Een Vijze Ging Voorbijhet Leven Van Abel J Herzberg:

Een wijze ging voorbij Arie Kuiper, 1998 Biografie van de joods Nederlandse letterkundige 1893 1989 **Hitler's Bounty Hunters** Ad van Liempt, 2005-04-01 Why were the Nazis so successful in deporting Jews Why did families such as Anne Frank's get turned in Investigative journalist Ad van Liempt pulls back the curtain on the shocking practice of Dutch bounty hunters of the Jews and reveals that ordinary citizens were prepared to turn over their Jewish countrymen in exchange for cash Van Liempt examines in great detail the careers of bounty hunters and describes some particularly horrifying cases The most gripping are those involving young children In one case two bounty hunters traveled hundreds of miles to get their hands on a two year old girl living in a safe house a month later she was gassed at Sobibor In court the bounty hunters consistently maintained that they received no premiums for their work but the author shows the opposite to be true and traces the money involved This haunting book uncovers a facet of the Holocaust that has previously been largely neglected and brings to light the day to day workings of the persecution of the Jews *Spirituality in the Writings of Etty Hillesum* Klaas Smelik, Ria van den Brandt, Meins G. S. Coetsier, 2010-10-25 Much of the previous scholarship on Etty Hillesum 1914 1943 was done by individual scholars within the analyses of their fields After the proceedings of the international Etty Hillesum Congress at Ghent University in November 2008 this Congress volume is the first joined effort by more than twenty Hillesum experts worldwide It is an absorbing account of international scholarship on the life works and vision of the Dutch Jewish writer Etty Hillesum whose life was shaped by the totalitarian Nazi regime Hillesum's diaries and letters illustrate her heroic struggle to come to terms with her personal life in the context of World War II Building on new interest in theology philosophy and psychology this book revives Hillesum research with a comprehensive rereading of both her published works and lesser known secondary discourses on her life The result is fascinating With the current explosion of interest in inter religious dialogue peace studies Judaism the Holocaust gender studies and mysticism it is clear that this Congress volume will be invaluable to students and scholars in various disciplines **Reappraising the History of the Jews in the Netherlands** Hans Blom, David J. Wertheim, Hetty Berg, Bart T. Wallet, 2021-09-15 The two decades since the last authoritative general history of Dutch Jews was published have seen such substantial developments in historical understanding that new assessment has become an imperative This volume offers an indispensable survey from a contemporary viewpoint that reflects the new preoccupations of European historiography and allows the history of Dutch Jewry to be more integrated with that of other European Jewish histories Historians from both older and newer generations shed significant light on all eras providing fresh detail that reflects changed emphases and perspectives In addition to such traditional subjects as the Jewish community's relationship with the wider society and its internal structure its leaders and its international affiliations new topics explored include the socio economic aspects of Dutch Jewish life seen in the context of the integration of minorities more widely a reassessment of the Holocaust years and consideration of the place of Holocaust

memorialization in community life and the impact of multiculturalist currents on Jews and Jewish politics Memory studies diaspora studies postcolonial studies and digital humanities all play their part in providing the fullest possible picture This wide ranging scholarship is complemented by a generous plate section with eighty fully captioned colour illustrations

Translated by David McKay The Holocaust, Israel and 'the Jew' Evelien Gans, Remco Ensel, 2025-10-01 This book is the first comprehensive study of postwar antisemitism in the Netherlands It focuses on the way stereotypes are passed on from one decade to the next as reflected in public debates the mass media protests and commemorations and everyday interactions The Holocaust Israel and the Jew explores the ways in which old stories and phrases relating to the stereotypical Jew are recycled and modified for new uses linking the antisemitism of the early postwar years to its enduring manifestations in today's world The Dutch case is interesting because of the apparent contrast between the Netherlands famous tradition of tolerance and the large numbers of Jews who were deported and murdered in the Second World War The book sheds light on the dark side of this so called Dutch paradox in manifestations of aversion and guilt after 1945 In this context the abusive taunt They forgot to gas you can be seen as the first radical expression of postwar antisemitism as well as an indication of how the Holocaust came to be turned against the Jews The identification of the Jew with the gas chamber spread from the streets to football stadiums and from verbal abuse to pamphlet and protest The slogan Hamas Hamas all the Jews to the gas indicates that Israel became a second marker of postwar antisemitism The chapters cover themes including soccer related antisemitism Jewish responses philosemitism antisemitism in Dutch Moroccan and Dutch Turkish communities contentious acts of remembrance the neo Nazi tradition and the legacy of Theo van Gogh The book concludes with a lengthy epilogue on the Jew in the politics of the radical right the attacks in Paris in 2015 and the refugee crisis The stereotype of the Jew appears to be transferable to other minorities *Dutch Jews as Perceived by Themselves and by Others* Chaya Brasz, Yosef Kaplan, 2021-11-22 How did Jews in the Netherlands view themselves and how were they viewed by others This is the single theme around which the twenty five essays in this volume written by scholars from the Netherlands Israel and other countries revolve The studies encompass a variety of topics and periods from the beginning of the Jewish settlement in the Dutch Republic through the Shoah and its aftermath They include examinations of the Sephardi Jews in the seventeenth and eighteenth centuries the Jews in the periods of Emancipation and Enlightenment social and cultural encounters between Jews and non Jews throughout the ages the image of the Jew in Dutch literature in the nineteenth and twentieth centuries and the churches attitudes toward Jews Also highlighted are the second World War and its consequences Dutch Jews in Israel and Israelis in the contemporary Netherlands Strength to Strength Michael L. Satlow, 2018-11-16 Essays that engage the scholarship of Shaye J D Cohen The essays in Strength to Strength honor Shaye J D Cohen across a range of ancient to modern topics The essays seek to create an ongoing conversation on issues of identity cultural interchange and Jewish literature and history in antiquity all areas of particular interest for Cohen Contributors include Moshe J Bernstein Daniel

Peter Steffen,Hans Evers,2014-04-30 The conversion of Lutz L b and Jenny van Gelder from Judaism to Roman Catholicism dramatically changed the lives of the extended L b family This scientific historical study traces the personal and spiritual journey of Lutz and Jenny from their baptisms in 1907 through the lives of their children The story benefits from historical documents and pieces of oral history from the only one of their eight children who survived the Nazi era Paula van Broekhoven L b The abbess of Koningsoord Abbey and the abbot of Koningshoeven Abbey generously provided access to the archives of the monasteries where the seven other L b children lived as nuns and monks of the L b family Each chapter begins with a citation from a significant situation or event placing the reader immediately within the lived experience of that period Photos of the time and the family supplement the historical narrative The secret conversion of Lutz and Jenny and their lifelong witness to their faith created a tear in the fabric of the extended family while later leading to many idealized portrayals of them and their children It is the intent of this book to offer an accurate and balanced account situating the Catholic L b family within their extended Jewish family and to correct several decades of hagiography so restoring humanity and dignity to the memories of the L b family Biography across the Digitized Globe ,2025-02-27 This volume is dedicated to Professor Hans Renders founder of the Biography Institute of the University of Groningen the Netherlands Throughout his academic career Renders witnessed a reflexive turn in historical research biographers became more open about the limitations of their sources and the subjective nature of their selection Over this same period however the availability of digital sources has increased exponentially which has profound implications for biographical research and the transnational framework used to approach the genre Through its thirteen thought provoking essays this work seeks to make an intervention in Biography Studies by bringing the well developed reflexive tradition to bear on the pressing challenge of proliferating digitized sources Overleven in verhalen Elrud Ibsch,2013 Overleven in verhalen biedt een vergelijkend historisch overzicht van literatuur over de Shoah van voornamelijk Europese en Isra lische auteurs Het boek schetst een breed panorama dat laat zien hoe verschillende generaties auteurs de Holocaust tot
