El modernismo catalán Javier Tusell Gómez, Fundación Santander Central Hispano (Madrid), 2000 *El Modernismo catalán*, **The Spanish Element in Our Nationality** M. Elizabeth Boone, 2019-12-09 The Spanish Element in Our Nationality delves beneath the traditional English only narrative of U S history using Spain s participation in a series of international exhibitions to illuminate more fully the close and contested relationship between these two countries Written histories invariably record the Spanish financing of Columbus s historic voyage of 1492 but few consider Spain s continuing influence on the development of U S national identity In this book M Elizabeth Boone investigates the reasons for this problematic memory gap by chronicling a series of Spanish displays at international fairs Studying the exhibition of paintings the construction of ephemeral architectural space and other manifestations of visual culture Boone examines how Spain sought to position itself as a contributor to U S national identity and how the United States in comparison to other nations in North and South America subverted and ignored Spain s messages making it possible to marginalize and ultimately obscure Spain s relevance to the history of the United States Bringing attention to the rich and understudied history of Spanish artistic production in the United States The Spanish Element in Our Nationality recovers the Spanishness of U S national identity and explores the means by which Americans from Santiago to San Diego used exhibitions of Spanish art and history to mold their own modern self image El Modernismo en las colecciones del MNAC Mercè Doñate, Museu Nacional d'Art de Catalunya, 2009 El Modernismo una de las mejores tarjetas de presentaci n de Barcelona es un per odo ampliamente representado en el MNAC que conserva la colecci n de arte modernista m s importante del pa s en calidad y cantidad El proceso de renovaci n de las artes visuales uno de los aspectos que mejor definen este singular movimiento est tico aparece perfectamente ilustrado en el recorrido por los diferentes cap tulos de este libro *Beyond National Identity* Michele Greet, 2009 Traces changes in Andean artists vision of indigenous peoples as well as shifts in the critical discourse surrounding their work between 1920 and 1960 Luz y color en la arquitectura madrileña: vidrieras de los siglos XIX y XX Olivia Nieto Yusta, Víctor Nieto Alcaide, M^a.
