matter where they are in life to have faith and trust in God and to understand that God loves each of us the same There is no one that cannot experience his love and his presence We all have a testimony this one is mine When I was given the prophesy by my first Spiritual Father Pastor James Armstrong of New Harvest Christian Center that I would someday write this book I felt it would happen in two years but no God allowed me to experience and live what I was to write It took twelve years of going through various life trials where God just stretched my faith and me right down to where faith is all I had I began using nothing but biblical stories But God showed me through Pastor Dorian Daniels that this is your story so tell it This is my testimony of What God Can Do and I know that whatever God has done for me he can do for you I am so excited for our future
