

Enniskillen The Remembrance Sunday Bombing

Jonathan Evershed

Enniskillen The Remembrance Sunday Bombing:

Enniskillen Denzil McDaniel,1997 The Enniskillen Remembrance Sunday bombing killed 11 civilians The author has talked to the victims families the survivors social services doctors and politicians including Gerry Adams and Sir Bernard Ingram and in this book analyzes the impact of the bombing *The Catholic Church and the Northern Ireland Troubles, 1968-1998* Margaret M. Scull,2019-09-11 Until surprisingly recently the history of the Irish Catholic Church during the Northern Irish Troubles was written by Irish priests and bishops and was commemorative rather than analytical This study uses the Troubles as a case study to evaluate the role of the Catholic Church in mediating conflict During the Troubles these priests and bishops often worked behind the scenes acting as go betweens for the British government and republican paramilitaries to bring about a peaceful solution However this study also looks more broadly at the actions of the American Irish and English Catholic Churches as well as that of the Vatican to uncover the full impact of the Church on the conflict This critical analysis of previously neglected state Irish and English Catholic Church archival material changes our perspective on the role of a religious institution in a modern conflict **The Northern Ireland Conflict on the Margins of History** Kenneth Funston,Cillian McGrattan,2025-05-01 Assessing the impact of paramilitary violence on border Protestants in Northern Ireland remains a critically overlooked part of the region s history Remembered through a framework of memory that blurs the boundary between victim and perpetrator existing scholarship often disempowers border Protestants by obscuring their experience under the Provisional IRA s campaign This re examination of the conflict illuminates how the Troubles impacted the Protestant community s physical economic and cultural presence in the border counties Combining oral history with a broader assessment of the Provisional campaign this book presents a compelling case study for viewing this violence as a form of ethnic cleansing *Remembering the First World War* Bart Ziino,2014-12-05 Remembering the First World War brings together a group of international scholars to understand how and why the past quarter of a century has witnessed such an extraordinary increase in global popular and academic interest in the First World War both as an event and in the ways it is remembered The book discusses this phenomenon across three key areas The first section looks at family history genealogy and the First World War seeking to understand the power of family history in shaping and reshaping remembrance of the War at the smallest levels as well as popular media and the continuing role of the state and its agencies The second part discusses practices of remembering and the more public forms of representation and negotiation through film literature museums monuments and heritage sites focusing on agency in representing and remembering war The third section covers the return of the War and the increasing determination among individuals to acknowledge and participate in public rituals of remembrance with their own contemporary politics What for instance does it mean to wear a poppy on armistice remembrance day How do symbols like this operate today These chapters will investigate these aspects through a series of case studies Placing remembrance of the First World War in its longer historical and

broader transnational context and including illustrations and an afterword by Professor David Reynolds this is the ideal book for all those interested in the history of the Great War and its aftermath *Ghosts of the Somme* Jonathan

Evershed, 2018-05-30 Once assumed to be a driver or even cause of conflict commemoration during Ireland's Decade of Centenaries came to occupy a central place in peacebuilding efforts The inclusive and cross communal reorientation of commemoration particularly of the First World War has been widely heralded as signifying new forms of reconciliation and a greater maturity in relationships between Ireland and the UK and between Unionists and Nationalists in Northern Ireland In this study Jonathan Evershed interrogates the particular and implicitly political claims about the nature of history memory and commemoration that define and sustain these assertions and explores some of the hidden and countervailing transcripts that underwrite and disrupt them Drawing on two years of ethnographic fieldwork conducted in Belfast Evershed explores Ulster Loyalist commemoration of the Battle of the Somme its conflicted politics and its confrontation with official commemorative discourse and practice during the Decade of Centenaries He investigates how and why the myriad social political cultural and economic changes that have defined postconflict Northern Ireland have been experienced by Loyalists as a culture war and how commemoration is the means by which they confront and challenge the perceived erosion of their identity He reveals the ways in which this brings Loyalists into conflict not only with the politics of Irish Nationalism but with the peacebuilding state and crucially with each other He demonstrates how commemoration works to reproduce the intracommunal conflicts that it claims to have overcome and interrogates its nuanced and perhaps counterintuitive function in conflict transformation *When A Community Weeps* Ellen S. Zinner, Mary Beth Williams, 2013-06-17 When a Community Weeps provides a model for effective counselor intervention in bereaved communities Individual chapters have been written by traumatologists psychiatrists psychologists social workers and family members who have witnessed the effects of traumatic events first hand Each chapter presents a specific traumatic event and gives perspectives on how these events affected the individuals involved as well as the community as a whole

Another Bloody Chapter in an Endless Civil War Ken Wharton, 2016-10-19 Four years of bloodshed in mid 1980s Northern Ireland in the words of British soldiers who experienced it firsthand Includes photos Proceeding month by month from 1984 through 1987 this historical project provides a deep and detailed portrait of the British military experience in a period of frequent and unpredictable violence as the Provisional IRA grew in financial and logistical strength As British Security Forces worked to contain the chaos the Republican terror group fully embraced Danny Morrison's mantra The Armalite and the ballot box as they moved toward a realization that the British military could not be beaten but that they could at least sit down with them from a position of strength The goal was to keep up the pressure and force the British government to the bargaining table But as the Provisionals and Loyalists fought talked and then fought again a further 356 people died Through oral histories witness accounts photos and commentary this book covers every major incident of the period from the ambush of off duty UDR

soldier Robert Elliott to the bombing of Enniskillen It also looks at the continued interference of the United States and the vast contribution of its citizens through NORAD which ensured the killing and violence would continue Lamenting brutality and the targeting of innocents regardless of the perpetrator's sympathies veteran Ken Wharton who has chronicled the Troubles extensively reminds us of the universal threat and horrifying toll of terrorist tactics Farming in Modern Irish Literature Nicholas Grene, 2021-08-05 This innovative study analyzes the range of representation of farming in Irish literature in the period since independence partition in 1922 as Ireland moved from a largely agricultural to a developed urban society In many different forms including poetry drama fiction and autobiography writers have made literary capital by looking back at their rural backgrounds even where those may be a generation back The first five chapters examine some of the key themes the impact of inheritance on family in the patriarchal system where there could only be one male heir the struggles for survival in the poorest regions of the West of Ireland the uses of childhood farming memories whether idyllic or traumatic and the representation of communities challenging the homogeneous idealizing images of the Literary Revival the impact of modernization on successive generations into the twenty first century The final three chapters are devoted to three major writers in whose work farming is central Patrick Kavanagh the small farmer who had to find an individual voice to express his own unique experience John McGahern in whose fiction the life of the farm is always posited as alternative to a rootless urban milieu and Seamus Heaney who reimagined his farming childhood in so many different modes throughout his career Farming in Modern Irish Literature yields original insights into the literary iconography of rural Ireland and its interplay with social and cultural history opening up fresh vistas on the achievements of Irish writers in different genres styles and historical eras **Northern Ireland then and now** Rhys Ryan Evans, 2023-03-27 hurry up already will ya the British Bedford truck is on its way so it is we need to get this one right boss will have our Jacobs if we miss this one so he will someone wearing a black balaclava mask next to a small hump bridge over a sewer whispered to someone else next to him The other hooded person said nothing as he was busy twisting wires together with shaking hands He swore hard under his breath and tapped the lad next to him on the leg the two of them crawled away in the long grass away from the small hump bridge then into better cover as they made their way up a fence line getting themselves a good hundred metres away from where they were moments ago it's coming one of the two lads announced whilst looking through a pair of binoculars The other hooded lad was busy twisting wires together and turning small metal terminals He looked hard to the other lad next to him They both made ready their rifles that was slung over their shoulders whilst they were busy setting the explosives up these new scopes are pretty good mate one of the lads commented as he watched the approaching army truck and land rover hope Paddies got the car running didn't start last remember two minutes pick off the stragglers and get you got me the other hooded lad ordered The two of them watched the British army truck driving down the country road there was a land rover in front of the truck that they were not expecting what do we do now one of the lads announced nervously He saw the look from

his pal and shut up take the glasses away they will give our position away glare from the sun you should know all this the other hooded lad growled pulling the binoculars away from the lad with him we can't get both of them the other lad whispered The other hooded lad shut his pal up and watched the small hump bridge and the oncoming military land rover and four tonne truck following that was full of British soldiers heading to the firing range for their training and stuff packed plenty of Semtex down there so I did the way I packed it will do the job the more confident one of the two lads exclaimed He held the plunger in his hand and waited it's not too late to pull out so it is can say there was too many cover vehicles with the truck who will know the nervous younger lad suggested I will know came the reply as he pushed the plunger down hard there was a quiet zipping sound followed by an explosion The hump bridge disintegrated catching the rear of the front land rover and the front of the following troops truck The two vehicles exploded some more Screams were heard The two masked men picked off the British troops who were running away from the burning vehicles some of them were on fire they fell down for ever when hit by the masked lads bullets let's get out of here before any more Brits turn up we done our job here so we have

The Poppy Nicholas J. Saunders,2013-10-01 In the aftermath of the horrific trench warfare of the First World War the poppy sprouting across the killing fields of France and Belgium then immortalised in John McCrae's moving poem became a worldwide icon Yet the poppy has a longer history as the tell tale sign of human cultivation of the land of the ravages of war and of the desire to escape the earthly realm through inspired Romantic opium dreams or the grim reality of morphine drips This is a story spanning three thousand years from the ancient Egyptian fights over prized medicinal potions to the addicted veterans returning home from the American Civil War from the British political machinations during the Opium Wars with China to the struggle to end Afghanistan's tribal narcotics trade Through it all there stands the transformative poppy Nicholas J Saunders brings us the definitive history of this ever enduring but humble flower of the fields a story that is at turns tragic eye opening and most essentially life affirming a gift to us all **The Oxford Handbook of Modern Irish Fiction** Liam Harte,2020-10-15 The Oxford Handbook of Modern Irish Fiction presents authoritative essays by thirty five leading scholars of Irish fiction They provide in depth assessments of the breadth and achievement of novelists and short story writers whose collective contribution to the evolution and modification of these unique art forms has been far out of proportion to Ireland's small size The volume brings a variety of critical perspectives to bear on the development of modern Irish fiction situating authors texts and genres in their social intellectual and literary historical contexts The Handbook's coverage encompasses an expansive range of topics including the recalcitrant atavisms of Irish Gothic fiction nineteenth century Irish women's fiction and its influence on emergent modernism and cultural nationalism the diverse modes of irony fabulism and social realism that characterize the fiction of the Irish Literary Revival the fearless aesthetic radicalism of James Joyce the jolting narratological experiments of Samuel Beckett Flann O'Brien and Mairéad Ní Cadhain the fate of the realist and modernist traditions in the work of Elizabeth Bowen Frank O'Connor Seán O Faoláin and Mary Lavin and in that of

their ambivalent heirs Edna O'Brien John McGahern and John Banville the subversive treatment of sexuality and gender in Northern Irish women's fiction written during and after the Troubles the often neglected genres of Irish crime fiction science fiction and fiction for children the many hued novelistic responses to the experiences of famine revolution and emigration and the variety and vibrancy of post-millennial fiction from both parts of Ireland Readably written and employing a wealth of original research The Oxford Handbook of Modern Irish Fiction illuminates a distinguished literary tradition that has altered the shape of world literature

A Broad Church 2 Gearóid Ó Faoleán, 2023-03-08 In this fascinating sequel to the ground-breaking publication of A Broad Church in 2019 A Broad Church 2 reveals the true history of the Provisional Republican movement in the south of Ireland in the cataclysmic decade of the 1980s This period saw a sea change in the movement with the political wing increasingly coming to fore of the republican struggle This led to a rethink on the movement's policy of abstentionism both within the military and political movements culminating in the historic overturning of the policy in the Republic This growing politicisation supplemented the armed struggle which saw the most significant arms importations in the IRA's history take place in the South during the mid 1980s With the acquisition of an array of new weaponry the IRA took on larger and more prestigious British targets The decade also saw a return to attacking commercial targets in Britain in a concerted and systematic strategy for the first time since the mid 1970s Outlining the developments year by year and the Irish state's attempts to deal with the Provisional IRA A Broad Church 2 presents a comprehensive and fascinating picture of the evolution of the republican movement

Papering Over the Cracks Colin Murray, 2010-07-01 Do you yearn to find the real meaning to life or an inner peace that is true Are you fed up with wearing a mask Is life really getting you down That is exactly where Colin Murray was just a few years ago He invites you to travel with him through his life while he paints a vivid picture reflecting on his childhood in Scotland describing his happy at times haphazard life in the North East coastal town of Portsoy He shares his experiences going beyond the safety of home in search of personal fulfilment You will witness him wearing an assortment of stereotypical hats the hat of the wise cracking bar fly the guilt-ridden wrongdoer the compulsive business builder passionate protagonist and even the wronged dupe He admits that attempting to explain his personal quest for the truth has been extremely difficult because so much of his journey involves those mystical inner feelings that lie beyond the horizon of words The complicated paths and winding roads we follow are vast and varied but we all reach a time in our lives when we want to know at the deepest level if our existence and our Soul are compatible This book simply chronicles the quest for this fundamental truth

Rebel Hearts Kevin Toolis, 2015-07-07 For ten years Kevin Toolis investigated the lives of the IRA soldiers who wage a secret battle against the British State His journeys took him from the back kitchens of Belfast where men joked while making two thousand pound bombs to prisons for interviews with men serving life sentences and to the graveyards where mourners weep Each chapter explores a world where history faith and human savagery determine life and death At once moving and harrowing Rebel Hearts is the most authoritative and

insightful book ever written on the IRA Critical Issues in Peace and Conflict Studies Thomas Matyók, Jessica Senehi, Sean Byrne, 2011-05-19 Peace and Conflict Studies PCS includes scholars and practitioners throughout the world working in peace studies conflict analysis and resolution conflict management appropriate dispute resolution and peace and justice studies They come to the PCS field with a diversity of ideas approaches disciplinary roots and topic areas which speaks to the complexity breadth and depth needed to apply and take account of conflict dynamics and the goal of peace Yet a number of key concerns and dilemmas continue to challenge the field Critical Issues in Peace and Conflict Studies Theory Practice and Pedagogy edited by Thomas Maty k Jessica Senehi and Sean Byrne is a collection of essays that explores a number of these issues providing a means by which academics students and practitioners can develop various methods to confront the complexity of contemporary conflicts Critical Issues in Peace and Conflict Studies discusses the emerging field of PCS and suggests a framework for the future development of the field and the education of its practitioners and academics The book has a wide audience targeting students at the undergraduate graduate and post graduate levels It also extends to those working in and leading community conflict resolution efforts as well as humanitarian aid workers **National Myth and the First World War in Modern Popular Music** Peter Grant, 2016-12-09 This book looks at the role of popular music in constructing the myth of the First World War Since the late 1950s over 1 500 popular songs from more than forty countries have been recorded that draw inspiration from the War National Myth and the First World War in Modern Popular Music takes an inter disciplinary approach that locates popular music within the framework of memory studies and analyses how songwriters are influenced by their country s national myths How does popular music help form memory and remembrance of such an event Why do some songwriters stick rigidly to culturally dominant forms of memory whereas others seek an oppositional or transnational perspective The huge range of musical examples include the great chansonniers Jacques Brel and Georges Brassens folk maestros including Al Stewart and Eric Bogle the socially aware rock of The Kinks and Pink Floyd metal legends Iron Maiden and Bolt Thrower and female iconoclasts Diamanda Gal s and PJ Harvey **United Nation** Frank Connolly, 2022-05-26 One hundred years after the Anglo Irish Treaty and partition after thirty years of Troubles the Good Friday Agreement and Brexit the debate on Irish unity has intensified But what could a united country look like and what would it mean for people north and south of the border Considering health education the economy cultural identity and the arts constitutional change and international relations award winning journalist Frank Connolly asks whether a united Ireland could create a viable vibrant new country With contributions from President Michael D Higgins Paula Meehan David McWilliams Linda Ervine Christy Moore Mary Lou McDonald Ian Marshall and Brian Keenan United Nation is a timely look at the case for integrating Ireland **Irish History For Dummies** Mike Cronin, 2011-07-12 From Norman invaders religious wars and the struggle for independence the fascinating turbulent history of a tortured nation and its gifted people When Shakespeare referred to England as a jewel set in a silver sea he could just as well have been speaking of Ireland Not only

has its luminous green landscape been the backdrop for bloody Catholic Protestant conflict and a devastating famine Ireland's great voices like Joyce and Yeats are now indelibly part of world literature In *Irish History For Dummies* readers will not only get a bird's eye view of key historical events Ten Turning Points but also a detailed chapter by chapter timeline of Irish history beginning with the first Stone Age farmers to the recent rise and fall of the Celtic tiger economy In the informal friendly For Dummies style the book details historic highs like building an Irish Free State in the 1920s and devastating lows including the Troubles in the 60s and 70s as well as key figures like MP Charles Parnell and President Eamon de Valera central to the cause of Irish nationalism The book also details historic artifacts offbeat places and little known facts key to the life of Ireland past and present Includes Ten Major Documents including the Confession of St Patrick The Book of Kells the Proclamation of the Irish Republic and Ulysses Lists Ten Things the Irish Have Given the World including Irish coffee U S Presidents the submarine shorthand writing and the hypodermic syringe Details Ten Great Irish Places to Visit including Cobh Irish National Stud and Museum Giants Causeway and Derry Includes an online cheat sheet that gives readers a robust and expanded quick reference guide to relevant dates and historical figures Includes a Who's Who in Irish History section on dummies.com With a light hearted touch this informative guide sheds light on how this ancient land has survived wars invasions uprisings and emigration to forge a unique nation renowned the world over for its superb literature music and indomitable spirit

After the Armistice Michael J. K. Walsh, Andrekos Varnava, 2021-09-02 A century after the Armistice and the associated peace agreements that formally ended the Great War many issues pertaining to the UK and its empire are yet to be satisfactorily resolved Accordingly this volume presents a multi disciplinary approach to better understanding the post Armistice Empire across a broad spectrum of disciplines geographies and chronologies Through the lens of diplomatic social cultural historical and economic analysis the chapters engage with the histories of Lagos and Tonga Cyprus and China as well as more obvious geographies of empire such as Ireland India and Australia Though globally diverse and encompassing much of the post Armistice century the studies are nevertheless united by three common themes the interrogation of that transitional moment after the Armistice that lingered well beyond the final Treaty of Lausanne in 1924 the utilisation of new research methods and avenues of enquiry to compliment extant debates concerning the legacies of colonialism and nationalism and the common leitmotif of the British Empire in all its political and cultural complexity The centenary of the Armistice offers a timely occasion on which to present these studies

British Counterinsurgency John Newsinger, 2016-04-30 British Counterinsurgency challenges the British Army's claim to counterinsurgency expertise It provides well written accessible and up to date accounts of the post 1945 campaigns in Palestine Malaya Kenya Cyprus South Yemen Dhofar Northern Ireland and more recently in Iraq and Afghanistan
