Egoists A Of Supermen:

Egoists, a Book of Supermen James Huneker, 1909 **Egoists** James Huneker, 1925 **Egoists** James Huneker, 2015-01-16 Example in this ebook A SENTIMENTAL EDUCATION HENRY BEYLE STENDHAL The fanciful notion that psychical delicacy is accompanied by a corresponding physical exterior should have received a death blow in the presence of Henry Beyle better known as Stendhal Chopin Shelley Byron and Cardinal Newman did not in personal appearance contradict their verse prose and music but Stendhal possessing an exquisite sensibility was as Hector Berlioz cruelly wrote in his Memoirs A little pot bellied man with a spiteful smile who tried to look grave Sainte Beuve is more explicit Physically his figure though not short soon grew thick set and heavy his neck short and full blooded His fleshy face was framed in dark curly hair and whiskers which before his death were assisted by art His forehead was fine the nose turned up and somewhat Calmuck in shape His lower lip which projected a little betrayed his tendency to scoff His eyes were rather small but very bright deeply set in their cavities and pleasing when he smiled His hands of which he was proud were small and daintily shaped In the last years of his life he grew heavy and apoplectic But he always took great pains to conceal the symptoms of physical decay even from his own friends Henri Monnier who caricatured him apparently in a gross manner denied that he had departed far from his model Some one said that Stendhal looked like an apothecary Homais presumably or M Prudhomme His maternal grandfather Doctor Gagnon assured him when a youth that he was ugly but he consolingly added that no one would reproach him for his ugliness The piercing and brilliant eye that like a mountain lake could be both still and stormy his eloquent and ironical mouth pugnacious bearing Celtic profile big shoulders and well modelled leg made an ensemble if not alluring at least striking No man with a face capable of a hundred shades of expression can be ugly Furthermore Stendhal was a charming causeur bold copious witty With his conversation he drolly remarked he paid his way into society And this demigod or monster as he was alternately named by his admirers and enemies could be the most impassioned of lovers His life long he was in love Prosper M rim e declares he never encountered such furious devotion to love It was his master passion Not Napoleon not his personal ambitions not even Italy were such factors in Stendhal s life as his attachments His career was a sentimental education This ugly man with the undistinguished features was a haughty cavalier an intellectual Don Juan a tender sighing swain a sensualist and ever lyric where the feminine was concerned But once seated pen in hand the wise worldly cynic was again master My head is a magic lantern he said And his literary style is on the surface as unattractive as were the features of the man the inner ear for the rhythms and sonorities of prose was missing That is the first paradox in the Beyle Stendhal case To be continue in this ebook **Egoists; A Book Of Supermen** James Huneker, 2021-05-20 Egoists A Book Of Supermen has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of

scanned copies of their original work and hence the text is clear and readable *Freewomen and Supermen* Anne Fernihough, 2013-10 *Freewomen and Supermen* examines the progressive innovative and sometimes wildly eccentric nature of radical thought in the Edwardian period and shows how Edwardian radical thought was to play a crucial role in the development of literary modernism **The Ego Made Manifest** Wayne Bradshaw, 2023-09-07 From Karl Marx to Wyndham Lewis this book examines Max Stirner's influence on the modern manifesto Max Stirner has long proven to be an elusive figure at the fringes of 19th century German idealism He has been portrayed as the father of the philosophical dead end that was egoistic anarchism a withered branch of an ineffectual movement remembered largely because of its suggestion that crime was a valid form of revolutionary action From this perspective egoists subscribed to extreme forms of anarchism and defended acts of theft assault and even murder egoism only held lasting appeal to rebels nihilists and criminals and Stirner's ideas could and should be consigned to the dustbin of history accordingly *The Ego Made Manifest* argues that many of the accepted truisms about Stirner and his reception are false and that his contribution to modernist and avant garde manifesto writing traditions has been overlooked Beginning with his influence on Marx's *Communist Manifesto* Wayne Bradshaw reinserts Stirner into the history of manifestos that not only rebelled against tradition but sought to take ownership of history culture and people's minds This study documents the trajectory of Stirner's reception from mid 19th century Germany to his rediscovery by German and American readers almost 50 years later and from his popularity among manifesto writers in fin de siècle Paris to the birth of Italian Futurism Finally it considers how American and British interest in egoism helped inspire Vorticism's satirical approach to revolt and how in an age of extremism Stirner's ideas continue to haunt the modern mind

Max Stirner's Dialectical Egoism John F. Welsh, 2010-09-23 Max Stirner 1806 1856 is recognized in the history of political thought because of his egoist classic *The Ego and Its Own* Stirner was a student of Hegel and a critic of the Young Hegelians and the emerging forms of socialist and communist thought in the 1840s *Max Stirner's Dialectical Egoism A New Interpretation* examines Stirner's thought as a critique of modernity by which he meant the domination of culture and politics by humanist ideology In Stirner's view humanity is the supreme being of modernity and humanism is the prevailing legitimization of social and political domination Welsh traces Stirner's thought from his early essays to *The Ego and Its Own* and Stirner's responses to his critics He also examines how Benjamin Tucker James L Walker and Dora Marsden applied Stirner's dialectical egoism to the analysis of a the transformations of capitalism b culture ethics and mass psychology and c feminism socialism and communism All three viewed Stirner as a champion of individuality against the collectivizing and homogenizing forces of the modern world Welsh also takes great care to dissociate Stirner's thought from that of the other great egoist critic of modernity Friedrich Nietzsche He argues that the similarities in the dissidence of Stirner and Nietzsche are superficial The book concludes with an interpretation of Stirner's thought as a form of dialectical egoism that includes a multi tiered analysis of culture society and individuality b the basic principles of Stirner's view of the relationship between

individuals and social organization and c the forms of critique he employs Stirner s critique of modernity is a significant contribution to the growing literature on libertarianism dialectical analysis and post modernism **The Will to Freedom**
 John Neville Figgis,1917 The Will to Freedom, Or, The Gospel of Nietzsche and the Gospel of Christ John Neville Figgis,1917 **Edward Thomas and World Literary Studies** Andrew Webb,2013-07-15 This book uses models of world literature to present this quintessentially English writer as a pioneering figure in an Anglophone Welsh literary tradition a controversial reading that contributes to the present day reconfiguration of cultural relations between Wales England Scotland **Forum and Column Review** ,1909 **Dora Marsden and Early Modernism** Bruce Clarke,1996 Arguing that Marsden s contributions have been neglected and misunderstood Dora Marsden and Early Modernism seeks to restore Marsden to her proper status as one of the major influences on modern British and American literature as well as the early literary sensibilities of D H Lawrence Ezra Pound and William Carlos Williams *False Prophets* James Martin Gillis,1925
