unknown is both friend and foe At times it can be a source of paralyzing fear and uncertainty At other times it can be a starting point for transformation creativity and growth The unknown is a deep current that runs throughout all religions and mystical traditions plays an important role in contemporary psychotherapeutic thought and practice and is essential to personal growth and healing In *The Wisdom of Not Knowing* psychotherapist Estelle Frankel shows us that our psychological emotional and spiritual health is radically influenced by how comfortable we are with navigating the unknown and uncertain dimensions of our lives Drawing on insights from Kabbalah depth psychology Buddhism Christianity Hinduism and ancient myth Frankel explores how we can grow our souls by tapping into the wisdom of not knowing She also includes case studies of individuals who have grappled with fears of the unknown and as a result come out wiser stronger and more resilient Each chapter includes experiential exercises and meditations for befriending the unknown conveying how embracing a state of not knowing is the key to gaining new knowledge learning to bear uncertainty and enjoying a healthy sense of adventure and curiosity

*How Master Mou Removes Our Doubts* John P. Keenan, 1994-11-09 This is the first English translation of the earliest Chinese Buddhist text but it is more than a translation Keenan shows that Mou tzu s *Treatise on Alleviating Doubt* is a Buddhist hermeneutic on the Chinese classics Using a reader response method of examining the text Keenan shows how the rhetoric convinces readers that one can remain culturally Chinese yet be a Buddhist The Introduction explains the reader response methodology develops the movement of the dialogue in terms of this method and clarifies the rhetorical impact of Master Mou s argument The Introduction is followed by the thirty seven articles of the text Each article is first translated into English then the contextual images and ideas are unpacked for each and finally each article is subjected to a reader response critique that shows what the argument accomplishes in each of its progressive steps

*The Science of Planetary Signatures in Medicine* Jennifer T. Gehl, 2017-01-27 A comprehensive guide to the cosmic influences that underlie health and how to apply them for profound health and healing Examines how ancient and modern traditions of healing interconnect through the doctrine of signatures As above so below Reveals how one s astrological chart has implications for personal health and healing Explains how each sign of the zodiac corresponds not only to parts of the body and its chakras but also to specific plants herbs colors and emotions Explores how to use sound healing to harmonize astrological imbalances When we look at the vast and intricate cosmos galaxies planets organisms organs cells molecules atoms there is a fundamental order a music or harmony of the spheres Our cells reflect the images of galaxies seen through our telescopes We are the microcosm reflecting the macrocosm of the heavens Our ancestors understood these patterns and connections between humanity and the universe and developed spiritual and healing traditions in line with these cosmic truths Yet in the 19th century knowledge of these connections was set aside as medical science sought to create the one size fits all approaches to healing that dominate modern medicine today In this comprehensive exploration of the celestial influences that underlie health and healing Jennifer Gehl with Marc Micozzi examines how ancient and modern traditions of healing interconnect through the

doctrine of signatures As above so below She reveals how one's celestial nature the arrangement of the cosmos at the moment of birth has implications for personal health and how each sign of the zodiac corresponds to parts of the body the chakras and specific plants herbs colors and emotions She explains how sound re arranges forms according to the principles of harmony leveraging not only the human self regulating capacity to restore health but also that of the Earth to restore balance and harmony Also explored are the recurrence of geometric forms in nature and how to apply this knowledge in sound healing and medical astrology Weaving together the threads of ancient science and spirit that formed the original tapestry of medicine Gehl explains how to restore the cosmic foundations of healing for personal planetary and universal health and wellbeing     Animals and World Religions Lisa Kemmerer,2012-01-05 Despite increasing public attention to animal suffering human beings continue to exploit billions of animals in factory farms medical laboratories and elsewhere This wide ranging study shows how spiritual teachings in seven major religious traditions can help people consider their ethical obligations towards other creatures     Mulan: Before the Sword Grace Lin,2020-04-07 From New York Times best selling author Grace Lin comes a novel filled with adventure and wonder set before the Walt Disney Studios film Mulan Family is important to Hua Mulan even if her parents don't understand why she would rather ride her horse Black Wind than weave or how her notorious clumsiness can be so different from the graceful demeanor of her younger sister Xiu But despite their differences Mulan has a deep love for her family especially Xiu So when her sister is bitten by a poisonous spider Mulan does everything she can to help including seeking out a renowned healer However it quickly becomes apparent that there is more to both the mysterious spider bite and the healer than meets the eye On a quest with the Jade Rabbit of legend Mulan visits extraordinary places meets Immortals and faces incredible obstacles while searching for an antidote for her sister And the danger only rises when Mulan learns of a prophecy foretelling that a member of the Hua family will one day save the Emperor and of the powerful enemies who will stop at nothing to prevent it from coming to pass
