falby shows that the twentieth century contained much political and religious heterogeneity This heterogeneity illustrates the diverse and overlapping roots of both liberal religion and conservative politics in the twenty first

century Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory

Displaying the Marvelous Lewis Kachur, 2001 How the exhibition spaces of Surrealism anticipated installation art
