Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies:

Enterprise Guidance in Eastern Europe David Granick, 2015-03-08 The sixties were a decade of major reform in the guidance of industry in the socialist countries of Eastern Europe In this comparative study of industrial management the different directions taken by reform in the German Democratic Republic Hungary and Yugoslavia are examined against the pattern shown by Romania a country in which no significant reform has occurred The author focuses on the methods used to coordinate enterprises in the early 1970s The book is the product of a remarkable opportunity eleven months of interviews in the four countries Those interviewed were mainly middle and upper managers of enterprises but also include officials of ministries planning commissions banks trade unions and national Communist parties The resulting data made possible new interpretations of enterprise management in Eastern Europe Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The East European Economies in the 1970s Alec Nove, Hans-Hermann Höhmann, Gertraud Seidenstecher, 2013-10-22 The East European Economies in the 1970s reviews the development of economic policy in Eastern Europe in the 1970s This book includes individual country studies that compare and contrast both the aims of economic development and the results of the growth process as well as the instruments employed in economic policy More specifically this book examines what has happened during the past decade after the fundamental changes in economic policy that occurred in the 1960s This text is comprised of 10 chapters the first of which provides a background on economic reform in Eastern Europe during the 1970s Attention then turns to the economic policy methods and performance of the USSR after 1970 The chapters that follow focus on the German Democratic Republic Poland Czechoslovakia Hungary Bulgaria Romania and Yugoslavia This book concludes with a discussion on the economic system of Albania in the 1970s focusing on the country's conservative radicalism agriculture and sharp disputes on economic policy between 1974 and 1976 Throughout the book the emphasis is on how the process of reconstruction within the system has led to increasing differentiation of aims institutions and instruments of economic policy between individual countries This book will be of interest to political science students political scientists political economists and policy analysts [Technological Change In The German Democratic Republic](#) Raymond Bentley, 2019-07-11 Focusing on East Germany's capacity to innovate and diffuse technology this book sheds light on the technological gap that has developed between the two Germanies Dr Bentley compares the sophistication of GDR and FRG technology in different industrial branches evaluates the strengths and weaknesses of the GDR's research and development system compares the R D effort of the two Germanies and discusses the government policies that affected technological

change in GDR industry from 1945 to 1975 He identifies and analyzes hindrances to research innovation and diffusion in the fields of planning organization economic stimulation and ideology and looks at the formation of interest groups He also compares evidence from the GDR with data from other countries including the USSR

Routledge Handbook of Contemporary North Korea Adrian Buzo, 2020-11-22 The Routledge Handbook of Contemporary North Korea presents a comprehensive picture of contemporary North Korea placed in historical context and set against the overlapping fields of politics economy culture society and foreign relations Spanning a period of significant transition for North Korea this volume provides accurate analysis and applications of both historical and institutional perspectives The volume's chapters are representative of the growth in North Korean studies that has occurred since the 1990s in parallel with the growing maturity of the field in South Korea as well as with far greater levels of access to North Korean sources The volume is divided into five Parts each reflecting an emergent area of debate and research The political perspective The North Korean economy Foreign relations Society Culture This is the first anthology of North Korean studies to demonstrate a clear understanding of North Korea as North Korea as opposed to a dimly perceived and threatening rogue state It features both Korean and non Korean contributors many working from primary source material As such this handbook will prove a valuable resource to students and scholars of Northeast Asian studies modern Korean history and politics and comparative politics more broadly

Information Space (RLE: Organizations) Max Boisot, 2013-06-26 In this book the author lays the foundations for a new political economy of information The information space or I Space is the conceptual framework in which organizations institutions and cultures are being transformed by new information and communication technologies In the penultimate chapter the I Space's usefulness as an explanatory framework is illustrated with an application a case study of China's modernization Information Space proposes a radical shift in the way that we approach the emerging information age and the implications it holds for societies organizations and individuals

Problems of Communism, 1979 **Remaking the Economic Institutions of Socialism** Victor Nee, David Stark, 1989 To what extent can contemporary socialist economies be reformed by the introduction of markets The question is usually debated in either a Chinese or an East European context this collection of eleven essays is unique in taking the first steps toward a comparative analysis Twenty years of experience with reforms in Hungary and a decade of experimentation with reforms in China provide a critical mass of evidence for analyzing the problems endemic to centrally planned economies and the dilemmas faced in efforts to reform them In reflecting on the Chinese and East European experiences these essays trace the shift from a conception of reform as a mix of planning and markets within the state sector to a socialist mixed economy with implications for the emergence of new social groups and autonomous social organizations The essays exemplify a new perspective in the study of state socialism that changes the focus from ideologies to economic institutions examining how the activities of subordinate groups place limits on the power of state elites The authors include scholars who have shaped debates in Eastern Europe and whose work is now stimulating

much discussion in China as well as representatives of a younger generation of economists sociologists and political scientists writing on the basis of field research recently conducted in factories cities and villages in China and Eastern Europe The contributors are Wlodzimierz Brus Walter D Connor Zhiren Lin Victor Nee Susan Shirk David Stark Ivan Szelenyi and Martin King Whyte An introductory essays surveys recent theories and research on state socialism and outlines a new institutional perspective for understanding the dilemmas of partial reforms the political cycles of reform and retrenchment and the role of subordinate groups in stimulating changes outside the state sector *Dissolution* Charles S.

Maier,1999-03-01 Against the backdrop of one of the great transformations of our century the sudden and unexpected fall of communism as a ruling system Charles Maier recounts the history and demise of East Germany *Dissolution* is his poignant analytically provocative account of the decline and fall of the late German Democratic Republic This book explains the powerful causes for the disintegration of German communism as it constructs the complex history of the GDR Maier looks at the turning points in East Germany's forty year history and at the mix of coercion and consent by which the regime functioned He analyzes the GDR as it evolved from the purges of the 1950s to the peace movements and emerging youth culture of the 1980s and then turns his attention to charges of Stasi collaboration that surfaced after 1989 In the context of describing the larger collapse of communism Maier analyzes German elements that had counterparts throughout the Soviet bloc including its systemic and eventually terminal economic crisis corruption and privilege in the SED the influence of the Stasi and the plight of intellectuals and writers and the slow loss of confidence on the part of the ruling elite He then discusses the mass protests and proliferation of dissident groups in 1989 the collapse of the ruling party and the troubled aftermath of unification *Dissolution* is the first book that spans the communist collapse and the ensuing process of unification and that draws on newly available archival documents from the last phases of the GDR including Stasi reports transcripts of Politburo and Central Committee debates and papers from the Economic Planning Commission the Council of Ministers and the office files of key party officials This book is further bolstered by Maier's extensive knowledge of European history and the Cold War his personal observations and conversations with East Germans during the country's dramatic transition and memoirs and other eyewitness accounts published during the four decade history of the GDR Routledge Library Editions:

Organizations (31 vols) Various,2021-12-02 Re issuing volumes originally published between 1949 and 1995 this 31 volume set examines the theory and behaviour of organizations Topics covered include the sociology of work leadership and organizations politics at work theory and practice of company organization patterns of business organization company strategy and organizational design **Entrepreneurship in a Global Context** Sue Birley,Ian Macmillan,1997-02-20 This collection presents selected papers from the Fourth Annual Global Conference on Entrepreneurial Research held in 1994 at INSEAD France

Political Economy and Soviet Socialism (Routledge Revivals) Alec Nove,2013-02-01 First published in 1979 *Political Economy and Soviet Socialism* is an integrated selection of papers written over the past 12 years of Russian

history which offers a unique insight into some important and controversial issues Professor Nove discusses the ideas of some of the leaders of the Russian revolution Lenin Trotsky and Bukharin the political economy of socialism and the problems of the contemporary USSR The author addresses the role of traditional Russian ideas in shaping the Soviet Union's social structure and the conceptual problems involved in defining its ruling stratum whether or not it is a class He also considers the criteria by which it is reasonable to judge Soviet reality the performance and prospects of agriculture in communist ruled Europe the ability of the Eastern bloc to tackle problems of inflation and the obstacles to economic reform Looking at the important and original developments of economic thought in the USSR and Eastern Europe Professor Nove dissects the ideas of the new leftists concerning the role of market forces under a feasible socialism These papers offer essential reading for students of politics economics and comparative social structure

The Contradictions of "Real Socialism" Michael A. Lebowitz, 2012-08 What was real socialism the term which originated in twentieth century socialist societies for the purpose of distinguishing them from abstract theoretical socialism In this volume Michael A Lebowitz considers the nature tendencies and contradictions of those societies Beginning with the constant presence of shortages within real socialism Lebowitz searches for the inner relations which generate these patterns He finds these in particular in what he calls vanguard relations of production a relation which takes the apparent form of a social contract where workers obtain benefits not available to their counterparts in capitalism but lack the power to decide within the workplace and society While these societies were able to claim major achievements in areas from health care to education to popular culture the separation of thinking and doing prevented workers from developing their capacities as fully developed human beings The relationship within real socialism between the vanguard as conductor and a conducted working class however did not only lead to the deformation of workers and those elements necessary for the building of socialism it also created the conditions in which enterprise managers emerged as an incipient capitalist class which was an immediate source of the crises of real socialism As he argued in *The Socialist Alternative Real Human Development* Lebowitz stresses the necessity to go beyond the hierarchy inherent in the relation of conductor and conducted and beyond the vanguard Marxism which supports this to create the conditions in which people can transform themselves through their conscious cooperation and practice i e a society of free and associated producers Labor Literature, 1976 *East European Economies Post-Helsinki* United States. Congress. Joint Economic Committee, 1977

Elites in Transition Heinrich Best, Ulrike Becker, 2013-11-11 Who rules in Eastern Europe became a fundamental question for western researchers and other observers after communist regimes were established in the region and it gained further importance as state socialism expanded into Central Europe after the Second World War A political order which according to Leninist theory of the state and to subsequent Stalinist political practice was primarily a highly centralised and repressive power organisation directed as if it were natural researchers attention towards the highest echelon of office holders in party and state Extreme centralisation of power in

these regimes was consequently linked to an elitist approach to analysing them from a distant viewpoint. It is one of the many paradoxes of state socialism that a social and political order which presumptuously claimed to be the final destination of historical development and to be based on deterministic laws of social evolution which claimed an egalitarian nature and denied the significance of the individual was perceived through the idiosyncrasies, rivalries and personal traits of its rulers. The largest part of these societies remained in grey obscurity, only occasionally revealing bits of valid information about a social life distant from the centres of power. It is debatable whether this top-headedness of western research into communist societies created a completely distorted picture of reality; however, it certainly contributed to an overestimation of the stability of these regimes, an underestimation of their factual diversity and a misjudgement of the extent of conflicts and cleavages dividing them.

The German Democratic Republic Peter Grieder, 2012-11-02 A clear, concise and thought-provoking introduction to the history of East Germany which engages critically with key debates and advances new interpretations of the origins, development and demise of the GDR. Peter Grieder also offers an original conceptualization of the GDR as a totalitarian welfare state.

The Soviet Economy Abram Bergson, Herbert S. Levine, 2023-06-14 The Soviet Economy 1983 examines the long-term prospective growth of the USSR's economy. It looks at the Soviet economy's growth process at an advanced stage of development and assesses how it would evolve in the period ahead. Various growth plans had made large advances to the state-planned economy, but by the 1980s this growth had slowed.

Against Capitalism David Schweickart, 2018-05-15 Capitalism is hegemonic today not because it is the best we fallible humans can do, but because it supports and is supported by special interests of immense power. This book argues that Economic Democracy, a competitive economy of democratically run enterprises that replaces capitalist financial markets with more suitable institutions, will be more efficient than capitalism, more rational in its growth, more democratic, more egalitarian and less alienating. *Against Capitalism* is an ambitious book drawing on philosophical analysis, economic theory and considerable empirical evidence to advance its controversial thesis. It examines both conservative and liberal forms of capitalism, it compares Economic Democracy to other models of socialism and it considers the transition to Economic Democracy from advanced capitalist societies, from economies built on the Soviet model and from conditions of underdevelopment. The book concludes with some unconventional reflections on historical materialism, ideal communism and the future of Marxism.

Productivity: a Selected Annotated Bibliography, 1980 **Bulletin of the United States Bureau of Labor Statistics** United States. Bureau of Labor Statistics, 1980

Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Introduction

Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Offers a diverse range of free eBooks across various genres. Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies, especially related to Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your

own Online Searches: Look for websites, forums, or blogs dedicated to Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies books or magazines might include. Look for these in online stores or libraries. Remember that while Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies eBooks, including some popular titles.

FAQs About Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies Books

What is a Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may

have options to export or save PDFs in different formats. **How do I password-protect a Enterprise Guidance In Eastern Europe A Comparison Of Four Socialist Economies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
