the court of Queen Elizabeth I Dr John Dee by angels in the 16th century In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic from the earliest civilizations of the Akadians and Egyptians through the Greco Roman period and up to the present time to reveal how magic has penetrated and influenced our religious beliefs and practices today Through his unprecedented investigation into the angelic magic of Dr John Dee during which time he deciphered Dee s original phonetic notations in the margins of Dee s 16th century diaries DeSalvo learned to properly reproduce the Enochian calls which act like mantras in opening higher realms and invoking angels key to this type of magical practice DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies *Enochian Vision Magick* Lon Milo DuQuette,2019 In 1582 Dr John Dee and Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels the same entities who communicated with Enoch and the patriarchs of the Old Testament Over the next three years they revealed to Dee and Kelley three distinct magickal systems of vision magick Here Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity to see not only the big picture of the full system but also the practical means by which he or she can become attuned in the same step by step manner first prepared by Dee and Kelley *Success Magick* Damon Brand,2020-03-11 There is no such thing as a simple ritual to make you an overnight success This is a system of magick It is far more than a list of rituals that solve problems You integrate a successful pathway into your life The great secrets of magick were delivered to a genius mathematician in the sixteenth century After that the magick was locked away for many years then found again and shared in secret Occultists are beginning to unravel these secrets to the point where they have become practical The methods described here are based on a lifetime studying and exploring success combined with the wisdom of the Enochian Angels Whether you are tired of the struggle battling against competitors finding it difficult to start or finish a project uncertain of what to do with your life or straining to get where you want to be this book presents a form of magick that can unlock your dreams Whatever your age or experience and no matter what you have gone through before it is never too early or too late to find success From this point on you can choose the life you have always wanted With this magick you can compress time improve fortune and open opportunity in a way that cannot happen without magick Enochian Magick reveals an underlying power in the universe that can bring you the success you desire This book shows every step you need to take People may tell you that you cannot use Enochian Magick but the angels said otherwise They said that magick should be used We were told to use this magick to understand and experience its power That is what you can do now You don t need any equipment or special magickal skills You only need a private space where you can perform the magick Centuries ago in a set of strange and fascinating circumstances the angels revealed an encoded magickal system to Doctor John Dee a friend and advisor to Queen Elizabeth I This secret magick was nearly taken by the flames of the Great Fire of London It survived and has slowly been recovered examined explored and experienced Enochian Magick is no longer a historical curiosity but the essence of
