Edward Lear's Tennyson:

Edward Lear's Tennyson Edward Lear, 1988 **Edward Lear's Illustrations to the Poetry of Alfred Tennyson**
Ellen Lawrence, Alfred Tennyson Baron Tennyson, 1976 4 Letters from Edward Lear to Alfred, Lord Tennyson Edward
Lear, 1855 A Book of Nonsense Edward Lear, 2017-10-12 Edward Lear 12 or 13 May 1812 29 January 1888 was an
English artist illustrator musician author and poet and is known now mostly for his literary nonsense in poetry and prose and
especially his limericks a form he popularised His principal areas of work as an artist were threefold as a draughtsman
employed to illustrate birds and animals making coloured drawings during his journeys which he reworked later sometimes
as plates for his travel books as a minor illustrator of Alfred Tennyson's poems As an author he is known principally for his
popular nonsense collections of poems songs short stories botanical drawings recipes and alphabets He also composed and
published twelve musical settings of Tennyson's poetry Early years Lear was born into a middle class family at Holloway
North London the penultimate of twenty one children and youngest to survive of Ann Clark Skerrett and Jeremiah Lear a
stockbroker formerly working for the family sugar refining business He was raised by his eldest sister also named Ann 21
years his senior Jeremiah Lear ended up defaulting to the London Stock Exchange in the economic upheaval following the
Napoleonic Wars owing to the family's now more limited finances Lear and his sister were required to leave the family home
Bowmans Lodge and live together when he was aged four Ann doted on Edward and continued to act as a mother for him
until her death when he was almost 50 years of age Lear suffered from lifelong health afflictions From the age of six he
suffered frequent grand mal epileptic seizures and bronchitis asthma and during later life partial blindness Lear experienced
his first seizure at a fair near Highgate with his father The event scared and embarrassed him Lear felt lifelong guilt and
shame for his epileptic condition His adult diaries indicate that he always sensed the onset of a seizure in time to remove
himself from public view When Lear was about seven years old he began to show signs of depression possibly due to the
instability of his childhood He suffered from periods of severe melancholia which he referred to as the Morbids Artist Lear
was already drawing for bread and cheese by the time he was aged 16 and soon developed into a serious ornithological
draughtsman employed by the Zoological Society and then from 1832 to 1836 by the Earl of Derby who kept a private
menagerie at his estate Knowsley Hall He was the first major bird artist to draw birds from real live birds instead of skins
Lear's first publication published when he was 19 years old was Illustrations of the Family of Psittacidae or Parrots in 1830
One of the greatest ornithological artists of his era he taught Elizabeth Gould whilst also contributing to John Gould's works
and was compared favourably with the naturalist John James Audubon Unfortunately his eyesight deteriorated too much to
work with such precision on the fine drawings and etchings of plates used in lithography thus he turned to landscape
painting and travel Among other travels he visited Greece and Egypt during 1848-49 and toured India during 1873-75
including a brief detour to Ceylon While travelling he produced large quantities of coloured wash drawings in a distinctive

style which he converted later in his studio into oil and watercolour paintings as well as prints for his books His landscape style often shows views with strong sunlight with intense contrasts of colour Between 1878 and 1883 Lear spent his summers on Monte Generoso a mountain on the border between the Swiss canton of Ticino and the Italian region of Lombardy His oil painting The Plains of Lombardy from Monte Generoso is in the Ashmolean Museum in the English city of Oxford Throughout his life he continued to paint seriously He had a lifelong ambition to illustrate Tennyson s poems near the end of his life a volume with a small number of illustrations was published *Victorian Celebrity Culture and Tennyson's Circle* C. Boyce,P. Finnerty,A. Millim,2013-10-31 Tennyson experienced at first hand the all pervasive nature of celebrity culture It caused him to retreat from the eyes of the world This book delineates Tennyson s reluctant celebrity and its effects on his writings on his coterie of famous and notable friends and on the ever expanding media led circle of Tennyson s admirers *Edward Lear* Peter Levi,1995 Edward Lear was an English eccentric and an admirable poet whose nonsense verse has endeared him to generations of Americans He was also a brilliant watercolorist and an intrepid traveler To this lively study of the life and work of one of the most eminent Victorians the distinguished biographer Peter Levi brings poetic sensitivity and wide ranging erudition **13 Letters from Edward Lear to Hallam Tennyson** Edward Lear,1880 **Edward Lear and the Play of Poetry** James Williams,Matthew Bevis,2016-08-25 Of all the Victorian poets Edward Lear has a good claim to the widest audience admired and championed by critics and poets from John Ruskin to John Ashbery he has also been read heard and loved by generations of children As a central figure in the literature of nonsense Lear has also shaped the evolution of modern literature and his work continues to influence and inspire writers and readers today This collection of essays the first ever devoted solely to Lear builds on a recent resurgence of critical interest and asks how it is that the play of Lear s poetry continues to delight and to challenge our sense of what poetry can be These seventeen chapters written by established and emerging critics of poetry seek to explore and appreciate the playfulness embodied in the poems and to provide contexts in which it can be better understood and enjoyed They consider how Lear s poems play off various inheritances the literary fool Romantic lyric his religious upbringing explore particular forms in which his playful genius took flight his letters his queer writings about love and trace lines of Learical influence and inheritance by showing how other poets and thinkers across the nineteenth and twentieth centuries played off Lear in their turn Joyce Stein Eliot Auden Smith Ashbery and others
