**Eighty English Folk Songs from the Southern Appalachians** Cecil James Sharp, Maud Karpeles, 1968     **Eighty English Folk Songs from the Southern Appalachians** Cecil James Sharp, Maud Karpeles, 1968     **Eighty English Folk Songs from the Southern Appalachians** Cecil Sharp, 1975     [Eighty English Folk Songs from the Southern Appalachians](#), 1968     *Encyclopedia of Great Popular Song Recordings* Steve Sullivan, 2013-10-04 From John Philip Sousa to Green Day from Scott Joplin to Kanye West from Stephen Foster to Coldplay The Encyclopedia of Great Popular Song Recordings Volumes 1 and 2 covers the vast scope of its subject with virtually unprecedented breadth and depth Approximately 1 000 key song recordings from 1889 to the present are explored in full unveiling the stories behind the songs the recordings the performers and the songwriters Beginning the journey in the era of Victorian parlor balladry brass bands and ragtime with the advent of the record industry readers witness the birth of the blues and the dawn of jazz in the 1910s and the emergence of country music on record and the shift from acoustic to electrical recording in the 1920s The odyssey continues through the Swing Era of the 1930s rhythm the rock modern soul the British invasion and the folk rock movement of the 1960s and finally into the modern era through the musical streams of disco punk grunge hip hop and contemporary dance pop Sullivan however also takes critical detours by extending the coverage to genres neglected in pop music histories from ethnic and world music the gospel recording of both black and white artists and lesser known traditional folk tunes that reach back hundreds of years This book is ideal for anyone who truly loves popular music in all of its glorious variety and anyone wishing to learn more about the roots of virtually all the music we hear today Popular music fans as well as scholars of recording history and technology and students of the intersections between music and cultural history will all find this book to be informative and interesting     **Folk-songs of the South** John Harrington Cox, 1925     [Death and Dying in Central Appalachia](#) James K. Crissman, 1994 James Crissman explores cultural traits related to death and dying in Appalachian sections of Tennessee Virginia Kentucky North Carolina and West Virginia showing how they have changed since the 1600s Relying on archival materials almost forty photographs and interviews with more than 400 mountain dwellers Crissman focuses on the importance of family and neighborliness in mountain society Written for both scholarly and general audiences the book contains sections on the death watch body preparation selection or construction of a coffin or casket digging the grave by hand the wake the funeral and other topics Crissman then demonstrates how technology and the encroachment of American society have turned these vital traditions into the disappearing practices of the past     **The Routledge Companion to the Study of Local Musicking** Suzel A. Reily, Katherine Brucher, 2018-03-14 WINNER OF THE 2019 SOCIETY OF ETHNOMUSICOLOGY ELLEN KOSKOFF PRIZE FOR EDITED COLLECTIONS The Routledge Companion to the Study of Local Musicking provides a reference to how cross culturally musicking constructs locality and how locality is constructed by the musicking that takes place within it that is how people engage with ideas of community and place through

music The term musicking has gained currency in music studies and refers to the diverse ways in which people engage with music regardless of the nature of this engagement By linking musicking to the local this book highlights the ways in which musical practices and discourses interact with people s everyday experiences and understandings of their immediate environment their connections and commitment to that locality and the people who exist within it It explores what makes local musicking local By viewing musicking from the perspective of where it takes place the contributions in this collection engage with debates on the processes of musicking identity construction community building and network formation competitions and rivalries place and space making and local global dynamics Talking Appalachian Amy D. Clark, Nancy M. Hayward, 2014-08-29 Tradition community and pride are fundamental aspects of the history of Appalachia and the language of the region is a living testament to its rich heritage Despite the persistence of unflattering stereotypes and cultural discrimination associated with their style of speech Appalachians have organized to preserve regional dialects complex forms of English peppered with words phrases and pronunciations unique to the area and its people Talking Appalachian examines these distinctive speech varieties and emphasizes their role in expressing local history and promoting a shared identity Beginning with a historical and geographical overview of the region that analyzes the origins of its dialects this volume features detailed research and local case studies investigating their use The contributors explore a variety of subjects including the success of African American Appalachian English and southern Appalachian English speakers in professional and corporate positions In addition editors Amy D Clark and Nancy M Hayward provide excerpts from essays poetry short fiction and novels to illustrate usage With contributions from well known authors such as George Ella Lyon and Silas House this balanced collection is the most comprehensive accessible study of Appalachian language available today
