the Medieval Civic Triumph*

GORDON KIPLING

# Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph

**Gabriella Mazzon**

## **Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph:**

**Enter the King** Gordon Kipling, 1998 This study describes for the first time the ritual purposes symbolic vocabulary and quasi dramatic form of one late medieval courtly festival the royal entry Although the royal entry as a formal ceremony can be traced back as an unbroken tradition from late Classical times through to the Renaissance Kipling begins where the royal entry adopts pageantry as its essential medium in the late fourteenth century **Enter the King** Gordon Kipling, 1998 Enter The King examines the medieval civic triumph as a theatrical ritual designed to inaugurate the sovereign into his reign As the king entered the city gates he became the chief actor in an elaborate court spectacle defined by the citizens pageantry and witnessed by his subjects **The Queen's Majesty's Passage & Related Documents** Victoria University (Toronto, Ont.). Centre for Reformation and Renaissance Studies, 2004 **The Medieval European Stage, 500-1550** William Tydeman, 2001-09-27 This volume brings together a wide selection of primary source materials from the theatrical history of the Middle Ages The focus is on Western Europe between the fall of the Roman Empire and the emergence of markedly Renaissance forms in Italy Early sections of the volume are devoted to the survival of Classical tradition and the development of the liturgical drama of the Roman Catholic Church but the main concentration is on the genesis and growth of popular religious drama in the vernacular Each of the major medieval regions is featured while a final section covers the pastimes and customs of the people a record of whose traditional activities often only survives in the margins of official recognition The documents are compiled by a team of leading scholars in the field and the over 700 documents are all presented in modern English translation **Staging Faith** Victor I. Scherb, 2001 Illustrating this thesis through an examination of the plays themselves Staging Faith explores how different modes of production resulted in different types of dramatic organization different relationships between the audience and the dramatic action and how dramatists exploited the symbolic and affective potential of different types of settings props and dramatic actions The simple place and scaffold play accommodated an oppositional structure one that could be embodied spatially in the arrangement of the scaffolds and further articulated in processional action The symbolic images in these dramas often have a strongly devotional character and attempt to unite the play's audience around a central devotional object or scene **BOOK JACKET** Elizabeth of York and Her Six Daughters-in-Law Retha M. Warnicke, 2017-09-05 This study of early modern queenship compares the reign of Henry VII's queen Elizabeth of York and those of her daughters in law the six queens of Henry VIII It defines the traditional expectations for effective Tudor queens particularly the queen's critical function of producing an heir and evaluates them within that framework before moving to consider their other contributions to the well being of the court This fresh comparative approach emphasizes spheres of influence rather than chronology finding surprising juxtapositions between the various queens experiences as mothers diplomats participants in secular and religious rituals domestic managers and more More than a series of biographies of individual queens Elizabeth of York and Her Six Daughters in Law is a careful

illuminating examination of the nature of Tudor queenship      **Signifying God** Sarah Beckwith, 2001 First staged as early as 1376 the York Corpus Christi plays were performed annually until the late 1500s and involved as much as a tenth of the city in multiple performances at a dozen or more locations Signifying God shows how organizing the plays served as a political mechanism for regulating labor and how theater and sacrament combined in them to do important theological work

**Travelling around Cultures** Zsolt Győri, Gabriella Moise, 2017-01-06 Culture has always relied on art just as artists have been dependent on culture as a problem field to draw inspiration from and as a store of social ideological and political practices to endorse or criticise This volume addresses this dynamic reality by investigating how literary cinematic and artistic practices expose the often invisible structures and discourses which underlie the values concepts rites and myths specific to Anglo American cultural environments On the one hand the chapters re visit classical as well as contemporary authors including Charles Dickens Emily Dickinson Janice Galloway and Matthew Kneale through the lenses of culture to explore how their works become social commentaries and a cultural diagnosis On the other hand they explore the politics and ideological effects of cultural practices exemplified by such matters as censorship reading communities fan fiction and travelogues      Pathos in Late-Medieval Religious Drama and Art Gabriella Mazzon, 2018-05-23 Pathos as Communicative Strategy in Late Medieval Religious Drama and Art explores the strategies employed to trigger emotional responses in late medieval dramatic texts from several Western European traditions and juxtaposes these texts with artistic productions from the same areas with an emphasis on Britain The aim is to unravel the mechanisms through which pathos was produced and employed mainly through the representation of pain and suffering with mainly religious but also political aims The novelty of the book resides in its specific linguistic perspective which highlights the recurrent use of words structures and dialogic patterns in drama to reinforce messages on the salvific value of suffering in synergy with visual messages produced in the same cultural milieu      *Pieter Bruegel the Elder* Barbara A. Kaminska, 2019-06-24 Barbara Kaminska s Pieter Bruegel the Elder Religious Art for the Urban Community is the first book length study focusing on religious paintings by one of the most captivating Netherlandish artists long celebrated for his secular imagery In a period marked by a profound religious economic and cultural transformation Bruegel offered his sophisticated urban audience complex biblical images that required an engaged active viewing not only sparking learned dinner conversations but facilitating the negotiation of values seen as critical to maintaining a harmonious society By considering the novelty of Bruegel s panels used in convivia alongside his small intimate grisaille compositions this study ultimately shows that Bruegel renewed the idiom of religious painting successfully preserving its ritualistic and meditative functions      *Later Medieval Europe* Daniel Waley, Peter Denley, 2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond

and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History *Patterns in the History of Polycentric Governance in European Cities* Cédric Brélaz, Thomas Lau, Hans-Joachim Schmidt, Siegfried Weichlein, 2024-03-18 The autonomy granted to local communities such as towns municipalities and city states by larger central powers such as empires kings lords and central states is a recurrent feature of European history over time from Antiquity to the contemporary period This volume explores the political social and cultural aspects of this feature in a diachronic and comparative perspective from the Roman Empire to today s city partnerships To this end it uses the concept of polycentric governance Originally developed by political economist Vincent Ostrom in the 1960s and then expanded by the 2009 winner of the Nobel Prize in Economics political scientist Elinor Ostrom this concept characterises the interdependent system of relations between different actors involved in a process and for that reason it is frequently used in policy studies This volume applies the concept of polycentric governance to historical studies as a heuristic device to analyse the multilayer systems into which cities were integrated at various points in European history as well as the implications of the coexistence of different political structures Fourteen chapters examine the structures the dynamics and the discourse of polycentric governance through various case studies from the Roman Empire from medieval towns from early modern Europe and from contemporary cities The volume suggests that for extended periods of time throughout European history polycentric governance has played a pivotal role in the organisation and distribution of political power **Mummings and**

**Entertainments** John Lydgate, 2010-03-01 John Lydgate is known as the most distinguished poet of fifteenth century England This volume presents his brilliant and underappreciated dramatic texts written for both private and public entertainment encompassing both religious and secular topics This is the first time since 1934 that many of these poems have been reprinted or reedited They are published here with an extensive gloss and notes as well as a glossary and an introduction making them accessible to a new generation of students of the Middle Ages These works are indispensable to any study of medieval English drama Languages of Power in the Age of Richard II , 2005 Wisdom and Chivalry Stephen Rigby, 2009-09-30 The Knight s Tale is one of the most controversial of all the Canterbury Tales Does Chaucer portray Theseus the duke of Athens whose actions dominate the tale as an ideal ruler one who is noble wise and chivalrous or does the duke s behaviour reveal him to be immoral self seeking and tyrannical This book now in a corrected second printing assesses the duke s conduct and thought in terms of the ideals set out in medieval mirrors for princes particularly in Giles of

Rome's De Regimine Principum It argues that when judged by the standards of these works Theseus can be seen as a model prince in terms of his self government ethics his rule of his household economics his governance of his realm politics and his cosmography and philosophy

*The Streets of Europe* Brian Ladd, 2020-09-01 This is a sensory history and a sensual story told from street level a clear and powerful account of the transformation of street life in Europe Leora Auslander author of *Taste and Power* Merchants shouts jostling strangers aromas of fresh fish and flowers plodding horses and friendly chatter long filled the narrow crowded streets of the European city As they developed over many centuries these spaces of commerce communion and commuting framed daily life At its heyday in the 1800s the European street was the place where social worlds connected and collided Brian Ladd recounts a rich social and cultural history of the European city street tracing its transformation from a lively scene of trade and crowds into a thoroughfare for high speed transportation Looking closely at four major cities London Paris Berlin and Vienna Ladd uncovers both the joys and the struggles of a past world The story takes us up to the twentieth century when the life of the street was transformed as wealthier citizens withdrew from the crowds to seek refuge in suburbs and automobiles As demographics and technologies changed so did the structure of cities and the design of streets significantly shifting our relationships to them In today's world of high speed transportation and impersonal marketplaces Ladd leads us to consider how we might draw on our history to once again build streets that encourage us to linger By unearthing the vivid descriptions recorded by amused and outraged contemporaries Ladd reveals the changing nature of city life showing why streets matter and how they can contribute to public life A dazzlingly kaleidoscopic overview of city life city living and city dying Judith Flanders author of *The Invention of Murder* [Moving Subjects](#) Kathleen M. Ashley, Wim N. M. Hüsken, 2001 Procession arguably the most ubiquitous and versatile public performance mode until the seventeenth century has received little scholarly or theoretical attention Yet this form of social behaviour has been so thoroughly naturalised in our accounts of western European history that it merited little comment as a cultural performance choice over many centuries until recently when a generation of cultural historians using explanatory models from anthropology called attention to the processional mode as a privileged vehicle for articulation in its society Their analyses however tended to focus on the issue of whether processions produced social harmony or reinforced social distinctions potentially leading to conflict While such questions are not ignored in this collection of essays its primary purpose is to reflect upon salient theatrical aspects of processions that may help us understand how in the performance of moving subjects they accomplished their often transformative cultural work

**Kingship and Masculinity in Late Medieval England** Katherine Lewis, 2013-09-05 *Kingship and Masculinity in Late Medieval England* explores the dynamic between kingship and masculinity in fifteenth century England with a particular focus on Henry V and Henry VI The role of gender in the rhetoric and practice of medieval kingship is still largely unexplored by medieval historians Discourses of masculinity informed much of the contemporary comment on fifteenth century kings for a variety of purposes to praise and

eulogise but also to explain shortcomings and provide justification for deposition Katherine J Lewis examines discourses of masculinity in relation to contemporary understandings of the nature and acquisition of manhood in the period and considers the extent to which judgements of a king's performance were informed by his ability to embody the right balance of manly qualities This book's primary concern is with how these two kings were presented represented and perceived by those around them but it also asks how far Henry V and Henry VI can be said to have understood the importance of personifying a particular brand of masculinity in their performance of kingship and of meeting the expectations of their subjects in this respect It explores the extent to which their established reputations as inherently manly and unmanly kings were the product of their handling of political circumstances but owed something to factors beyond their immediate control as well Consideration is also given to Margaret of Anjou's manipulation of ideologies of kingship and manhood in response to her husband's incapacity and the ramifications of this for perceptions of the relational gender identities which she and Henry VI embodied together Kingship and Masculinity in Late Medieval England is an essential resource for students of gender and medieval history

**Power and Pleasure** Hugh M. Thomas, 2020-11-19 Although King John is remembered for his political and military failures he also resided over a magnificent court Power and Pleasure reconstructs life at the court of King John and explores how his court produced both pleasure and soft power Much work exists on courts of the late medieval and early modern periods but the jump in record keeping under John allows a detailed reconstruction of court life for an earlier period Power and Pleasure Court Life under King John 1199-1216 examines the many facets of John's court exploring hunting feasting castles landscapes material luxury chivalry sexual coercion and religious activities It explains how John mishandled his use of soft power just as he failed to exploit his financial and military advantages and why he received so little political benefit from his magnificent court John's court is viewed in comparison to other courts of the time and in previous and subsequent centuries

Writing Southern Italy Before the Renaissance Ronald G. Musto, 2018-12-07 This volume traces the work of trecento historians of the Mezzogiorno analyzing it through current methodological and theoretical frameworks Questioning the current consensus the book examines how the South as a cultural other began evolving over the fourteenth century and reconsiders the nineteenth century Southern Question concerning the Mezzogiorno's history culture and people and its lingering negative image in Europe and America It also focuses on specific histories authors and historiographical issues and reviews how new understandings of the Mediterranean have begun to alter our perceptions of the South in a new global context and as the basis for new historical research

### **Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph has opened up a world of possibilities. Downloading Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph is one of the best book in our library for free trial. We provide copy of Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph. Where to download Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph online for free? Are you looking for Enter The King Theatre Liturgy And Ritual In The Medieval Civic Triumph PDF? This is definitely going to save you time and cash in something you should think about.
