Egyptian Language Easy Lessons In Egyptian Hieroglyphics:

Egyptian Language (Routledge Revivals) E.A. Wallis Budge, 2013-10-14 Sir E A Wallis Budge 1857 1934 was Keeper of the British Museum's department of oriental antiquities from 1894 until his retirement in 1924. Carrying out many missions to Egypt in search of ancient objects, Budge was hugely successful in collecting papyri, statues and other artefacts for the trustees of the British Museum, numbering into the thousands and of great cultural and historical significance. Budge published well over 100 monographs which shaped the development of future scholarship and are still of great academic value today, dealing with subjects such as Egyptian religion, history and literature. The ancient Egyptians expressed their ideas in writing by means of hieroglyphics, which they used uninterruptedly until the end of the rule of the Ptolemies. Evidence indicates that the hieroglyphic system of writing was brought to Egypt by invaders from north-east or central Asia; they settled somewhere between Memphis on the north and Thebes on the south and gradually established their civilization, religion and methods of communication. First published in 1910, *Egyptian Language* provides a simple introduction to the study of Egyptian hieroglyphic inscriptions, including an account of the decipherment of the hieroglyphic system and the general principles which underlie it, as well as the main facts of ancient Egyptian grammar and illustrative extracts. The book will be of value to students and academics of ancient Egyptian language and culture. *Egyptian Language* E. A. Wallis Budge, 2010-01-01 *Egyptian Language Easy Lessons in Egyptian Hieroglyphics* is a beginner's instruction manual written in 1910 by Egyptologist and hieroglyphic expert Sir Ernest A Wallis Budge. Intended as an easy introduction for anyone interested in learning the ancient Egyptian writing of hieroglyphics, *Egyptian Language* includes a short history on hieroglyphs, including the discovery of the Rosetta Stone, and lessons in phonetics and ideographs, parts of speech and extracts of real Egyptian works such as *The Book of the Dead*, with which to practice. SIR ERNEST ALFRED THOMPSON WALLIS BUDGE 1857 1934 was born in Bodmin, Cornwall, in the UK and discovered an interest in languages at a very early age. Budge spent all his free time learning and discovering Semitic languages, including Assyrian, Syriac and Hebrew. Eventually, through a close contact, he was able to acquire a job working with Egyptian and Iraqi artifacts at the British Museum. Budge excavated and deciphered numerous cuneiform and hieroglyphic documents, contributing vastly to the museum's collection. Eventually, he became the Keeper of his department, specializing in Egyptology. Budge wrote many books during his lifetime, most specializing in Egyptian life, religion and language. **Egyptian Language** Ernest A.
