The Church of Us vs. Them David E. Fitch, 2019-07-16 We are living in angry times No matter where we go what we watch or how we communicate our culture is rife with conflict Unfortunately Christians appear to be caught up in the same animosity as the culture at large We are perceived as angry judgmental and defensive fighting among ourselves in various media while the world looks on How have we failed to be a people of reconciliation and renewal in the face of such tumult Claiming that the church has lost itself in the grip of an antagonistic culture David Fitch takes a close look at what drives the vitriol in our congregations He traces the enemy making patterns in church history and diagnoses the divisiveness that marks the contemporary evangelical church Fitch shows a way for the church to be true to itself unwinding the antagonisms of our day and making space for Christ's reconciling presence in our day to day lives He offers new patterns and practices that move the church beyond making enemies to being the presence of Christ in the world helping us free ourselves from a faith that feeds on division

Proclaiming the Whole Counsel of God Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound

scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God *Mobilizing a Great Commission Church for Harvest* Thomas P. Johnston, 2011-05-23 *Mobilizing a Great Commission Church for Harvest* addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew s Great Commission *Mobilizing a Great Commission Church for Harvest* is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God **Neo-Pentecostalism** Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilizatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story **Preaching for the Rest of Us** Robby Gallaty, Steven W. Smith, 2018-06-01 *Preaching for the Rest of Us* serves as a starter s guide to text driven preaching Driven by the conviction that pastors hold the weighty and honorable responsibility of explaining Scripture to their congregations Gallaty and Smith
