Egyptian Mythology Veronica Ions,1991-10-01 **Egyptian Mythology** Veronica Ions,1968 Describes the gods and goddesses and the religious practices of the early Egyptians **Egyptian Mythology; Library of the World's Myths and Legends** Veronica Ions,1982 *Egyptian Mythology* Veronica Ions,1990-09 Describes the gods and goddesses and the religious practices of the early Egyptians *The Origins of the World's Mythologies* E.J. Michael Witzel,2012-12-13 This remarkable book is the most ambitious work on mythology since that of the renowned Mircea Eliade who all but single handedly invented the modern study of myth and religion Focusing on the oldest available texts buttressed by data from archeology comparative linguistics and human population genetics Michael Witzel reconstructs a single original African source for our collective myths dating back some 100 000 years Identifying features shared by this Out of Africa mythology and its northern Eurasian offshoots Witzel suggests that these common myths recounted by the communities of the African Eve are the earliest evidence of ancient spirituality Moreover these common features Witzel shows survive today in all major religions Witzel s book is an intellectual hand grenade that will doubtless generate considerable excitement and consternation in the scholarly community Indeed everyone interested in mythology will want to grapple with Witzel s extraordinary hypothesis about the spirituality of our common ancestors and to understand what it tells us about our modern cultures and the way they are linked at the deepest level **Public Library Catalog** ,1994 **Walk Like an Egyptian** Ramona Louise Wheeler,2005-07-01 The calendar material in this expanded edition of Walk Like An Egyptian provides further insight into the mind of the ancient world a glimpse into a world in which every element of reality was a manifestation of the divine and the cosmic a time in which even the counting of days and months into years was a mystery of divine proportions The calendar of ancient Egypt is older than astrology The Egyptian calendar itself is almost forgotten yet it is the direct ancestor of the Western calendar in use today The ancient Egyptians were keenly focused on the concept of life as a journey through time and the calendar was their map In Walk Like An Egyptian you will find one of the world s oldest guides to self navigation in an easy to use format a daily horoscope from the dawn of history Each season month and day is listed with its ancient name together with the warnings and requirements stories and scenarios of the gods involved in the story of the year The day is divided into eight hour segments of morning afternoon and night Sacred ceremonies and ritual feasts are also listed making the calendar a complete guide to the Egyptian year a horoscope unlike any other available in the modern world The earlier editions of Walk Like An Egyptian brought the concepts of ancient Egyptian religion and philosophy into the context of the modern world Readers around the globe found the once obscure ideas of ancient wisdom interpreted as profound contemplations of the reality of human nature Many familiar names in the ancient pantheon were revealed in modern terms such as Osiris the divine and immortal portion of each human s soul clothed in mortal flesh Re the divine light of consciousness in the mind Horus who is the paradox of the universal nature of each soul s unique identity Isis bonding

force of the soul Thoth representing the power of human thought and intellect and more The success of Walk Like An Egyptian led to Wheeler s collaboration with Diana Janeen Pierce who had assembled a daily calendar of ancient Egyptian ceremonies rituals and festivals Wheeler and Pierce worked together on a translation of the lengthy and difficult Cairo Calendar Papyri one of the few surviving documents detailing the system by which Egyptians organized their daily lives Wheeler s accompanying interpretation of the Egyptian cosmos makes a lively counterpart to the horoscope clarifying the often confusing material Together Wheeler and Pierce provide a modern evaluation of how to walk like an Egyptian attuned to eternity in your daily life and guided by eternal principles

Water and Human Societies David A. Pietz, Dorothy Zeisler-Vralsted, 2021-08-18 This book explores the historical relationships between human communities and water Bringing together for the first time key texts from across the literature it discusses how the past has shaped our contemporary challenges with equitable access to clean and ample water supplies The book is organized into chapters that explore thematic issues in water history including Water and Civilizations Water and Health Water and Equity and Water and Sustainability Each chapter is introduced by a critical overview of the theme followed by four primary and secondary readings that discuss critical nodes in the historical and contemporary development of each chapter theme Further readings at the end of each chapter invite the reader to further explore the dynamics of each theme The foundational premise of the book is that in order to comprehend the complexity of global water challenges we need to understand the history of cultural forces that have shaped our water practices These historical patterns shape the range of choices available to us as we formulate responses to water challenges The book will be a valuable resource to all students interested in understanding the challenges of water use today
