## **Effective Prison Leadership:**

*Effective Prison Leadership* Kevin N. Wright, 1994      *Prisoner Leaders* Marion Vannier, Paula Harriott, 2025-01-30 This edited collection sheds light on an under researched and often misconceived form of prison life that of prisoner leadership It offers a fresh approach to understanding the reality of the prison community seeking out examples of prisoner leaders and their leadership qualities uncovering new understandings of how such leadership supports and changes the community as well as shedding light on the conditions under which such leadership thrives It explores a wealth of topics from race to drugs violence work and faith Each chapter is co authored by an academic and a contributor with prison lived experience to centralise their knowledge and narratives on different leadership topics It addresses key assumptions about the meaning and categorisation of what counts as a leader why they matter and what role they play in the implementation and mediation of punishment This book enriches academic knowledge and provides a crucial intellectual stimulus for rethinking the why and the how of prison research      *On Effective Leadership* G. Chandler, 2013-02-04 Using case studies from a wide range of fields and historical settings *On Effective Leadership* seeks to explain why some leaders are effective why many are not and why only a very few are exceptional      **Effective Leadership** Ronald H. Humphrey, 2013-05-29 This innovative book integrates traditional and new leadership theories including transformational leadership leader member exchange authentic leadership servant leadership self leadership shared and distributed leadership identity theory and the value of emotions and affect to provide a comprehensive look at the many facets of effective leadership Practical and fun to read the book incorporates personal reflections and current business examples to bring the theories of organizational leadership to life In addition engaging and relevant Put it in Practice features help students see how they can apply the leadership research to their own work lives while leadership cases throughout demonstrate how real leaders have succeeded by applying the leadership principles discussed in the book Written in a conversational style the book is concise enough to be used in a case or course pack oriented course or in a modular program      *Prison and Jail Administration: Practice and Theory* Peter M. Carlson, 2013-08-30 Thoroughly revised and updated the third edition of the best selling textbook *Prison and Jail Administration Practice and Theory* covers all aspects of prison administration from organizational structure and management accountability to food service personnel corruption and the impact of technology on penal institutions Authored by over sixty leading experts in the field the text provides students with a unique balance of practice and theory and includes suggested readings learning objectives and discussion questions to help students gain an in depth understanding of the material The third edition includes all new pedagogical features instructor resources and new chapters on current topics such as women offenders the world of a corrections officer hiring and retention of staff institution pre release programs and restorative justice The most comprehensive and accessible prison administration textbook available *Prison and Jail Administration Practice and Theory Third Edition* is essential reading for students in correctional administration courses

Francis T. Cullen, Cheryl Lero Jonson, Mary K. Stohr, 2013-04-11 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders This breakthrough book brings together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay The SAGE Encyclopedia of Criminal Psychology Robert D. Morgan, 2019-04-25 The SAGE Encyclopedia of Criminal Psychology will be a modern interdisciplinary resource aimed at students and professionals interested in the intersection of psychology e g social forensic clinical criminal justice sociology and criminology The interdisciplinary study of human behavior in legal contexts includes numerous topics on criminal behavior criminal justice policies and legal process crime detection and prevention eyewitness identification prison life offender assessment and rehabilitation risk assessment and management offender mental health community reintegration and juvenile offending The study of these topics has been increasing continually since the late 1800s with people trained in many legal professions such as policing social work law academia mental health and corrections This will be a comprehensive work that will provide the most current empirical information on those topics of greatest concern to students who desire to work in these fields This encyclopedia is a unique reference work that looks at criminal behavior primarily through a scientific lens With over 500 entries the book brings together top empirically driven researchers and clinicians across multiple fields psychology criminology social work and sociology to explore the field *Discretion, Community, and Correctional Ethics* John Kleinig, Margaret Leland Smith, 2001 Is it possible to develop and instill a professional ethic for prison personnel that in partnership with formal regulatory constraints will mediate relations among officers staff and inmates or are the failures of imprisonment as an ethically constrained institution so deeply etched into its structure that no professional ethic is possible The contributors to this volume struggle with this central question and its broader and narrower ramifications **NIJ Catalog** , 1991 Contains information on criminal justice publications and other materials available from NIJ s information clearinghouse the National Criminal Justice Reference Service NCJRS and other sources *Correctional Leadership* Stan Stojkovic, 2003 **Images of Incarceration** David Wilson, Sean O'Sullivan, 2004-02-29 Part of the Prison Film Project sponsored by the Esme Fairbairn Foundation under its Rethinking Crime and Punishment initiative this title compares fictional representations with actual existing reality to provide insights into how screen images affect understanding of complex social and penal issues Do viewers separate fact from fiction *Correctional Organization and Management* Robert M.
