## **Eisenhower Presidency And The 1950s:**

**The Eisenhower Presidency and the 1950s** Michael S. Mayer, 1998 Topics include Eisenhower as President Eisenhower and McCarthy Eisenhower and Civil Rights Eisenhower and Foreign Policy American Culture in the 1950 s American Society in the 1950 s **The Age of Eisenhower** William I Hitchcock, 2018-03-20 A New York Times bestseller this is the outstanding The Atlantic insightful and authoritative account of Dwight Eisenhower s presidency Drawing on newly declassified documents and thousands of pages of unpublished material The Age of Eisenhower tells the story of a masterful president guiding the nation through the great crises of the 1950s from McCarthyism and the Korean War through civil rights turmoil and Cold War conflicts This is a portrait of a skilled leader who despite his conservative inclinations found a middle path through the bitter partisanship of his era At home Eisenhower affirmed the central elements of the New Deal such as Social Security fought the demagoguery of Senator Joseph McCarthy and advanced the agenda of civil rights for African Americans Abroad he ended the Korean War and avoided a new quagmire in Vietnam Yet he also charted a significant expansion of America s missile technology and deployed a vast array of covert operations around the world to confront the challenge of communism As he left office he cautioned Americans to remain alert to the dangers of a powerful military industrial complex that could threaten their liberties Today presidential historians rank Eisenhower fifth on the list of great presidents and William Hitchcock s rich narrative The Wall Street Journal shows us why Ike s stock has risen so high He was a gifted leader a decent man of humble origins who used his powers to advance the welfare of all Americans Now more than ever with this complete and persuasive assessment Booklist starred review Americans have much to learn from Dwight Eisenhower **We Like Ike** J. Richard Gruber, 1990 Dwight Eisenhower Kelly Mass, Dwight David Eisenhower was born on October 14 1890 in Denison Texas to David Jacob Eisenhower and Ida Elizabeth Stover Eisenhower but his formative years were spent in Abilene Kansas where his family moved when he was less than two years old The small prairie town of Abilene with its history as a cattle shipping point and its embodiment of frontier values would profoundly shape the character and worldview of the future general and president The Eisenhower family represented the hardworking God fearing middle class that formed the backbone of American society during the late nineteenth century instilling in young Dwight the values of duty perseverance and democratic equality that would guide him throughout his remarkable career The Eisenhower household was one of modest means but rich in moral instruction and intellectual curiosity David Eisenhower worked various jobs to support his growing family of seven sons including stints as a mechanic in a local creamery and later as a supervisor while Ida Eisenhower managed the household with the efficiency and moral authority that would later be reflected in her son s leadership style The family s financial struggles taught all the Eisenhower boys the value of hard work and self reliance while their mother s deep religious faith and their father s quiet dignity provided a foundation of character that emphasized service to others and integrity in all dealings The Presidency of Dwight D. Eisenhower Chester J.

Pach, Elmo Richardson, 1991 The best single volume available on the Eisenhower presidency Stephen E Ambrose author of Eisenhower 1950S-1960S Fable Todd M. Daley, 2013-05-30 The story begins in the 1950s with two children Tom and Cara who live with their foster parents on a 12 acre farm in South Jersey They are taught to help out on the farm while pursuing their own interests and going to school Then the children move to the North Shore of Staten Island with their birth parents adjusting to parents with different rules and different values making new friends and participating in urban street games like stick ball and jump rope Interspersed in the narrative are sketches of important people and events of that era Presidents Eisenhower and Kennedy Jonas Salk Billy Graham Bill Wilson AA Dick Clark and the Korean and Vietnam Wars 1950s 1960s Fable is a fast moving upbeat story which is funny sad optimistic and authentic with larger than life characters who do not fret over life's misfortunes The story is about conflict endurance and growth during an idealistic time in America's history

*God in Eisenhower's Life, Military Career, and Presidency* Jerry Bergman, 2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation's enlarged accommodation to faith specifically the Christian faith The central role Eisenhower's faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower's belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective *Arthur M. Schlesinger Jr. and the Ideological History of American Liberalism* Stephen P. Depoe, 2016-11-15 Examines the origin elements and evolving significance of the tides in the discourse of Arthur M Schlesinger Jr Arthur M Schlesinger Jr is a historian and political advocate whose ideas and activities have significantly influenced the shape and direction of American liberalism during the past fifty years A central feature of Schlesinger's ideological perspective is his belief that American history has been marked by alternating periods of conservative and liberal dominance which he has termed the tides of national politics Throughout his career Schlesinger has used the tides of national politics to defend the legitimacy and superiority of active liberal government and leadership The study investigates how the tides concept has functioned in both Schlesinger's historical scholarship and his partisan political discourse Depoe also explores the ways in which the tides concept has shaped and channeled Schlesinger's political thought over time leading him toward certain definitions of situations and away from others Finally Depoe offers Schlesinger's life and work as a case study of the highs and lows of postwar American liberalism By tracing Schlesinger's responses to Eisenhower era

conservatism Kennedy's New Frontier and the problems of Vietnam and violence during the 1960s and the gradual delegitimation of liberalism from the 1970s to the present this book offers a road map that can guide the reader toward a better understanding of the past present and future of liberalism in America *Eisenhower and the Management of Prosperity* John W. Sloan, 1991 Three years out of eight President Eisenhower achieved a balanced budget **U.S. Politics and the Global Economy** Ronald W. Cox, Daniel Skidmore-Hess, 1999 This book investigates the influence of globalization on ideology and politics in the United States Ronald Cox and Daniel Skidmore Hess argue that U S policy has been motivated less by anxiety about the independence and stability of the domestic economy and more by worry about factors that might limit the participation of U S corporations in international markets Connecting trends in domestic and foreign policy with the changing needs of industry they associate increased globalization with the breakup of the liberal New Deal coalition the collapse of the Bretton Woods Agreement in the 1970s the neoconservative antiregulatory movements of the 1980s and the rightward drift of both the Republican and Democratic Parties The Presidency and Rhetorical Leadership Leroy G. Dorsey, 2008-03-26 Successful presidential leadership depends upon words as well as deeds In this multifaceted look at rhetorical leadership twelve leading scholars in three different disciplines provide in depth studies of how words have served or disserved American presidents At the heart of rhetorical leadership lies the classical concept of prudence practical wisdom that combines good sense with good character From their disparate treatments of a range of presidencies an underlying agreement emerges among the historians political scientists and communication scholars included in the volume To be effective they find presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character Who they are and what they can do are thus twin pillars of successful rhetorical leadership Leroy G Dorsey introduces these themes and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency Each succeeding chapter then examines the rhetorical leadership of a particular president often within the context of a specific incident or challenge that marked his term in office Chapters dealing with George Washington John Adams Thomas Jefferson Theodore Roosevelt Woodrow Wilson Franklin Roosevelt Dwight Eisenhower Ronald Reagan and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency This book provides an indispensable addition to the literature on the presidency and in leadership studies **Eisenhower's Legacy: The Good, the Bad, and the Unknown** Pasquale De Marco, 2025-07-12 Dwight D Eisenhower the 34th President of the United States was a towering figure in American history A career military man with no prior experience in politics Eisenhower rose to the highest office in the land on the strength of his leadership during World War II He served two terms in office from 1953 to 1961 during a period of great change and turmoil both at home and abroad Eisenhower's presidency was marked by a number of significant accomplishments He oversaw a period of economic prosperity and growth and he helped to establish the United States as a global superpower He

also played a key role in the development of the interstate highway system and the establishment of NASA. However, Eisenhower's presidency was not without its challenges. He faced a growing civil rights movement at home and he was forced to deal with a series of international crises including the Korean War and the Suez Crisis. Despite these challenges, Eisenhower left office with high approval ratings and he is remembered as a popular and respected leader. This book provides a comprehensive overview of Eisenhower's life and presidency. It draws on a variety of sources including Eisenhower's own writings, speeches, and memoirs, as well as the work of historians and political scientists. The book is divided into ten chapters, each of which focuses on a different aspect of Eisenhower's life and career. The first chapter provides a detailed account of Eisenhower's early life and military career. The second chapter examines his role in World War II and his leadership of the Allied forces in Europe. The third chapter explores the creation of NATO and Eisenhower's role as its first Supreme Commander. The fourth chapter discusses Eisenhower's political ambitions and his election as President in 1952. The remaining chapters of the book focus on Eisenhower's presidency. The fifth chapter examines his domestic policies, including his economic policies, his social policies, and his civil rights record. The sixth chapter analyzes Eisenhower's foreign policy, including his strategy of containment, his handling of the Korean War, and his relationship with Nikita Khrushchev. The seventh chapter explores Eisenhower's relationship with the media and his use of television. The eighth chapter examines Eisenhower's relationship with Congress and his ability to work with both Democrats and Republicans. The ninth chapter focuses on Eisenhower's relationship with the Supreme Court and his appointments to the Court. The tenth and final chapter assesses Eisenhower's legacy and his impact on American history. This book is an essential resource for anyone interested in the life and presidency of Dwight D. Eisenhower. It provides a comprehensive and balanced account of his accomplishments and failures, and it offers a fresh perspective on his legacy. If you like this book, write a review.

**OBSESSED: THE PRESIDENCY AND ILLINOIS SENATORS PERCY, STEVENSON III, SIMON** Robert E. Hartley, 2023-07-16. From history books, memoirs, news stories, and public utterances, it is known that untold numbers of serving United States senators dreamed of residing in the Oval Office. Many fewer committed to open pursuit of the office, and even fewer made it. Three Illinois senators from the 1950s to the 1990s: Republican Charles H. Percy, Democrats Adlai E. Stevenson III and Paul Simon, can be counted as actively engaged in the hunt, with widely differing outcomes. Each had internal and external pressures. Percy, encouraged by Dwight Eisenhower and his brother Milton, and dogged by media speculation, Stevenson III, expected to follow in the footsteps of his great-grandfather and his father, Stevenson II, Simon, ambitious to find ever higher elective outlets for his policy ideas and willing to take the risk. Circumstances aside, their common goal was to be president. Their stories include campaign images and fresh perspectives based on documents.

**Milton Friedman & Economic Debate in the United States, 1932-1972: Volume 1** Edward Nelson, 2020-11-06. First in a two-volume study of Friedman's long career. No previous biographer has Nelson's deep and sophisticated understanding of monetary economics. Economic History. This study is the

first to distill Nobel Prize winner Milton Friedman's vast body of writings into an authoritative account of his research his policy views and his interventions in public debate With this ambitious new work Edward Nelson closes the gap Milton Friedman and Economic Debate in the United States is the defining narrative on the famed economist the first to grapple comprehensively with Friedman's research output economic framework and legacy This two volume account provides a foundational introduction to Friedman's role in several major economic debates that took place in the United States between 1932 and 1972 This first volume in the two volume account takes the story through 1960 covering the period in which Friedman began and developed his research on monetary policy It traces Friedman's thinking from his professional beginnings in the 1930s as a combative young microeconomist to his wartime years on the staff of the US Treasury and his emergence in the postwar period as a leading proponent of monetary policy As a fellow monetary economist Nelson writes from a unique vantage point drawing on both his own expertise in monetary analysis and his deep familiarity with Friedman's writings Using extensive documentation the book weaves together Friedman's research contributions and his engagement in public debate providing an unparalleled analysis of Friedman's views on the economic developments of his day Magisterial For anyone wanting to understand the ideas that Friedman generated over his research career this book is and will remain for some time the essential guide Financial World

The National Security : Its Theory and Practice, 1945-1960 Norman A. Graebner, 1986-05-29 Based on a conference at West Point this volume explores the national security policies developed by the Truman and Eisenhower administrations in response to the threat of Soviet expansionism More pointed and analytic than any other book on the subject it shows clearly that the makers of Cold War policy were motivated by fear It also examines the nature of U S security policy and points to the growing gap between the ends and the means of global security policy to protect Western democracy from the Red Menace by using a nuclear strategy with limited applications The contributors including David Alan Rosenberg Lloyd C Gardner Martin J Sherwin and Gary W Reichard explore such issues as how dependence on nuclear weapons became the central doctrine of American foreign policy the bureaucratic and political context of U S security Eisenhower's ongoing disputes with Army and Navy leaders over the security issue the objections of Democrats to the evolving security strategy and the limits of Cold War policy particularly how the viewing of the Third World through a U S Soviet prism impeded the U S from developing a truly global security policy Written in an accessible journalistic style The National Security makes available a wealth of information on the Cold War period and offers insights into fears that dominate political thinking to this day

American History for Everyone Earl G. Young, 2008 American History for Everyone A Narrative History of the United States tells the story of the development of the United States from the arrival of humans in Alaska more than 10 000 years ago to the opening of the twenty first century Focusing on the nation's successive waves of individuals that make up the story of American history the book offers a look at the individuals that created the United States of today In the book vague recollections are clarified myths are removed and misconceptions are

corrected American History for Everyone A Narrative History of the United States tells the story of the nation and the people who created it Those individuals often in conflict with each other and always struggling fashioned the United States into the wealthiest and most powerful nation in the world It also has become one of the most idealistic and willing to devote its resources to solving social problems at home and around the world

*Religion and the American Presidency* Gastón Espinosa, 2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their domestic and foreign policies to the nation This influence is evident in Washington's decision to add "so help me God" to the presidential oath accusations by Adams's supporters that Jefferson was an infidel Lincoln's biblical metaphors during the Civil War and FDR's call to fight against Nazi totalitarianism on behalf of Judeo-Christian civilization It is also apparent in Truman's support for Israel Eisenhower's Cold War decision to add "In God We Trust" on American currency the debate over JFK's Catholicism Jimmy Carter's born-again Christianity Reagan's Evil Empire speech Clinton's public repentance and George W. Bush's crusade against Islamic terrorists This volume explores these issues of religion and power in the presidencies of Washington Jefferson Madison Lincoln FDR Truman Eisenhower JFK Carter Reagan George H. W. Bush Clinton and George W. Bush through scholarly interpretations primary sources and illustrations

*The American Promise, Volume II: Since 1865* James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann, 2012-01-09 The American Promise is more teachable and memorable than any other U.S. survey text The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories The voices of hundreds of Americans from Presidents to pipe fitters and sharecroppers to suffragettes animate the past and make concepts memorable The past comes alive for students through dynamic special features and a stunning and distinctive visual program Over 775 contemporaneous illustrations more than any competing text draw students into the text and more than 180 full color maps increase students' geographic literacy A rich array of special features complements the narrative offering more points of departure for assignments and discussion Longstanding favorites include Documenting the American Promise Historical Questions The Promise of Technology and Beyond American's Borders representing a key part of our effort to increase attention paid to the global context of American history

**Eisenhower's Nuclear Calculus in Europe** Gates Brown, 2018-12-14 Through a reliance on nuclear weapons President Eisenhower hoped to provide a defense strategy that would allow the U.S. to maintain its security requirements without creating an economic burden This defense strategy known as the New Look benefited the U.S. Air Force with its focus on strategic nuclear weapons The U.S. also required European missile bases to deploy their intermediate range ballistic missiles while efforts continued to develop U.S. based intercontinental ballistic missiles Deploying such missiles to Europe required balancing regional European concerns with U.S. domestic security priorities In the wake of the Soviet Sputnik launch in 1957 the U.S. began to fear Soviet missile capabilities

Using European missile bases would mitigate this domestic security issue but convincing NATO allies to base the missiles in their countries raised issues of sovereignty and weapons control and ran the risk of creating divisions in the NATO alliance

**Government Leaders, Military Rulers, and Political Activists** David W. Del Testa, 2001-06-30 Franklin Delano Roosevelt leading America from a wheelchair Genghis Khan conquering Central Asia until he died in a riding accident Nelson Mandela teaching freedom through prison walls this multicultural reference tool examines 200 leaders rulers and activists from around the world The volume includes lesser known yet important individuals such as Chin Shih Huang the emperor who reunified China and Hatshepsut queen of ancient Egyptian dynasty Detailed biographical essays place them in a broad historical context illuminating their enduring impact on the common understanding and fundamental themes of human existence

### **Eisenhower Presidency And The 1950s Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Eisenhower Presidency And The 1950s free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Eisenhower Presidency And The 1950s free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Eisenhower Presidency And The 1950s free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to

be cautious and verify the authenticity of the source before downloading Eisenhower Presidency And The 1950s. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Eisenhower Presidency And The 1950s any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Eisenhower Presidency And The 1950s Books**

1. Where can I buy Eisenhower Presidency And The 1950s books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
