Personality Presenters Frances Bonner,2016-05-06 Television presenters are key to the sociability of the medium speaking directly to viewers as intermediaries between audiences and those who are interviewed perform or compete on screen As targets of both great affection and derision from viewers and the subjects of radio internet magazine and newspaper coverage many have careers that have lasted almost as long as post war television itself Nevertheless as a profession television presenting has received little scholarly attention *Personality Presenters* explores the role of the television presenter analysing the distinct skills possessed by different categories of host and the expectations and difficulties that exist with regard to the promotion of the various films books consumer and cultural products with which they are associated The close involvement of presenters with the content that they present is examined while the impact of the presenters own celebrity on the tasks that they perform is scrutinised With a focus on non fiction entertainment shows such as game shows lifestyle and reality shows chat daytime and talk shows this book explores issues of consumer culture advertising and celebrity as well as the connection of presenters with ethical issues Offering detailed case studies of internationally recognised presenters as well comparisons between national presenters from the UK and Australia *Personality Presenters* provides a rich discussion of television presenters as significant conduits in the movement of ideas As such it will appeal to sociologists as well as those working in the fields of popular culture cultural and media studies and cultural theory *Remembering Television* Kate Darian-Smith,Sue Turnbull,2013-01-16 This path breaking book extends our knowledge of the social and cultural impacts of television asking new questions about the ways television s technologies and programming have been experienced understood and remembered Television has served as a companion to the historical events that have unfolded in our everyday lives both on and off the screen and its presence is intricately bound up in our memories of the past and actions in the present As this volume demonstrates the influence of television over individual and family behaviours national identity and ideas of global citizenship is complex and wide ranging Drawing upon recent developments in memory studies history media and cultural studies and with particular reference to Australia leading scholars explore the histories of television and how its programs and personalities have been celebrated recalled with nostalgia or simply forgotten Topics covered include the pre figuring of television memories of the struggle for transmission in remote locations the transnational experience of television for immigrant communities the evocation of television

programs through spin off products televised war reportage and censorship and the value of unofficial television archives such as YouTube As a whole these essays offer a striking and original examination of the connections between history memory and television in today s world **The Oxford Encyclopedia of Food and Drink in America** Andrew Smith,2013-01-31 Home cooks and gourmets chefs and restaurateurs epicures and simple food lovers of all stripes will delight in this smorgasbord of the history and culture of food and drink Professor of Culinary History Andrew Smith and nearly 200 authors bring together in 770 entries the scholarship on wide ranging topics from airline and funeral food to fad diets and fast food drinks like lemonade Kool Aid and Tang foodstuffs like Jell O Twinkies and Spam and Dagwood hoagie and Sloppy Joe sandwiches **The Rest of Life** Ben Witherington III,Ben Witherington,2012-11-16 When was the last time you heard a sermon on the theological importance of play What do rest eating studying and sex have to do with the Kingdom of God Strangely although these activities together take up much of our time they seldom receive much discussion from a biblical point of view In *The Rest of Life* Ben Witherington explores these subjects in the light of biblical teaching about the Kingdom of God and the Christian hope for the future He shows why and how all the normal activities of life should be done to the glory of God and for the edification of others Focusing as it does on practical everyday matters in an accessible style this topical study is ideal for both individual reading and small group discussion **The Joy of Eating** Jane K. Glenn,2021-11-05 This volume explores our cultural celebration of food blending lobster festivals politicians roadside eats reality show chef showdowns and gravity defying cakes into a deeper exploration of why people find so much joy in eating In 1961 Julia Child introduced the American public to an entirely new joy infused approach to cooking and eating food In doing so she set in motion a food renaissance that is still in full bloom today Over the last six decades food has become an increasingly more diverse prominent and joyful point of cultural interest *The Joy of Eating* discusses in detail the current golden age of food in contemporary American popular culture Entries explore the proliferation of food themed television shows documentaries and networks the booming popularity of celebrity chefs unusual exotic decadent creative and even mundane food trends and cultural celebrations of food such as in festivals and music The volume provides depth and academic gravity by tying each entry into broader themes and larger contexts in relation to a food themed reality show for example discussing the show s popularity in direct relation to a significant economic event providing a brief history behind popular foods and types of cuisines and tracing the evolution of our understanding of diet and nutrition among other explications *The New York Times Magazine* ,2009 **Tablet to Table Vol 1 Issue 3** Jillian Adams,2012-11-11 Women and Community Cookbooks Dione Lucas The advent of television and how one woman Dione Lucas used cooking to sell this new medium to the masses With a feature story from food academic Jillian Adams Includes embedded video demonstrations from former Masterchef Australia contestant Phil Vakos Australian Women s Weekly covers from across the ages and supplementary articles on iconic television cooking shows as well as the history of the TV dinner *TV in the USA* Vincent

LoBrutto,2018-01-04 This three volume set is a valuable resource for researching the history of American television An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society What are the reasons behind enduring popularity of television genres such as police crime dramas soap operas sitcoms and reality TV What impact has television had on the culture and morality of American life Does television largely emulate and reflect real life and society or vice versa How does television s influence differ from that of other media such as newspapers and magazines radio movies and the Internet These are just a few of the questions explored in the three volume encyclopedia TV in the USA A History of Icons Idols and Ideas This expansive set covers television from 1950 to the present day addressing shows of all genres well known programs and short lived series alike broadcast on the traditional and cable networks All three volumes lead off with a keynote essay regarding the technical and historical features of the decade s covered Each entry on a specific show investigates the narrative themes and history of the program provides comprehensive information about when the show started and ended and why and identifies the star players directors producers and other key members of the crew of each television production The set also features essays that explore how a particular program or type of show has influenced or reflected American society and it includes numerous sidebars packed with interesting data related information and additional insights into the subject matter Unreel Diana Wichtel,2024-11-26 Born to a Polish Holocaust survivor father and a 1950s Kiwi tradwife too busy to police her viewing Diana Wichtel cut her teeth on the Golden Age of television But in the 1960s things fell apart Diana s fractured family left Canada and blew in to New Zealand just missing the Beatles and minus a father Diana watched television being born again half a world away and twenty years later walked into the smoky clacking offices of the Listener where she became the country s foremost television critic loved and loathed with the hate mail in seething capital letters to prove it Meanwhile television s sometimes pale imitation her real life was beginning to unreel This is a sharply funny wise and profound memoir of growing up and becoming a writer of parents and children early marriage and divorce finding love again and of the box we gathered around in our living rooms that changed the world This whipcrack of a book is such good company that my eyes hurt from smiling as I read it Was I smiling or was it something else Here we are in our audacity our absurdity our banality and our hope Stumbling towards something now largely past Linear TV life Diana Wichtel herself none of us are spared but most of us are forgiven This has always been Wichtel s brilliance Her sharp funny empathy She d be the perfect funeral guest She also has the critic s obsession with delivering for the audience or reader As stunningly displayed in Driving to Treblinka read it her words carry their truths off the page impatient for our attention Gorgeous acerbic illuminating human Unreel is a wonderful read John Campbell A funny wise memoir that s as much about love and loss as it is about telly The prose is brilliant hilarious just right Devastating too when the critic looks clear eyed at the individual tragedy suffered by her family that is a stain on the conscience of the world This story twines the communal joy of the greatest shows from I Love Lucy to Coro and The Sopranos

with the author's realisation of the power the medium has not only to bring us together but to help her face the darkness of the past Diana Wichtel is watching TV but she sees so much more Noelle McCarthy The funniest writer on the planet on the mad sad and profound joys of the idiot box You should binge read this Steve Braunias The United States of Arugula David Kamp, 2009-12-16 The wickedly entertaining hunger inducing behind the scenes story of the revolution in American food that has made exotic ingredients celebrity chefs rarefied cooking tools and destination restaurants familiar aspects of our everyday lives Amazingly enough just twenty years ago eating sushi was a daring novelty and many Americans had never even heard of salsa Today we don't bat an eye at a construction worker dipping a croissant into robust specialty coffee city dwellers buying just picked farmstand produce or suburbanites stocking up on artisanal cheeses and extra virgin oils at supermarkets The United States of Arugula is a rollicking revealing stew of culinary innovation food politics and kitchen confidences chronicling how gourmet eating in America went from obscure to pervasive and became the cultural success story of our era Galloping Gourmet Steve Friesen, 2023 2024 Colorado Book Award History Finalist 2024 Will Rogers Medallion Silver Winner in Western Biographies Memoirs Galloping Gourmet explores an unfamiliar side of a familiar character in American history William F Buffalo Bill Cody In this entertaining narrative Steve Friesen explores the evolving role of eating and drinking in Buffalo Bill's life 1846 1917 Friesen starts with Buffalo Bill's culinary roots on the American Plains eating simple foods such as cornbread fried yellow legged chicken and hardtack Buffalo Bill discovered gourmet dining while leading buffalo hunting expeditions and scouting As his fame increased so did his desire and opportunities for fine dining his early show business career allowed him to dine at some of the best restaurants in the country Friesen examines the creation of Buffalo Bill's Wild West Show in 1883 in which Cody introduced his diverse cast of employees to dining that equaled America's best restaurants One newspaper reporter observed that Colonel Cody displays no more care about anything than the proper feeding of horse and man Cody opened the first Mexican restaurant east of the Mississippi and introduced American foodways to Europe Equally comfortable eating around a campfire on the plains or at Delmonico's in New York City he also dined with leading celebrities of his day In the final section Friesen addresses the controversies surrounding Cody's drinking his death and his ongoing culinary legacy Galloping Gourmet includes an appendix of more than thirty annotated period recipes **The Routledge History of Food** Carol Helstosky, 2014-10-03 The history of food is one of the fastest growing areas of historical investigation incorporating methods and theories from cultural social and women's history while forging a unique perspective on the past The Routledge History of Food takes a global approach to this topic focusing on the period from 1500 to the present day Arranged chronologically this title contains 17 originally commissioned chapters by experts in food history or related topics Each chapter focuses on a particular theme idea or issue in the history of food The case studies discussed in these essays illuminate the more general trends of the period providing the reader with insight into the large scale and dramatic changes in food history through an understanding of how these developments

sprang from a specific geographic and historical context Examining the history of economic technological and cultural interactions between cultures and charting the corresponding developments in food history The Routledge History of Food challenges readers assumptions about what and how people have eaten bringing fresh perspectives to well known historical developments It is the perfect guide for all students of social and cultural history
