Carlson, 2013-08-30 Thoroughly revised and updated the third edition of the best selling textbook Prison and Jail Administration Practice and Theory covers all aspects of prison administration from organizational structure and management accountability to food service personnel corruption and the impact of technology on penal institutions Authored by over sixty leading experts in the field the text provides students with a unique balance of practice and theory and includes suggested readings learning objectives and discussion questions to help students gain an in depth understanding of the material The third edition includes all new pedagogical features instructor resources and new chapters on current topics such as women offenders the world of a corrections officer hiring and retention of staff institution pre release programs and restorative justice The most comprehensive and accessible prison administration textbook available Prison and Jail Administration Practice and Theory Third Edition is essential reading for students in correctional administration courses

Discretion, Community, and Correctional Ethics John Kleinig, Margaret Leland Smith, 2001-08-28 Some two million Americans are in jail or in prison Except for the occasional exposé what happens to them is hidden from the rest of us Is it possible to develop and instill a professional ethic for prison personnel that in partnership with formal regulatory constraints will mediate relations among officers staff and inmates or are the failures of imprisonment as an ethically constrained institution so deeply etched into its structure that no professional ethic is possible The contributors to this volume struggle with this central question and its broader and narrower ramifications Some argue that despite the problems facing the practice of incarceration as punishment a professional ethic for prison officers and staff can be constructed and implemented Others however despair of imprisonment and even punishment and reach instead for alternative ways of healing the personal and communal breaches constituted by crime The result is a provocative contribution to practical and professional ethics

Corrections John T. Whitehead, Kimberly D. Dodson, Bradley D. Edwards, 2012-09-17 *Corrections Exploring Crime Punishment and Justice in America* provides a thorough introduction to the topic of corrections in America In addition to providing complete coverage of the history and structure of corrections it offers a balanced account of the issues facing the field so that readers can arrive at informed opinions regarding the process and current state of corrections in America The third edition introduces new content and fully updated information on America's correctional system in a lively colorful readable textbook Both instructors and students benefit from the inclusion of pedagogical tools and visual elements that help clarify the material

Exploring Corrections in America John T. Whitehead, Mark Jones, Michael C. Braswell, 2010-04-07 *Exploring Corrections in America* provides a thorough introduction to the topic of corrections in America In addition to providing complete coverage of the history and structure of corrections it offers a balanced account of the issues facing the field so that readers can arrive at informed opinions regarding the process of corrections in America Each chapter is enhanced by an outline what you need to know internet links photos boxes ethics focus discussion questions and further readings

Managing Correctional Crises John M. McCullough, 2006 This book explains how to handle prison and jail crises such as violence hunger strikes suicides hostage takings and riots using real examples Topics covered include the various stages of crisis from indications of impending crises and what starts disturbances general guidelines for managing a crisis and how to handle specific types of crises

Key Issues in Corrections Jeffrey Ian Ross, 2016-09-28 *Key Issues in Corrections* is an engaging textbook critically analyzing the most important challenges affecting the correctional system in the USA Written by a highly respected expert in the field and building on his best selling book *Special problems in corrections* it examines long standing and emerging issues grounding the discussion in empirical research and current events Updates to this edition include Integrating new scholarship lawsuits and the use of technology The introduction and evaluation of new policies and practices New sections on The Privatization of Prisons and The Death Penalty Primarily written for undergraduate students who have already had an introduction to the topic the book offers a no nonsense

approach to explaining the problems of correctional officers correctional managers prisoners and the public

Correctional Organization and Management Robert M. Freeman, 1999 Bridges the gap between critical elements of organisational theory and psychosocial issues Explains the evolution of corrections related public policy and corrections organisational behaviour and structure over the past 200 years Also leads to an understanding of the ethical change management and 21st century challenges correctional managers and leaders must be prepared to address Understanding Prisons: Key Issues In Policy And Practice Coyle, Andrew, 2005-12-01 Few people can talk about prisons with the authority and experience that Andrew Coyle brings to his subject A former prison governor an academic author an international activist and a practical reformer Professor Coyle knows prisons inside and out home and abroad past and present In Understanding Prisons he uses his impressive expertise to guide researcher through the changing world of the English prison The result is an accessible up to date and highly informative book that will be welcomed by students and practitioners alike David Garland NYU author of *The Culture of Control* Andrew Coyle has drawn on his lifelong experience of governing prisons in Scotland and England and as the former Director of the International Centre for Prison Studies Kings College London studying prisons worldwide He has written a comprehensive account of the use of imprisonment and the character of prisons He persuasively argues that our continued extensive use of imprisonment cannot simply be explained or justified by the incidence of crime and could otherwise His book merits close attention Rod Morgan Chairman Youth Justice Board There are over nine million men women and children in prison around the world and the number of people in prison in England and Wales has increased significantly in recent years Yet in many respects prison remains the last secretive public institution in our society Understanding Prisons provides a unique in depth examination of prisons how they function what they achieve and their historical and political context The book Describes how prisons developed into their present form Looks at who is sent to prison and what happens to them while they are there Explains how the prison system and staff in England and Wales are organised Examines how order and control is maintained and how high security prisons operate Looks at prisoners families and the wider community Offers a future vision of the prison system This is essential reading for criminology and sociology students and researchers criminal justice practitioners the media and members of the public who are interested in learning more about the closed world of the prison **Understanding Prisons: Key Issues in Policy and Practice** Andrew

Coyle, 2005-12-16 Few people can talk about prisons with the authority and experience that Andrew Coyle brings to his subject A former prison governor an academic author an international activist and a practical reformer Professor Coyle knows prisons inside and out home and abroad past and present In Understanding Prisons he uses his impressive expertise to guide researcher through the changing world of the English prison The result is an accessible up to date and highly informative book that will be welcomed by students and practitioners alike David Garland NYU author of *The Culture of Control* Andrew Coyle has drawn on his lifelong experience of governing prisons in Scotland and England and as the former Director of the

International Centre for Prison Studies Kings College London studying prisons worldwide He has written a comprehensive account of the use of imprisonment and the character of prisons He persuasively argues that our continued extensive use of imprisonment cannot simply be explained or justified by the incidence of crime and could otherwise His book merits close attention Rod Morgan Chairman Youth Justice Board There are over nine million men women and children in prison around the world and the number of people in prison in England and Wales has increased significantly in recent years Yet in many respects prison remains the last secretive public institution in our society Understanding Prisons provides a unique in depth examination of prisons how they function what they achieve and their historical and political context The book Describes how prisons developed into their present form Looks at who is sent to prison and what happens to them while they are there Explains how the prison system and staff in England and Wales are organised Examines how order and control is maintained and how high security prisons operate Looks at prisoners families and the wider community Offers a future vision of the prison system This is essential reading for criminology and sociology students and researchers criminal justice practitioners the media and members of the public who are interested in learning more about the closed world of the prison

Quick Reference to Correctional Administration Richard L. Phillips, John Walter Roberts, 2000 Provides an overview of all aspects of managing inmates in adult correctional facilities Takes key policies and procedures of the Bureau of Prisons and adapts them for general correctional use

Prison Governors Shane Bryans, 2013-08-21 This book provides the first systematic study of prison governors a hidden and powerful but much neglected group of criminal justice practitioners Its focus is on how they carry out their task how that has changed over time and how their role has evolved The author himself a former prison governor explains how prison governors have changed under external pressures and examines a number of the factors that have been influential in changing their working environment in particular the changing status of prisoners and the development of the concept of prisoners rights the increasing scrutiny of the press and politicians competitive elements introduced by privatization of the penal institutions and the introduction of risk management approaches Based on extensive research including interviews with 42 prison governors this book also explores a number of important biographical factors The author describes the demographic characteristics of the sample of governors interviewed including their social origins educational and occupational backgrounds their reasons and motivation for joining the prison service their career paths and also explores their values and beliefs In the light of the findings of this study the author also makes a number of important suggestions for changes that should be made to policy and practice and explores the implications for how our prisons should be governed in the future

Sanitation in Food Processing John A. Troller, 2012-12-02 This is an updated version of the popular First Edition and includes additional chapters on food and waste management raw materials and refrigerated foods Useful to university faculty and students as well as to food industry professionals the book provides a comprehensive introduction to contemporary technologies and methods of sanitary food processing Moving from principles to applications

for problem solving in the food plant it presents the most recent data and concepts relative to cleaning and sanitizing food plants and process equipment This volume traces the development of food processing knowledge examines implications to human health provides an understanding of the processing environment and investigates measures to control health hazards including the control of microbes A special feature is its emphasis on food quality programs with current information on HACCP and other quality programs such as ISO 9000 Food sanitarians and technologists microbiologists students and academicians in food science and nutrition and public health will find this text invaluable in their understanding of sanitary food processing methods food sanitation programs and food borne diseases Traces the development of food processing knowledge Examines implications to human health Provides an understanding of the food processing environment Investigates measures to control health hazards
