An Enquiry into the Nature of Certain Nineteenth Century Pamphlets

by

John Carter and Graham Pollard

This book is a fully documented exposure of a group of more than fifty "first editions" of such renowned authors as Wordsworth, Tennyson, Dickens, Thackeray, the Brownings, Swinburne, George Eliot, William Morris, R. L. Stevenson, and Rudyard Kipling. These items are mostly of the type of the "petitely printed" or "pre-first" pamphlet. They appear on all the standard bibliographies and have been generally accepted for upwards of thirty years. Yet, in the light of the evidence assembled here, more than thirty of them are shown to be forgeries and the status of the remainder to be open to considerable suspicion.

The exposure of the real character of these books introduces scientific methods which have never before been applied to bibliographical problems of this period. The paper has been analysed under the microscope and its evidence assessed in the light of some original research into the history of paper manufacture. The peculiarities of type have been traced to the printer. The involved story of the establishment of these books in bibliographies and in the second-hand market is patiently unravelled.

1975 Jenkins had staged the largest rare book coup of the twentieth century the purchase for more than two million dollars of the legendary Eberstadt inventory of rare Americana a feat noted in the New York Times and the Wall Street Journal His undercover work for the FBI recovering rare books stolen by mafia figures had also earned him headlines coast to coast as had his exploits as Austin Squatty playing high stakes poker in Las Vegas But beneath such public triumphs lay darker secrets At the time of his death Jenkins was about to be indicted by the ATF for the arson of his rare books warehouse and offices Another investigation implicated Jenkins in forgeries of historical documents including the Texas Declaration of Independence Rumors of million dollar gambling debts at mob connected casinos circulated along with the rumblings of irate mafia figures he d fingered and eccentric Texas collectors he d cheated Had he been murdered Or was his death a suicide staged to look like a murder How Jenkins a onetime president of the Antiquarian Booksellers Association of America came to such an unseemly end is one of the mysteries Michael Vinson pursues in this spirited account of a tragic American life Entrepreneur con man connoisseur forger and self made hero Jenkins was a Texan who knew how to bluff but not when to fold
