the ability to look truth in the face and not flinch Massey did in the cultural domain what modern paleontologists have done in the anthropological pinpoint Africa as the crucible of humanity's story In the first volume of *Ancient Egypt* Massey was primarily concerned with elaborating how the first humans emerged in Africa created thought What had been evident to him from the outset was that the myths rituals and religions of ancient Egypt or Old Kam had preserved virtually intact a record of the psychomythic evolution of humanity In the second volume Massey examines the celestial phenomenon known as the Precession of the Equinoxes He believed only by understanding this phenomenon was it possible to fathom Nile Valley history He provides the reader with extensive detail on the interconnection of the two The last half of the second volume is devoted to the Kamite sources of Christianity Massey demonstrated the manner in which New Testament Christianity evolved directly out of the Osirian mysteries Massey pioneered the effort to connect Old Kamite thought to its origin in Africa's antiquity His conclusions which are constantly being verified showed that Kamite thought was the direct progenitor to the philosophy metaphysics religion and science that eventually shaped Western civilization from back cover

Ancient Egypt - Light Of The World, Volume 2 Gerald Massey, 2013-11-26 This is part 2 of the Gerald Masseys work about the comparisons between the Judeo Christian religion and the Egyptian religion No one ever understood the mythology and ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best of its kind and a must have for every student of Egyptian mythology and history

Egyptian Wisdom in Other Jewish Writings Gerald Massey, 2008-11-01 When the word Sheol in the Old Testament is rendered in English by the grave it is inadequate times out of number The Hebrew writers were not always speaking or thinking of the grave when they wrote of Sheol which has to be bottomed in Amentha the divine nether earth not simply in the tomb The grave is not identical with hell nor the pit hole with the bottomless pit The pangs and sorrows of Sheol like the purging pangs of the Romish purgatory have to be studied in the Egyptian Ritual from *Egyptian Wisdom in other Jewish Writings* It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 8 of *Ancient Egypt* in which Massey connects the stories of the Egyptians with the tales and lessons of the Hebrew prophets likening David to Osiris and the King of Glory and Lord of Hosts that is Yahweh to the sun god of astronomical mythology With similar symbology of flocks and shepherds light and darkness and immortality in an afterlife it is impossible Massey argues not to see deep connections to and influences of Egyptian wisdom in that of the Hebrews Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and

theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis*

The Origin and Evolution of Religion (Routledge Revivals) Albert Churchward, 2015-06-03 Churchward's *The Origin and Evolution of Religion* first published in 1924 explores the history and development of different religions worldwide from the religious cults of magic and fetishism to contemporary religions such as Christianity and Islam. This text is ideal for students of theology

The Jesus Legend Traced in Egypt for Ten Thousand Years Gerald Massey, 2008-11-01 It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric. Gerald Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs. Publisher's note

Christ in Egypt D. M. Murdock, Acharya S, 2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith. The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common

Light, 1907

Egyptian Wisdom in the Revelation of John the Divine Gerald Massey, 2008-11-01 The drama opens in Revelation the same as in the Book of the Dead with the resurrection and the glory of the coming Son. Behold He cometh with the clouds and every eye shall see Him. It is the risen Lord of Resurrection who says I was dead and behold I am alive evermore and I have the keys of death and of hades. Ch i 18 This is Horus of the resurrection risen from Amenta in his triumph over death and hell or Sut and Akar. He proclaims himself to be the all one Har Sum tau Neb U. Jesus like Horus is the faithful witness for the Father from Egyptian Wisdom in the Revelation of John the Divine. It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric. Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs. Here Cosimo proudly presents Book 11 of *Ancient Egypt* in which Massey demonstrates how Scripture was created from the remains of Egyptian gnostic traditions with little knowledge of the ancient wisdom upon which it drew through the specific example of the Biblical story of the Book of Revelation and John the Divine. Using Egyptian mythology Massey makes sense of the apocalyptic visions of Revelation by showing how they are actually the work of Taht Aan a pre-Christian John the Divine. Peculiar and profound this work will intrigue and delight readers of history, religion and mythology.

British author GERALD MASSEY 1828-1907 published works of poetry, spiritualism, Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis*
