**Young's Literal Translation of the The Bible - The New Testament** Robert Young, 2011-11-12 This is the collection of books known as the New Testament from The Gospels up to Revelations This text is taken from the Robert Young's Literal Translation published in 1862 It aimed to be a literal translation and remove the added poetic license given to the King James edition this translation was made using the original Hebrew and Greek translations Young even uses the present tense where most English translations use the past because this conforms to the original Hebrew text This version is printed with students of the text in mind printed in a large A4 format and each verse and chapter is placed at the start of a new line for easy reference

*Acts: Jimmy Swaggart Bible Commentary* Jimmy Swaggart, 1996 ACTS BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather

than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God
