Safeguarding the Stranger Jayme R Reaves, 2017-08-31 In our troubled world protective hospitality is tragically necessary and requires informed shared action and belief on behalf of the threatened other In *Safeguarding the Stranger* Jayme R Reaves argues that protective hospitality and its faith based foundations as seen in the Abrahamic traditions of Judaism Christianity and Islam merit greater theological attention Reaves shows that the practice of protective hospitality in Christianity can be enhanced by a better understanding of Jewish and Muslim practices of hospitality as well as of their codes and etiquettes related to honour *Safeguarding the Stranger* draws on a contextual and political theological approach informed by liberation and feminist theologies as viewed through the lens of a co operative and complementary theological

The Inner Life John Greenleaf Adams,1883 A Companion to Charles Dickens David Paroissien,2008-04-15 A Companion to Charles Dickens concentrates on the historical ideological and social forces that defined Dickens s world Puts Dickens s work into its literary historical and social contexts Traces the development of Dickens s career as a journalist and novelist Includes original essays by leading Dickensian scholars on each of Dickens s fifteen novels Explores a broad range of topics including criticisms of his novels the use of history and law in his fiction language and the effect of political and social reform Examines Dickens s legacy and surveys the mass of secondary materials that has been generated in response and reverence to his writing *An Analysis of the Book of Hebrews* Dr. Gilbert H. Edwards, Sr.,2013-07-24 After the superiority of the new covenant has thus been established the writer dwells on the obligations which it lays on those who have received it If Gods servants in ancient days lived by faith a far stronger and more living faith is now required of Christians 11 If the Law imposed a solemn responsibility this is true in a far higher degree of those who profess the religion of Christ 12 With a few practical admonitions the Epistle closes 13 In writing to Hebrew Christians it is natural that the author of Hebrews would form a common ground by declaring the fact of divine revelation and by recognizing Judaism as the fruit of such Furthermore it is to be expected that in keeping with his thesis he would point beyond that which was good to something which is better If Judaism was the result of a good revelation Christianity is the fruit of a better one *The Juvenile companion, and Sunday-school hive [afterw.] The Sunday school hive, and juvenile companion.
