## **Enter Without Knocking:**

Enter Without Knocking Daniel G. Moore, 1969 ENTER WITHOUT KNOCKING reviewed by Cathy Gordon Enter Without Knocking is a retrospective edition of Denis Glover whose work has been too long out of print Some readers may miss his lighter verse and satire but as a survey of 30 years of poetic production this volume provides an opportunity to trace a style muted and witty yet with a strange force of dramatic description and to see the growth of a poet's themes The Plays of Shakespeare Edited by Howard Staunton, 1860 California. Supreme Court. Records and Briefs California (State)., Number of Exhibits 1 Court of Appeal Case s H002025 **Criminal Investigation** Ronald Becker, 2009 Criminal Investigation Third Edition takes an integrated approach to the investigation process This introductory text explores how contributors to criminal investigation and its resulting prosecution are more effective when they understand and appreciate their role on the team what role other team members play and how it all comes together Readers will learn how investigations are connected to a team that is much larger than those charged with the investigations of a crime The end result is a solid foundation in criminal investigation **Marijuana Decriminalization** United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1975 *Rise of the Warrior Cop* Radley Balko, 2013-07-09 Now updated with new material the groundbreaking history of how police forces have become militarized both in equipment and mindset and what that means for American democracy The last days of colonialism taught America's revolutionaries that soldiers in the streets bring conflict and tyranny As a result our country has generally worked to keep the military out of law enforcement But according to investigative reporter Radley Balko over the last several decades America's cops have increasingly come to resemble ground troops The consequences have been dire the home is no longer a place of sanctuary the Fourth Amendment has been gutted and police today have been conditioned to see the citizens they serve as an other an enemy Today's armored up policemen are a far cry from the constables of early America The unrest of the 1960s brought about the invention of the SWAT unit which in turn led to the debut of military tactics in the ranks of police officers Nixon's War on Drugs Reagan's War on Poverty Clinton's COPS program the post 9 11 security state under Bush Obama by degrees each of these innovations empowered police forces always at the expense of civil liberties And under Trump these powers were expanded in terrifying new ways as evidenced by the tanks and overwhelming force that met the Black Lives Matter protesters in 2020 In *Rise of the Warrior Cop* Balko shows how politicians ill considered policies and relentless declarations of war against vague enemies like crime drugs and terror have blurred the distinction between cop and soldier His fascinating frightening narrative shows how over a generation a creeping battlefield mentality has isolated and alienated American police officers and put them on a collision course with the values of a free society **Congressional Record** United States.
