Hamilton,2011-11 A highly regarded Old Testament scholar provides a comprehensive evangelical exegesis of the book of Exodus      Exploring Exodus Nahum M. Sarna,1986 Sarna examines the distinctiveness of the Exodus narrative in light of ancient Near Eastern history and contemporaneous cultures Egyptian Assyrian Canaanite and Babylonian In a new Foreword to the 1996 edition Sarna takes up the debate over whether the exodus from Egypt really happened clarifying the arguments on both sides and drawing us back to the uniqueness and enduring significance of biblical text      Exodus Bruce Wells,2016-01-12 Many today find the Old Testament a closed book The cultural issues seem insurmountable and we are easily baffled by that which seems obscure Furthermore without knowledge of the ancient culture we can easily impose our own culture on the text potentially distorting it This series invites you to enter the Old Testament with a company of guides experts that will give new insights into these cherished writings Features include Over 2000 photographs drawings maps diagrams and charts provide a visual feast that breathes fresh life into the text Passage by passage commentary presents archaeological findings historical explanations geographic insights notes on manners and customs and more Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages Written by an international team of 30 specialists all top scholars in background studies      **Exodus** Rebecca Bender,2022-04-12 Lessons from the book of Exodus learn how to stop walking in circles and rely on God's grace to show you the way to his good promise Do you wonder if you'll ever get back on track after suffering a major setback or traumatic experience Do you wonder even secretly if God actually does keep his promises Or if his love is far reaching enough his plan detailed enough to include even your daily struggles habits and hang ups In this Bible study Rebecca Bender takes study groups and individuals straight into the book of Exodus where the Israelites are wandering after their own tracks immediately after escaping from bondage and oppression at the hands of Pharaoh God is trying to get them

**Exodus** Ronald E. Clements,1972-05-25 Dr Clements volume like others in the series contains the text in the New English Bible translation divided into sections with introductory material preceding and a commentary directly following each section of the text Dr Clements discusses the content and historical background of the book and the theories about the authorship of Exodus identifying briefly the four main sources Although the content of Exodus is largely devoted to the narrative of the escape of the Israelites from Egypt Dr Clements treats the book as a truly religious work in which history and faith are inseparably woven together

**The Exodus** Richard Green Moulton,1896 *Exodus 19-40* William Henry Propp,2006 The long awaited conclusion of William H C Propp s masterful study of Exodus this informative clearly written commentary provides a new perspective on Israelite culture and on the role of ritual law and covenant in biblical religion Exodus 19 40 sets a new standard in biblical scholarship Thorough and up to date it is the first commentary on Exodus to include critical textual evidence from the recently edited Dead Sea Scrolls Informed by Propp s deep understanding of ancient cultural mores and religious traditions it casts new light on the Israelites arrival at Sinai their entry into a covenant with God their reception of the Law their worship of the golden calf and their reconciliation to God The incisive commentary on the building of the Holy Tabernacle God s wilderness abode is supplemented by numerous illustrations that clarify the biblical text Propp extends the scope and relevance of this major work in five appendices that discuss the literary formation of the Torah the historicity of the Exodus tradition the origins of Israelite monotheism the Exodus theme in the Bible and the future of Old Testament scholarship By taking an anthropological rather than strictly theological approach Propp places familiar stories within a fresh context The result is a fully accessible guide to one of the most important and best known books of the Bible

**Restarting Exodus; A Covenant View of the Exodus** F. Michael Colacuori,2021-09-30 Many books have been written about the Exodus Most seem to place the greatest emphasis on understanding the historical aspects of that event Restarting Exodus will take a different approach The emphasis will be on understanding the spiritual picture being presented While most people understand that the Exodus is telling of the great spiritual deliverance of the Hebrews they underestimate the degree to which the spiritual is incorporated

Here you will find the Exodus to have been restarted using covenant theology The covenant view will cause many portions of the Exodus to come alive with fresh ideas and an understanding from the theological perspective If you want to read a book based on traditional thinking this is the wrong book Only read this book if you are interested in a fresh look into the Exodus
