Enjoying the Art of Canadian Cooking Jehane Benoit, 1974 **Canadian Books in Print** Martha Pluscauskas, 1976

Canadian Books in Print, 1988 *What's to Eat?* Nathalie Cooke, 2009-09-01 How we as Canadians procure produce cook consume and think about food creates our cuisine and our nation of immigrant traditions has produced a distinctive and evolving repertoire that is neither hodgepodge nor smorgasbord Contributors who come from the diverse worlds of universities museums the media and gastronomy look at Canada's distinctive foodways from the shared perspective of the current moment Individual chapters explore food items and choices from those made by Canada's First Nations and early settlers to those made today Other contributions describe the ways in which foods enjoyed by early Canadians have found their way back onto Canadian tables in the twentieth and twenty first centuries Authors emphasize the expressive potential of food practices and food texts cookbooks are more than books to be read and used in the kitchen they are also documents that convey valuable social and historical information The Rotarian, 1975-03 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine *The Canadian Encyclopedia* James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the

scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Gold for My Heart Jo Ann Lordahl, 2023-10-01 Sylvia Holbrook has lived on the family s Canadian farm with her Grandfather as well as her Aunt and Uncle all of her life Now that the grandfather has passed away she inherited the farm but cannot keep it Her Aunt and Uncle want to retire to travel Sylvia does not have the money to hire help Besides her mother and father need the money from the sale of the farm to modernize their inn at Niagara on the Lake Sylvia does not want to go live at the Inn Her fianc does not want to help her with the farm either He has his eye on a city career as an Accountant To top off her growing list of problems there was an Indian burial ground found in the middle of the family peach orchard That has caused a great controversy over the find and the province has called for a big time archaeologist to come and verify the find Instead of a crusty old guy the archaeologist turns out to be a handsome green eyed arrogant fellow who has purchased her farm and wants her to run it for him Sparks fly as well as conflicts between Sylvia and the archaeologist her boring fianc who seems to enjoy her sisters company more than her own For the first time Sylvia s own dreams may finally be within reach
