From the award-winning and New York Times bestselling author of *The Wicked Bargain* and *Most Ardent* comes a high-stakes race to defeat a curse designed to kill about a teen demon who wants to be human, a boy cursed to die young, and the murderous island destined to bury them both. Dami is a demon determined to cancel every deal they've ever made in order to tether their soul to earth and become human again. There's just one person standing in their way: Silas. An irresistibly and stubbornly cute boy cursed to die young, except for the deal with Dami that is keeping him alive. If they cancel the deal, Silas is dead. Unless they can destroy the curse that has plagued Silas's family for generations. But to do so, Dami and Silas are going to have to work together. That is, if the curse doesn't kill them first. **Westerns and American Culture, 1930-1955** R. Philip Loy, 2001-07-25. Many people have fond memories of Friday nights and Saturday afternoons spent in theatres watching cowboy stars of the 1930s, 1940s, and 1950s chase villains across the silver screen or help a heroine out of harm's way. Over 2,600 Westerns were produced between 1930 and 1955, and they became a defining part of American culture. This work focuses on the idea that Westerns were one of the vehicles by which viewers learned the values and norms of a wide range of social

relationships and behavior and thus examines the ways in which Western movies reflected American life and culture during this quarter century Chapters discuss such topics as the ways that Westerns included current events in film plot and dialogue reinforced the role of Christianity in American culture reflected the emergence of a strong central government and mirrored attitudes toward private enterprise Also covered is how Westerns represented racial minorities women and Indians
