Enochic Judaism Three Defining Paradigm Exemplars:

Enochic Judaism David R. Jackson, 2004-06-22 From the Books of Enoch Jackson identifies a paradigm of order as opposed to deviation which defined orthodoxy and elect identity in a manner which was absolutely exclusive Over 300 years Enochic Judaism developed three working models within this paradigm to explain their worldview and its implications These three models concerned 1 the fall of the angels under Shemikhazah ethnic purity 2 the revealing of secrets under the leadership of Aza el cultural purity and 3 the going astray of the cosmos through the sin of the angels who govern its phenomena liturgical purity Jackson examines the way in which this tradition was developed within the Dead Sea Scrolls literature and notes its acceptance as authentic and authoritative within the so called sectarian literature in particular

Three Defining Paradigm Exemplars of Enochic Judaism 250 B.C.E.-70 C.E. David R. Jackson, 2001 **Enochic Judaism** David R. Jackson, 2004-06-22 From the Books of Enoch Jackson identifies a paradigm of order as opposed to deviation which defined orthodoxy and elect identity in a manner which was absolutely exclusive Over 300 years Enochic Judaism developed three working models within this paradigm to explain their worldview and its implications These three models concerned 1 the fall of the angels under Shemikhazah ethnic purity 2 the revealing of secrets under the leadership of Aza el cultural purity and 3 the going astray of the cosmos through the sin of the angels who govern its phenomena liturgical purity Jackson examines the way in which this tradition was developed within the Dead Sea Scrolls literature and notes its acceptance as authentic and authoritative within the so called sectarian literature in particular **A History of the Jews and Judaism in the Second Temple Period, Volume 2** Lester L. Grabbe, 2011-10-27 This is the second volume of the projected four volume history of the Second Temple period It is axiomatic that there are large gaps in the history of the Persian period but the early Greek period is possibly even less known This volume brings together all we know about the Jews during the period from Alexander s conquest to the eve of the Maccabaeen revolt including the Jews in Egypt as well as the situation in Judah Based directly on the primary sources which are surveyed the study addresses questions such as administration society religion economy jurisprudence Hellenism and Jewish identity These are discussed in the context of the wider Hellenistic world and its history A strength of the study is its extensive up to date secondary bibliography approximately one thousand items

The Book of Enoch R. H. Charles, 2002-06-03 Originally published Oxford Clarendon Press 1893 **Far From Minimal** Duncan Burns, John W. Rogerson, 2012-03-22 Marking the 60th birthday of Professor Philip R Davies Dr Duncan Burns and John W Rogerson his former student and colleague respectively aim to do him justice They have comprised articles from their peers to reflect on the impact Professor Davies has made in three particular areas of study Hebrew Bible Qumran and Palestinian Archaeology New Testament and Early Judaism and Biblical Interpretation The breadth of this volume aims to reflect the scope interest and influence of Professor Davies from the last 30 years Persepolis and Jerusalem Jason M. Silverman, 2012-10-10 Persepolis and Jerusalem reconsiders Iranian influence upon Jewish apocalyptic and offers grounds

upon which such study may proceed After describing the history of scholarship on the question of Iranian influence and on Jewish apocalyptic Jason M Silverman reformulates the methodology for understanding apocalyptic and influence Two chapters set the discussion firmly in the Achaemenid Empire describing the sources for Iranian religion the issues involved in attempting a historical reconstruction the methodology by which one can date the various texts and ideas and the potential loci for Iranian Judaeon interaction The historical context is expanded through media contextualization particularly Oral Theory and critiques the standard text centric method of current Biblical Scholarship With this background pericopes from Ezekiel Daniel and 1 Enoch are analyzed for Iranian influence The study then brings together the contexts and analyses to argue for an Apocalyptic Hermeneutic which relates the phenomena of apocalypticism apocalypse and millenarianism seeing the hermeneutic as a dialectical thread holding them all together as well as apart and posits this as the best place to understand Iranian influences

The Nonviolent Messiah Simon J. Joseph, 2014 When scholars have set Jesus against various conceptions of the messiah and other reemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding

The Message of the Jerusalem Council in the Acts of the Apostles Zachary K. Dawson, 2022-03-28 By applying a linguistic stylistic analysis this study argues that Luke s construal of the Jerusalem Council in Acts 15 and its related passages attempt to subvert a tradition within Second Temple Jewish literature that threatened the unity of multi ethnic churches

Creation, Nature and Hope in 4 Ezra Jonathan A. Moo, 2011-05-18 This exegetical study of creation and nature in 4 Ezra argues that this first century Jewish apocalypse s profound pessimism concerning humankind and the present age is matched by a surprisingly robust belief in the goodness of the created order 4 Ezra presents the natural world as standing with God over and against corrupt humankind envisions substantial elements of continuity between the ages and hints that those parts of the earth that remain unsullied by humankind still witness to God s sovereignty love and justice and even serve as material pointers to the new creation This study calls into question the persistent assumption that apocalypticism and the apocalyptic eschatology of the historical apocalypses in particular necessarily entails a profound dualism Emerging as it does from an experience of historical disaster and unresolved questions of theodicy 4 Ezra especially is often considered an apocalypse in which the doctrine of the two ages has been radicalised to the extent that creation history and life in this world have lost their meaning or significance The results of this study however indicate that while 4 Ezra considers the world of humankind to be corrupted and corrupting in the natural world the creator s sovereignty is not so obscured and there his original

intentions for creation can still be perceived This study provides a fresh reading of 4 Ezra that takes seriously the book's unity and coherence Its conclusions suggest that it may be best to abandon the label apocalyptic eschatology given its potential mask the interesting complexities and mix of continuity and discontinuity that attend the portrayal of creation nature and hope in an apocalypse like 4 Ezra

Ben Ammi Ben Israel Michael Miller, 2023-07-27 This text introduces Ben Ammi the leader and theologian of the African Hebrew Israelite community as a systematic thinker and theologian It examines his many books and speeches in order to provide a comprehensive introduction to his thought in the context of both African American and Jewish contemporaries and precursors Divided into three thematic sections History Law and Language the text introduces Ben Ammi's understanding of the nature of God the responsibilities of the human and the narrative of history Ben Ammi was a deeply spiritual but also remarkably modern thinker who blended scientific thought into his evolving socio-theology while seeking to remove religion from the realm of mythology The book evaluates how Ben Ammi's theology is one bound to concepts of humility and learning how to go with the grain of the natural world in order to find humanity's true center as a part of nature

Figures who Shape Scriptures, Scriptures that Shape Figures Géza G. Xeravits, Greg Schmidt Goering, 2018-02-19 The papers of the volume investigate how authoritative figures in the Second Temple Period and beyond contributed to forming the Scriptures of Judaism as well as how these Scriptures shaped ideal figures as authoritative in Early Judaism The topic of the volume thus reflects Ben Wright's research who especially with his work on Ben Sira on the Letter of Aristeas and on various problems of authority in Early Jewish texts creatively contributed to the study of the formation of Scriptures and to the understanding of the figures behind these texts

The Narrow Gate Matthew J. Fratus, 2023-09-19 This book contains a collection of poetry inspired by the award-winning canvas art of Zeal Artistry The author prays that the words within bring readers peace comfort and joy in each season of growing

The Fallen Angels Traditions Angela Kim Harkins, Kelley Coblentz Bautch, John C. Endres SJ, 2023-09-14 This collection presents new research in angelology giving special attention to the otherworldly beings known as the Watchers who are able to move between heaven and earth According to the pseudepigraphic Book of the Watchers 1 Enoch 1:36 these angels descend to mate with women The collection begins by examining Watchers traditions in biblical and non-biblical writings e.g. Gen 6:1-4 the Qumran Hodayot Book of Jubilees and Book of Revelation The collection also surveys Watchers traditions among late antique writings including the Apocryphon of John Manichean and Islamic writings testamentary literature the Pseudo Clementines and medieval Scholastic texts

The Orion Center Bibliography of the Dead Sea Scrolls and Associated Literature Ruth Anne Clements, Nadav Sharon, 2007 This book presents the authoritative print bibliography of current scholarship on the Dead Sea Scrolls Qumran and related fields including New Testament studies source subject and language indices facilitate its use by scholars and students within and outside the field

Head of All Years Jonathan Ben-Dov, 2008-11-30 Rather than being an isolated primitive body of knowledge the Jewish calendar tradition of 364 days constituted an integral part of the

astronomical science of the ancient world This tradition attested in the Dead Sea Scrolls and in the Pseudepigrapha stands out as a coherent novel synthesis representing the Jewish authors apocalyptic worldview The calendar is studied here both from within analyzing its textual manifestations and from without via a comparison with ancient Mesopotamian astronomy This analysis reveals that the calendrical realm constituted a significant case of inter cultural borrowing pertinent to similar such cases in ancient literature Special attention is given to the Book of Astronomy 1 Enoch 72 82 and a variety of calendrical and liturgical texts from Qumran

First-Century Christians in Twenty-First Century Africa Nathan P. Devir, 2022-02-28 Millions of African Christians who consider themselves genealogical descendants of one of the Ten Lost Tribes of Israel in other words Jewish by ethnicity but Christian in terms of faith are increasingly choosing a religious affiliation that honors both of these identities Their choice Messianic Judaism Messianic adherents emulate the Christians of the first century observing the Jewish commandments while also affirming the salvational grace of Yeshua Jesus As the first comparative ethnography of such fulfilled Jews on the African continent this book presents case studies that will enrich our understanding of one of global Christianity's most overlooked iterations

John's Gospel and Intimations of Apocalyptic Catrin H. Williams, Christopher Rowland, 2014-03-27 John's Gospel has traditionally been regarded as the least apocalyptic document in the New Testament This exciting new collection redresses the balance by exploring the ways in which the apocalyptic literature of Second Temple Judaism has contributed to the theology and outlook of John's Gospel Given that John like the Jewish apocalyptic texts is primarily concerned with the theme of revelation the contributors examine how apocalyptic ideas can help to explain the Johannine portrayal of Jesus as the messenger sent from heaven to reveal the divine mysteries as well as the Gospel's presentation of the activity of the Spirit its understanding of evil and the intended effects of this apocalypse in reverse on its readers and hearers The highly distinguished contributors include John Ashton Christopher Rowland April DeConick Judith Lieu and Jorg Frey

Baptized into God A.A. Walker, 2014-05-08 This book is an intriguing study on two controversial topics baptism in the name of Jesus Christ and the oneness of God Baptism has been a theme of contention for many centuries yet the Biblical and historical records teach us the simplicity of this topic The second area of fiery debate revolves around the identity of God and the monotheistic cry of the Scripture Being both a research oriented and scholarly publication the reader will find themselves being challenged as they are confronted with the truth from the Bible and the witness of history while reclining at the metaphorical table of scholarly disputation This work is for the hungry heart the academic mind the inquisitive lovers of the Scripture and those with questions that need to be addressed As the reader is challenged to explore the evidence with the author the testimony of scholarship and most importantly the veracity of the Word they will find themselves in a position calling them to respond to such discoveries This study will trouble stagnant waters and compel the reader to consider the unequivocal God Jesus Christ

Uncovering Jewish Creativity in Book III of the Sibylline Oracles Ashley Bacchi, 2020-04-28 In *Uncovering Jewish Creativity in Book III of the Sibylline oracles* Ashley L

Bacchi reclaims the importance of the Sibyl as a female voice of prophecy and reveals new layers of intertextual references that address political cultural and religious dialogue in second century Ptolemaic Egypt This investigation stands apart from prior examinations by reorienting the discussion around the desirability of the pseudonym to an issue of gender It questions the impact of identifying the author s message with a female prophetic figure and challenges the previous identification of paraphrased Greek oracles and their function within the text Verses previously seen as anomalous are transferred from the role of Greek subterfuge of Jewish identity to offering nuanced support of monotheistic themes
