Eight Short Novels:

Eight Short Novels Dean S. Flower, 1970 *Eight Stories* Erich Maria Remarque, Larry Wolff, Maria Tatar, 2023-11-21 A compelling set of short stories chronicling post World War I life in Germany from the author of the classic *All Quiet on the Western Front* German American novelist Erich Maria Remarque captured the emotional anguish of a generation in his World War I masterpiece *All Quiet on the Western Front* as well as in an impressive selection of novels plays and short stories This exquisite collection revives Remarque's unforgettable voice presenting a series of short stories that have long ago faded from public memory From the haunting description of an abandoned battlefield to the pain of losing a loved one in the war to soldiers struggles with what we now recognize as PTSD the stories offer an unflinching glimpse into the physical emotional and even spiritual implications of World War I In this collection we follow the trials of a war widow Annette Stoll reflect on the power of small acts of kindness toward a dying soldier and join Johann Bartok a weary prisoner of war in his struggle to reunite with his wife Although a century has passed since the end of the Great War Remarque's writing offers a timeless reflection on the many costs of war *Eight Stories* offers a beautiful tribute to the pain that war inflicts on soldiers and civilians alike and resurrects the work of a master author whose legacy like the war itself will endure for generations to come

Blood in Water 8 Short Stories Madeleine Watson, 2020-06-20 Between 2011 and 2014 I wrote eight short stories I had been writing stories since I was about six Weird scenarios would enter my head and I would feel compelled to write about them *Blood in Water* relates on Abby who makes an awful discovery about her family *Dead Letter Room* samples the life of lonely Finch at his workplace *Outside* enters the disturbed mind of an ex convict and *What Goes Around* considers the makings of a bully On the surface all appear to delve into diverse worlds and minds But this isn't quite so They are all about alienation My other stories are the same alienation It goes right back to my early children's mysteries of the Seventies How strange I hadn't noticed The reason is that I would make my own personal discovery in 2016 I was fifty one years old and living with my partner and two children Until then I was completely unaware of a vital truth about myself This truth has leaked into my stories and creations without my realisation This account is true Relevant diary entries have been included as well as illustrations Analyses and further dissections provides an insight into the force behind these stories and ventures into the strange phenomena I have discovered It's like a ghost language **Index to Short Stories**, 1929 **Dayton Public**
