decadent and kid friendly mac and cheese recipes from the popular Oakland restaurant Homeroom Macaroni and cheese is one of America's favorite comfort foods beloved by kids and adults alike. But there's no need to rely on prefab mixes; all you need is a handful of kitchen staples, some tasty cheese, and a little insider advice courtesy of Homeroom restaurant. This perennially popular Oakland, California eatery, with its entire menu devoted to mac and cheese, now shares its secrets for the best ever mac recipes that will help you think outside the box. These inventive dishes offer something for everyone: nostalgic homestyle recipes like Tuna Mac, international varieties like Sriracha Mac, decadent delights like Truffle Mac, and even the logic-defying Vegan Mac. You'll also find recipes for quick veggie sides like Brussels Sprouts with Bacon and old school desserts like frozen Peanut Butter Pie. With a basics section on perfecting mac sauce, choosing the best noodles, and customizing add-ins and toppings, plus an emphasis on quality ingredients and simple techniques, this fun, playful cookbook shows cheese-loving readers how to take this comfort food staple to creative new heights.

One may wonder why I am writing a book on egg cheese because after all this is such a common topic and one knows all about nutritious egg and cheese combinations. But then this book is going to tell you all about the tips and techniques with which you can eat healthy with just some egg and cheese dishes added to your healthy diet. Also, a friend of mine was browsing through some of my books and she just told me all these books are very interesting but I am often based in places where I do not get these exotic herbs and spices easily. Also, sometimes my budget does not run into buying plenty of fruit and vegetables, especially in these inaccessible places. At that time, my larder is often restricted to just eggs and cheese. So I started to think, 'Yes, what she said was sensible and logical because most of the time I find myself eating egg and cheese, one because I like it and two because those are the items which are in the larder at the end of the month after a whole month of hectic spending and paying off the bills.' This book is for all those people who want to know about healthy eating, especially using eggs and cheese and their combinations. These recipes are time-tested and time-honored and have been used since ancient times all over the world because hen, fruit, and cheese have been part and parcel of human life and the social fabric all over the world.
