There are comprehensive chapters about image editing better printing methods creative organizing and scanning      Popular Photography , 1989-07      Eisenstaedt on Eisenstaedt Alfred Eisenstaedt, 1985 With its gallery of personalities and engaging human interest subjects Eisenstaedt on Eisenstaedt evokes the era when press photographers strived to create a universal

language insightful urbane sometimes comic always succinct in content and form      **The Kissing Sailor** Lawrence Verria, George Galdorisi, 2012-05-15 On August 14 1945 Alfred Eisenstaedt took a picture of a sailor kissing a nurse in Times Square minutes after they heard of Japan s surrender to the United States Two weeks later LIFE magazine published that image It became one of the most famous WWII photographs in history and the most celebrated photograph ever published in the world s dominant photo journal a cherished reminder of what it felt like for the war to finally be over Everyone who saw the picture wanted to know more about the nurse and sailor but Eisenstaedt had no information and a search for the mysterious couple s identity took on a dimension of its own In 1979 Eisenstaedt thought he had found the long lost nurse And as far as almost everyone could determine he had For the next thirty years Edith Shain was known as the woman in the photo of V J Day 1945 Times Square In 1980 LIFE attempted to determine the sailor s identity Many aging warriors stepped forward with claims and experts weighed in to support one candidate over another Chaos ensued For almost two decades Lawrence Verria and George Galdorisi were intrigued by the controversy surrounding the identity of the two principals in Eisenstaedt s most famous photograph and collected evidence that began to shed light on this mystery Unraveling years of misinformation and controversy their findings propelled one claimant s case far ahead of the others and at the same time dethroned the supposed kissed nurse when another candidate s claim proved more credible With this book the authors solve the 67 year old mystery by providing irrefutable proof to identify the couple in Eisenstaedt s photo It is the first time the whole truth behind the celebrated picture has been revealed The authors also bring to light the couple s and the photographer s brushes with death that nearly prevented their famous spontaneous Times Square meeting in the first place

The sailor part of Bull Halsey's famous task force survived the deadly typhoon that took the lives of hundreds of other sailors. The nurse, an Austrian Jew who lost her mother and father in the Holocaust, barely managed to escape to the United States. Eisenstaedt, a World War I German soldier, was nearly killed at Flanders.      **Photo-Essays about Asian American Women in Life Magazine 1936 to 1965** Karen L. Ching Carter, 2021-10-12. The editors of Life Magazine, a mass-produced picture magazine, composed picture narratives that entertained, informed, and influenced mid-twentieth-century American society. *Photo Essays about Asian American Women in Life Magazine 1936 to 1965: Hidden Narratives and Breaking Stereotypes* is a rhetorical analysis of how Life Magazine's photo essays represented and shaped white American middle-class attitudes toward Asian American women. In the time period studied (1936 to 1965), most white Americans were exposed to Asian women primarily through film or in illustrated drawings. Hollywood, in particular, created caricatures depicting Asian women as evil dragon ladies or sex slaves, both of which implied prostitution, which affected their legal and social standing in early and mid-twentieth-century America. The book illustrates the ways in which the Life editors utilized the photo essay as a narrative art form to counter stereotypical and racist Hollywood depictions of Asian women as prostitutes and to envision them as part of the American middle class, thereby promoting a sense of national identity that included Asians as Americans. This book will be of interest to scholars in the fields of women's studies, cultural studies, visual culture, Asian American studies, and history.
