**Empowered Believers** Gonzalo Haya-Prats, 2011-01-01 This thesis by Gonzalo Haya Prats written in the Catholic interpretive tradition under the supervision of Johannine scholar Ignace de la Potterie at the Gregorian University in Rome reflects a faith tradition that historically remained open to the miraculous and resisted regulations on activities of the Holy Spirit in the Book of Acts Accordingly Haya Prats interprets the workings of the Spirit from a perspective of narrative sensitivity He is deliberately diligent to exercise due care so as not to obscure narrative flow and connectivity despite any ecclesial or interpretive precedents that might be of influence to the contrary His exegetical method is to let the original meaning be discerned and discovered according to the author's intention as closely as possible With this sound interpretive approach Haya Prats achieves a remarkable degree of freshness and insightful vision that all readers of Luke Acts will welcome Students and scholars alike should find this timely and thoughtful thesis to be a valuable and long lasting contribution to New Testament studies This English edition is made more accessible by including translations of all contemporary foreign languages and editor Paul Elbert offers occasional explanatory notes that engage current scholarship relevant to Haya Prats's presentation [Scripture Pictures - God's Plan for the Early Church](#) Cook Communications Ministries, 2006-05 Scripture Pictures provides a year's worth of Bible stories for less than 30 Presented on a practical eye catching easel this resource makes it easy for teachers to use and fun for students from kindergarten to elementary to view The unique presentation of Bible art correlated with Bible stories is super for Sunday school material mid week Christian preschool Christian day school homeschool setting or as a supplement to regular Sunday school or Bible lessons Kids and teachers love them **Sermons from the Latino/a Pulpit** Elieser Valentin, 2017-06-28 The Latino a community continues to grow at a faster pace than any other racial or ethnic group in the country In part because of this growth Latino as have begun to be recognized as bona fide contributors to American society whether through sports music literary work theology or ministry Largely missing from this however has been attention to the creative and indeed prophetic expression coming from the Latino a pulpit that is the sermons being developed and preached from the Latino a churches This book fills that void Eli Valentin has gathered some of the top US Latino a theologians and religious practitioners to contribute actual sermons that have been constructed out of the rough and tumble of the Latino a reality The sermons in this book approach nitty gritty issues that directly impact Latinos as in the United States What we find as a result is a message of hope that continues to emanate from the Latino a pulpit a hope placed in a God who promises a restored cosmos **365 Days of Praise - 365 Días De Alabanza - Vol. 1** International Bilingual Hymns Project, 2012-12-11 I am with you every day even till the end of the world Jesus Christ Yo estoy con ustedes todos los días hasta el fin del mundo Jesucristo Jesus is here with us every day This is His promise Jess está aquí con nosotros todos los días está Su promesa Our mission is your invitation to participate in this project Nuestra misión es tu invitación a participar en este proyecto Use these songs daily to improve your knowledge of the

*An Invisible Thread: Heresy, Mass Conversions, and the Inquisition in the Kingdom of Castile (1449-1559)* Stefania Pastore,2024-11-11 In Toledo in 1529 a converso named Pedro de Cazalla declared that the connection between man and God was but a thread and that it should not be mediated by the Church Hardly an isolated phenomenon Cazalla s inner spirituality was a widespread response to the increasing repression of religious dissent enacted by the Inquisition Forced baptisms of Jews and Muslims had profound effects across Spanish society leading famous intellectuals as well as ordinary men and women to rethink their sense of belonging to the Christian community and their forms of religiosity Thus in this book early modern Iberia emerges as a laboratory of European wide transformations
