El Arte De La Ficción:

El arte de la ficción John Gardner, 2001-05-02 Hay más libros con este mismo título pero ninguno tan asequible como el de John Gardner. Seguramente Miguel Martínez Lage. La erudición que despliega Gardner nunca es apabullante y nunca es tal por nimio de lucimiento profesoral sino que adquiere la forma de una conversación de t a t con el lector punto menos que a pie de calle. Dicho de otro modo la utilidad de sus lecciones viene dada en gran parte por la llaneza con que las imparte. El arte de la ficción James Salter, 2018-04-05 La elegancia la claridad y la agudeza de estas páginas deleitan tanto a los fieles seguidores de James Salter como a los que se acercan a su obra por primera vez. En estas tres conferencias dictadas en la Universidad de Virginia a los ochenta y nueve años pocos meses antes de morir James Salter desmenuza los aspectos esenciales de su oficio con el mismo tono íntimo y directo tan apreciado por los amantes de la buena literatura. Rememorando sus libros y autores predilectos entre ellos Madame Bovary los cuentos de Bel Cline o Faulkner Salter desgana los desafíos que invariablemente balizan la carrera de todo escritor: las cartas de rechazo las reseñas desfavorables o los desvelos económicos. Asimismo como narrador de vocación tarda en interrogarse con acerada lucidez sobre los motivos que lo impulsaron a escribir: ¿fue sólo por dinero? O también en busca de reconocimiento o admiración. Ante las innumerables posibilidades que ofrece la hoja en blanco Salter nos confiesa su meditada respuesta: elaborar un estilo que logre captar la experiencia real ante la certeza de que lo que no queda escrito se desvanece. El gran novelista norteamericano expone los misteriosos engranajes que consiguen transformar e intensificar nuestra percepción de la realidad: ¿cómo revela cuáles son a su juicio las lecturas imprescindibles? La crítica ha dicho: En las breves páginas de estas charlas sobre el arte de la ficción se aprende tanto que uno tiene la sensación de escuchar la voz de James Salter. Del prólogo de Antonio Muñoz Molina. La precisión de su prosa era inmutable ya fuera cuando Salter escribía sobre el deseo sexual o cuando su protagonista participaba en misiones de combate en Corea. Siempre lograba expresar de manera sucinta lo que creía. El estilo es el escritor en su totalidad. Estas conferencias hacen que lo eche de menos a la vez a su voz generosa y certera. John Irving. Un último y generoso regalo del gran James Salter. El lector palpa su devoción por la literatura en cada página: ¿cómo su legendaria minuciosidad? Todo aspirante a escritor debe leer este libro aunque sólo fuera para tener una somera idea de lo que piensa y siente un maestro desde lo más concreto a lo más poético aunque siempre respetando el misterio que debe latir en el interior del arte con mayúsculas. George Saunders. El arte de la ficción David Lodge, 2011-10-07 La crítica literaria determina en ocasiones nuestra forma de leer la manera de acercarnos a los libros. Marcada por las condiciones materiales culturales por el paradigma correspondiente por su tiempo ejerce una influencia notable entre los lectores. De la misma forma que no leemos igual una obra siendo jóvenes o mayores antes o después de una guerra enamorados o recién separados tampoco la crítica literaria es indiferente a su situación a su ser en el mundo. Citemos con discreción a Marx. Las ideas de la clase dominante son las ideas dominantes en cada época o dicho en otros términos la clase que ejerce el poder material dominante en la sociedad es al mismo tiempo su poder espiritual dominante.

Publicado en 1992 David Lodge escribi un libro imprescindible un texto b sico para todos aquellos que deseen conocer los mecanismos internos la tramoya de la ficci n literaria *El arte de la ficción* David Lodge,2002 **El arte de la ficción ,**
