Edward Partridge The First Bishop Of The Church Of Jesus Christ Of Latterday Saints:

Edward Partridge Hartt Wixom,1998 Perhaps no man faced a greater challenge in the early days of the Church of Jesus Christ of Latter day Saints save Joseph Smith himself than its first bishop Edward Partridge It was he who was sent by the Mormon prophet to establish the New Zion in Missouri Little did either man likely know at the time what a firestorm of opposition awaited Edward in the discharge of his duties Probably even Daniel of the Old Testament did not require more courage in the Lion s Den than did Edward in trying to acquire and distribute fairly Missouri lands for the saints in fulfillment of Doctrine and Covenants section 57 Yet in spite of his position as first bishop of the Restored Church the man labeled by Joseph Smith as a pattern of piety pure in heart a man without guile as was Nathanael of Old Edward died in relative obscurity in the early days of Nauvoo for 157 years there was not even a grave marker placed over his burial site it would seem that a man so prominent in LDS history just dropped out of sight and was forgotten Edward Partridge for whatever reason has only recently begun to receive a modicum of the recognition he deserved during his life span of 46 years **Fact, Fiction and Family Tradition** Sherilyn Farnes,2009 Edward Partridge 1793 1840 became the first bishop of The Church of Jesus Christ of Latter day Saints in 1831 two months after joining the church He served in this capacity until his death in 1840 The first chapter examines his preparation for his role as bishop Having no precedent to follow he drew extensively upon his background and experiences in civic leadership business management and property ownership in order to succeed in his assignment Partridge moved to Missouri in 1831 at the forefront of Mormon settlement in the state where on behalf of the church he ultimately purchased hundreds of acres which he then distributed to the gathering saints as part of the law of consecration In addition he prepared consecration affidavits and oversaw each family s contributions and stewardships The second chapter examines Partridge s ability to succeed in his assignment and the tensions that he felt between seeing the vision of Zion and administering the practical details Forty years after his death his children began to write extensively about their father The third chapter of this thesis examines their writings focusing on how their memories of their father illuminate their own lives as well as their father s The final chapter finds that the three published descendants modern attempts to chronicle the life of Edward Partridge each fall short in at least one of the following the field of history literature or a faithful representation of his life History of the Church of Jesus Christ of Latter Day Saints, 1805-1890 Joseph Smith (III),Heman Conoman Smith,1917 **History of the Church of Jesus Christ of Latter Day Saints: 1805-1835** Joseph Smith (III),1905 *History of the Church of Jesus Christ of Latter-day Saints (Vol. 1-7)* Joseph Smith,2023-12-18 Joseph Smith s monumental work History of the Church of Jesus Christ of Latter day Saints Vol 1 7 offers a detailed chronicle of the early years of the Latter day Saint movement and provides readers with a unique insight into the socio religious landscape of 19th century America Written in a candid and often prophetic tone Smith s narrative weaves together personal testimonies revelations and historical accounts capturing the fervor of a burgeoning faith amid considerable persecution The work is both

known as the King Follett Discourse Much has been written about the sermon but little about King Although King left no personal writings Joann Follett Mortensen King s third great granddaughter draws on more than thirty years of research in civic and Church records and in the journals and letters of King s peers to piece together King s story from his birth in New Hampshire and moves westward where in Ohio he and his wife Louisa made the life shifting decision to accept the new Mormon religion From that point this humble hospitable and hardworking family followed the Church into Missouri where their devotion to Joseph Smith was refined and burnished King was the last Mormon prisoner in Missouri to be released from jail According to family lore King was one of the Prophet s bodyguards He was also a Danite a Mason and an officer in the Nauvoo Legion After his death Louisa and their children settled in Iowa where some associated with the Cutlerites and the RLDS Church others moved on to California One son joined the Mormon Battalion and helped found Mormon communities in Utah Nevada and Arizona While King would have died virtually unknown had his name not been attached to the discourse his life story reflects the reality of all those whose faith became the foundation for a new religion His biography is more than one man s life story It is the history of the early Restoration itself
