Poem of My Cid (Selections) / Poema de Mio Cid (Selección) Stanley Appelbaum, 2012-09-20 DIVThe Poema de Mio Cid recounts the adventures of Rodrigo Diaz an 11th century hero of Islamic Spain The sole dual language edition currently available div Dividuum Gerald Raunig, 2016-02-19 Raunig develops a philosophy of dividuality as a way of addressing contemporary modes of production and forms of life The animal of the molecular revolution will be neither mole nor snake but a drone animal thing that is solid liquid and a gas from Dividuum As the philosophical religious and historical systems that have produced the individual and its counterparts society and community over the years continue to break down the age of dividuality is now upon us The roots of the concept of the dividuum can be traced back to Latin philosophy when Cicero used the term to translate the divisible in the writings of Epicurus and Plato later medieval scholars utilized the term in theological discussions on the unity of the trinity Grounding himself in the writings of the medieval bishop Gilbert de Poitiers and his extensive commentaries on Boethius Gerald Raunig charts a genealogy of the concept and develops a philosophy of dividuality as a way of addressing contemporary modes of production and forms of life Through its components of dispersion subsistence and similarity dividuality becomes a hidden principle of obedience and conformity but it also brings with it the potential to realize disobedience and noncompliant con dividualities Raunig s bad news is that dividuality is responsible for much of the intensified exploitation and enslavement taking place under contemporary machinic capitalism Algorithms derivatives big data and social media technology all contribute to the rampant expansion of divisive management strategies and desires for self division The good news however is that this same terrain of dividuality presents an opportunity for a new kind of resistance one that can be realized in the form of con division
