Globocnik's SS file extensive interviews with his lover Irmgard Rickheim and others a wealth of letters both personal and formal internal memos and official reports of the SS diaries and the reminiscences of survivors Includes rare photographs many from the collection of Irmgard Rickheim *The Oxford Handbook of the Weimar Republic* Nadine Rossol, Benjamin Ziemann, 2022 The Weimar Republic was a turbulent and pivotal period of German and European history and a laboratory of modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone interested in the fascinating history of the Weimar Republic Three Minutes in Poland Glenn Kurtz, 2014-11-18 The author's discovery of a brief 16mm film shot by his grandfather during a 1938 visit to his soon to be extinguished birthplace in Poland unfolds like a detective story Now the basis for the documentary *Three Minutes A Lengthening* Named one of the best books of 2014 by NPR The New Yorker and The Boston Globe When Glenn Kurtz stumbles upon an old family film in his parents closet in Florida he has no inkling of its historical significance or of the impact it will have on his life The film shot long ago by his grandfather on a sightseeing trip to Europe includes shaky footage of Paris and the Swiss Alps with someone inevitably waving at the camera Astonishingly David Kurtz also captured on color 16mm film the only known moving images of the thriving predominantly Jewish town of Nasielsk Poland shortly before the community's destruction Blissfully unaware of the catastrophe that lay just ahead he just happened to visit his birthplace in 1938 a year before the Nazi occupation Of the town's three thousand Jewish inhabitants fewer than one hundred would survive Glenn Kurtz quickly recognizes the brief footage as a crucial link in a lost history The longer I spent with my grandfather's film he writes the richer and more fragmentary its images became Every image every face was a mystery that might be solved Soon he is swept up in a remarkable journey to learn everything he can about these people After restoring the film which had shrunk and propelled across the United States to Canada England Poland and Israel and into archives basements cemeteries and even an irrigation ditch at an abandoned Luftwaffe airfield as he looks for shards of Nasielsk's Jewish history One day Kurtz hears from a young woman who had watched the video on the Holocaust Museum's website As the camera panned across the faces of children she recognized her grandfather as a thirteen year old boy Moszek Tuchendler of Nasielsk was now eighty six year old Maurice Chandler of Florida and when Kurtz meets him the lost history of Nasielsk comes into view Chandler's laser sharp recollections create a bridge between two worlds and he helps Kurtz eventually locate six more survivors including a ninety six year old woman who also appears in the film standing next to the man she would later marry Painstakingly assembled from interviews photographs documents and artifacts *Three Minutes in Poland* tells the rich harrowing and surprisingly intertwined stories of these seven survivors and their Polish hometown I began to catch fleeting glimpses of the living town Kurtz writes a cruelly narrow sample of its relationships contradictions scandals Originally a travel souvenir David Kurtz's home movie became the most important record of a vibrant town on the brink of extinction From this brief film Glenn Kurtz creates a poignant yet unsentimental exploration of memory loss and improbable

survival a monument to a lost world **Nazi Spymaster** Michael Mueller,2017-06-13 Admiral Wilhelm Canaris was the head of the Abwehr Hitler s intelligence service from 1935 to 1944 Initially a supporter of Hitler Canaris came to vigorously oppose his policies and practices and worked secretly throughout the war to overthrow the regime Near the end of the war secret documents were discovered that implicated Canaris and hinted at the extent of the activities conducted by Canaris s Abwehr against the Hitler regime and in 1945 Canaris was executed as a national traitor But Canaris left little in the way of personal documents and to this day he remains a figure shrouded in mystery Drawing on newly available archival materials Mueller investigates the double life of this legendary and enigmatic figure in the first major biography of Canaris to be published in German *Creator of Nazi Death Camps* Berndt Rieger,2007 A key player in the annexation of Austria in 1938 Odilo Globocnik was made Gauleiter of Vienna for seven months until the Nazi party forced him to resign because of his abrasive manner murky financial dealings and blatant incompetence Due to a close personal relationship with Heinrich Himmler however Globocnik was named to the seminal post of Lubin SS and Police Chief from 1939 to 1943 where he built and was in charge of some 150 camps including the Majdanek camp and the killing centres of Belzec Sobibor and Treblinka

Family's Journey in the Shadow of the Holocaust is the story of a European Jewish family's struggle to survive in the face of Nazi antisemitism and the Holocaust. The terrible history of twentieth century genocide is told through the lives and writings of the survivors and is illustrated by evocative historic photographs. In 1915 Paula Ticho's family buys a cinema in Vienna. It is to be run by Paula and her sister Selma, two single women. The Palast Kino proves to be a success, but in the late 1930s the Nazi party's antisemitic policies lead to its being forcibly taken over. Threatened by Hitler's rise to power, Paula sends her younger son Peter to safety in England to join his half brother Erich before fleeing herself a penniless refugee. During the Second World War, Paula becomes a matron at hostels in Tynemouth and Windermere, caring for forty Jewish girls after they have been evacuated from Europe by the Kindertransport. The girls' descriptions of the insidious rise of antisemitism during their childhood in Europe, the distress of leaving their families, adjusting to hostel life, and the trauma of surviving when most of their family perished are at times heartrending. Paula's son Peter tells of his internment in the Isle of Man and Canada and naval service, whilst Erich joins the army. After the war, Paula, Erich, Peter, and the hostel girls have to rebuild their lives. Reconstruction of the fates of family left behind in Vienna and Paula's fight to have ownership of the Palast Kino restored to her is based on contemporary correspondence and archival research in Vienna. Kino and Kinder: A Family's Journey in the Shadow of the Holocaust moves between Brno, Vienna, London, Newcastle, Windermere, the Isle of Man, and Canada as it follows the lives of the family. The book provides many wonderful details about life in Vienna, Austria, and Central Europe before World War Two and in post-war London. With over eighty unique original photographs, the book is essential reading for all those interested in the Second World War and European Genocide Holocaust Studies.

The Word at War Philip Gooden, Peter Lewis, 2014-09-25. War words have embedded themselves in our collective psyche. British politicians are fond of invoking the Dunkirk spirit whenever the country is faced with major crisis or even minor adversity, and Roosevelt's famous description of Pearl Harbor as a date which will live in infamy was echoed by many US commentators after the 9/11 attacks. So far so familiar. Or is it? How many of us know, for instance, that Keep Calm and Carry On, far from achieving its morale-boosting aim, was considered at the time to be deeply patronizing by the people it was directed at and so had only limited distribution? The Word at War explores 100 phrases spawned and popularized in the lead-up and during the conflict of World War Two. Substantial essays explore and explain the derivations of and the stories behind popular terms and phraseology of the period, including wartime speeches and the words of Churchill, Hitler, and FDR, service slang, national stereotypes, food and drink, and codewords.

Soviet and Nazi Posters Kees Boterbloem, Lisa Pine, 2025-01-23. This book examines the key content and propaganda value of posters in the dictatorships of Stalin's USSR, 1927-53, and Hitler's Germany, 1933-43, using posters as a point of entry for discussing key Soviet and Nazi policies. In so doing, Soviet and Nazi Posters provides a compelling account of the posters utilised by both regimes for the first time. commonalities and differences and inspecting the regimes use of posters as propaganda Richly illustrated with 50 images 25 of which are in colour Soviet and Nazi Posters encourages the development of vital source skills in the pursuit of understanding the complexities of 20th century European dictatorships What do these posters yield to the historian What do they tell us about the regimes and their intentions Ultimately they offer a compelling visual point of entry into Nazism and Stalinism here explored in rewarding detail Boterbloem and Pine convincingly make the case that the use of posters as a medium of propaganda by Stalin and Hitler was advanced at the time and far reaching The poster campaigns were very powerful in terms of the impact on their populations and point to how the regimes could influence people outside their homes and in public places to support the regimes and their policies The book looks at specific posters to discuss key regime policies associated with them and this offers us new insights into the nature of these authoritarian governments and the way in which they addressed their populations

Political Development Damien Kingsbury, 2007-08-07 This book fills a growing gap in the literature on international development by addressing the debates about good governance and institution building within the context of political development Political Development returns the key issues of human rights and democratization to the centre of the development debate and offers the reader an alternative to the conventional approach to and definition of the idea of development Discussing political development in its broadest context it includes chapters on democracy institution building the state state failure nation human rights and political violence Damien Kingsbury a leading expert on development and Southeast Asia argues that good governance in its common usage is too narrowly defined and that good governance is not just about ensuring the integrity of a state's financial arrangements but that it goes to the core social and political issues of transparency and accountability implying a range of social structures defined as institutions Providing new insights into political development this comprehensive text can be used on advanced undergraduate and postgraduate courses in international development comparative politics political theory and international relations

The Kingdom and the Glory Giorgio Agamben, Matteo Mandarini, 2011-09-13 The renowned philosopher expounds on the ideas he introduced in Homo Sacer with this analysis of the theological foundations of political power In the early centuries of the Church in order to reconcile monotheism with God's threefold nature the doctrine of Trinity was introduced in the guise of an economy of divine

life It was as if the Trinity amounted to nothing more than a problem of managing and governing the heavenly house and the world In *The Kingdom and the Glory* Agamben shows that this theological economic paradigm unexpectedly lies at the origin of many of the most important categories of modern politics Its influence ranges from the democratic theory of the division of powers to the strategic doctrine of collateral damage and from the invisible hand of Smith's liberalism to ideas of order and security Agamben also demonstrates that modern power is not only government but also glory and that the ceremonial liturgical and acclamatory aspects that we have regarded as vestiges of the past actually constitute the basis of Western power Through a fascinating analysis of liturgical acclamations and ceremonial symbols of power the throne the crown purple cloth the Fasces and more Agamben develops an original genealogy that illuminates the startling function of consent and of the media in modern democracies
