Entangled Histories And Negotiated Universals:

Entangled Histories and Negotiated Universals Wolf Lepenies, 2003 *Entangled Histories and Negotiated Universals* explores the changing field of local histories Young researchers from around the world including scholars from Canada Mozambique China and Germany representing fields as diverse as history linguistics political science anthropology medicine and materials science present their findings all of which coincide in their understanding that local histories are inseparably intertwined and that fundamentally all history is the history of relationships *A Companion to World History* Douglas Northrop, 2014-12-15 *A COMPANION TO WORLD HISTORY* This new volume offers insightful reflections by both leading and emerging world historians on approaches methodologies arguments and pedagogies of a sub discipline that has continued to be in flux as well as in need of defining itself as a relevant alternative to the traditional national regional or chronological fields of inquiry Choice The focus on the practicalities of how to do world history probably gives it its edge Its thirty three chapters are grouped into sections that address how to set up research projects in world history how to teach it how to get jobs in it how to frame it and how it is done in various parts of the globe It is an actual handbook in other words as opposed to a sample of exemplary work English Historical Review *A Companion to World History* offers a comprehensive overview of the variety of approaches and practices utilized in the field of world and global history This state of the art collection of more than 30 insightful essays including contributions from an international cast of leading world historians and emerging scholars in the field identifies continuing areas of contention disagreement and divergence while pointing out fruitful directions for further discussion and research Themes and topics explored include the lineages and trajectories of world history key ideas and methods employed by world historians the teaching of world history and how it draws upon and challenges traditional approaches and global approaches to writing world history By considering these interwoven issues of scholarship and pedagogy from a transnational interregional and world global scale fresh insights are gained and new challenges posed With its rich compendium of diverse viewpoints *A Companion to World History* is an essential resource for the study of the world's past **Travelling Facts** Caroline Baillie, Elizabeth C. Dunn, 2004 *Travelling Facts* explores the production and distribution of facts their life cycles as well as the material networks through which they travel Acknowledging that facts are fallible and originate primarily in isolated laboratories and field sites the volume includes discussions about how facts are reassembled into practical knowledge how they translate locally and what lessons may be learned from those who attempt to regulate fact production and circulation in the face of the marked acceleration and expansion of digital technologies worldwide

Heterotopia Caroline Baillie, Jens Kabo, John Reader, 2012-12-31 Many of us are concerned with the structures systems and values that we meet on a day to day basis We seem to be rushing headlong to a destination not of our choosing How did we get here and what can we do about it This book is the result of an exploration into the ideas of transformation What does it mean to transform the way we live to something that we value In this book we take on the challenge of exploring a

potential transformation in one professional field that of engineering as an example of how we might break free of common dysfunctional discourses and enter what we call a counter hegemonic Heterotopia a space or place where we might dream alternative futures The text is a unique collaboration spanning the disciplines of engineering education philosophy and social theory

Effective Learning and Teaching in Engineering Caroline Baillie,Ivan Moore,2004-08-19 An indispensable handbook for any teacher or lecturer looking for authoritative and practical guidance this book is tailored to the key requirements of the field of engineering

The Routledge Research Companion to Modernism in Music Björn Heile,Charles Wilson,2018-10-29 Modernism in music still arouses passions and is riven by controversies Taking root in the early decades of the twentieth century it achieved ideological dominance for almost three decades following the Second World War before becoming the object of widespread critique in the last two decades of the century both from critics and composers of a postmodern persuasion and from prominent scholars associated with the new musicology Yet these critiques have failed to dampen its ongoing resilience The picture of modernism has considerably broadened and diversified and has remained a pivotal focus of debate well into the twenty first century This Research Companion does not seek to limit what musical modernism might be At the same time it resists any dilution of the term that would see its indiscriminate application to practically any and all music of a certain period In addition to addressing issues already well established in modernist studies such as aesthetics history institutions place diaspora cosmopolitanism production and performance communication technologies and the interface with postmodernism this volume also explores topics that are less established among them modernism and affect modernism and comedy modernism versus the contemporary and the crucial distinction between modernism in popular culture and a popular modernism a modernism of the people In doing so this text seeks to define modernism in music by probing its margins as much as by restating its supposed essence

Futures of Modernity Michael Heinlein,Cordula Kropp,Judith Neumer,Angelika Pöferl,Regina Römhild,2014-03-15 Global risks mobilities and interdependencies transnationalize local life and working worlds These processes lead to an inner globalization of societies in which worldwide constellations of reflexive Ulrich Beck multiple Shmuel N Eisenstadt entangled Shalini Randeria and global Arjun Appadurai modernities simultaneously and immediately clash in social action a process of cosmopolitanization in which the global is localized and the local is globalized in radical new ways In this book an international selection of prominent critical thinkers address this premise and provide their interpretations of imminent challenges concomitant social dynamics and political implications With contributions by Arjun Appadurai Zygmunt Bauman Ulrich Beck Elisabeth Beck Gernsheim Edgar Grande Maarten Hajer Ronald Hitzler Wolf Lepenies Anna Tsing Angela McRobbie Bruno Latour Ted Nordhaus Michael Shellenberger Hans Georg Soeffner Natan Sznaider Anja Wei and Yunxiang Yan

Elective Affinities Agnieszka H. Hudzik,Joanna M. Moszczyńska,Jorge Estrada,Patricia A. Gwozdz,2024-10-07 From the nineteenth century to the present literary entanglements between Latin America and East Central Europe have been socio politically and culturally diverse but

never random The Iron Curtain in particular forced both regions to negotiate transatlantic elective affinities to take a stance in relation to the West and to position themselves within world literature As a result the intellectual fields and creative productions of these regions have critically engaged with notions such as post imperial marginal or peripheral In this edited volume scholars from Germany Brazil Czech Republic Hungary Mexico Poland Slovenia and Spain cross the globe from South to East and back to uncover transcultural and transareal convivialities Their papers explore literary history poetics intellectual networks and aesthetic theory while discussing new key concepts in global literary history

Exploring the Archived Web during a Highly Transformative Age Sophie Gebeil, Jean-Christophe Peyssard, 2024-10-01 Given recent global crises the imperative to preserve and analyze online content has never been more vital to enhancing our comprehension of contemporary changes This book the outcome of the 5th international RESAW conference that convened experts from fifty disciplines across seventeen countries in Marseille in June 2023 tackles the multifaceted challenges of web archiving It underscores the dual roles of web archiving as cultural heritage and as essential source material for researchers delving into contemporary events and the evolution of digital culture Through twenty chapters it explores the development of web archiving and examines how technical cultural geopolitical societal and environmental shifts impact its conception study and dissemination

The New Rich in China David Goodman, 2008-05-07 Including sections on class status and power agency and structure and life style the book develops the concept of the New Rich further in light of China's accelerated social change and the ever increasing affluence of some of the population

Contemporary Chinese Print Media Zheng Yi, 2013-10-01 This book examines the transformations in form genre and content of contemporary Chinese print media It describes and analyses the role of post reform social stratification in the media focusing particularly on how the changing practices and institutions of the industry correspond to and accelerate the emergence of a relatively affluent urban leisure reading market It argues that this reinvention of Chinese print media vis vis the creation of a post socialist taste class culture is an essential part of the cultural and affective transformations in contemporary Chinese society and demonstrates how the reinvention of such taste culture effectively creates through new kinds of reading materials and carefully demarcated target audiences a middle class civility that serves as the locus of the new niche media market

Corruption, Empire and Colonialism in the Modern Era Ronald Kroeze, Pol Dalmau, Frédéric Monier, 2021-06-15 Answering the calls made to overcome methodological nationalism this volume is the first examination of the links between corruption and imperial rule in the modern world It does so through a set of original studies that examine the multi layered nature of corruption in four different empires Great Britain Spain the Netherlands and France and their possessions in Asia the Caribbean Latin America and Africa It offers a key read for scholars interested in the fields of corruption colonialism empire and global history The chapters Introduction Corruption Empire and Colonialism in the Modern Era Towards a Global Perspective Corrupt and rapacious Colonial Spanish American past through the eyes of early nineteenth century contemporaries A contribution from

Jürgen Kocka, 2010-02-01 Whereas the history of workers and labor movements has been widely researched the history of work has been rather neglected by comparison This volume offers original contributions that deal with cultural social and theoretical aspects of the history of work in modern Europe including the relations between gender and work working and soldiering work and trust constructions and practices The volume focuses on Germany but also places the case studies in a broader European context It thus offers an insight into social and cultural history as practiced by German speaking scholars today but also introduces the reader to ongoing research in this field Entangled Landscapes Yue Zhuang, Andrea Riemenschnitter, 2017-08-31 The exchange of landscape practice between China and Europe from 1500-1800 is an important chapter in art history While the material forms of the outcome of this exchange like *jardin anglo-chinois* and *Europenerie* are well documented this book moves further to examine the role of the exchange in identity formation in early modern China and Europe Proposing the new paradigm of entangled landscapes drawing from the concept of entangled histories this book looks at landscape design cartography literature philosophy and material culture of the period Challenging simplistic binary treatments of the movements of influences between China and Europe *Entangled Landscapes* reveals how landscape exchanges entailed complex processes of appropriation crossover and transformation through which Chinese and European identities were formed Exploring these complex processes via three themes empire building mediators constraints and aesthetic negotiations this work breaks new ground in landscape and East West studies Interdisciplinary and revisionist in its thrust it will also benefit scholars of history human geography and postcolonial studies **Scientific Freedom** Simona Giordano, John Coggon, Marco Cappato, 2012-08-07 This book represents the first comprehensive anthology of papers designed to explore both the state of scientific progress and the ethics law and history of scientific research It will appeal to a very wide international audience offering a truly multidisciplinary analysis of many facets of scientific research

Branding Cities Stephanie Hemelryk Donald, Eleonore Kofman, Catherine Kevin, 2009-01-13 Cultural analysts social scientists and media scholars explore the ways in which cities generate competing visions of their use and their future thereby branding their image for international consumption **The Journal of Legal Pluralism and Unofficial Law** 62/2010 Melanie Wiber, 2011-08-18 Brauchler examines the Indonesian decentralisation process and the revival of tradition and cultural self determination in the Moluccas Tuori studies restatements and codifications of customary laws in Africa Harboe Knudsen considers European Union regulation of the marketing of dairy products in Lithuania Douglas and Hersi examine the attitudes of Muslims to the smoking of khat Simarmata studies the contrast between Indonesian state law and local officials practice regarding natural resources use in East Kalimantan The Likeness Gretchen Bakke, 2020-05-19 The Likeness is a close ethnographic study of subjectivity in the former Yugoslav republic of Slovenia In this highly imaginative

work the author argues that much of what matters in Slovenia plays out on surfaces of people and things systems and locations rendering the complexity of expression external and legible but rarely unique or original Here likenesses are everywhere in bloom and powerfully deployed Moving blithely from Slovenia s most famous thinkers to its most confounding artists from grammatical categories of number to the particularities of history The Likeness explores alternative modes of self expression as postsocialist Slovenia gains visibility on the world stage **Corruption and the Secret of Law** Gerhard Anders,2017-10-24 This volume presents an anthropological perspective on the hidden continuities between corruption and law The authors argue that the two opposites corruption and law are inextricably linked with the possibility of the former already inscribed into the latter Taking a critical stance towards the normative good governance agenda spearheaded by institutions such as Transparency International and the World Bank this volume argues that by uncritically depicting corruption as an absolute evil these anti corruption programs disregard the close relationship that exists between corruption and state power Addressing various aspects of a complex and ambivalent phenomenon Corruption and the Secret of Law draws on studies from different parts of the world including Burundi China Indonesia Italy Japan Mexico and the USA and provides a valuable resource for students researchers and policy makers working in this area *Co-Producing Knowledge for Coastal Futures* Minea Mäder,2025-05-15
