**Books** , 1988      **Scattershot** Bernie Taupin, 2023-09-12 In this New York Times bestseller experience the evocative clear eyed and revealing memoir by Bernie Taupin the lyrical master and long time collaborator of Elton John I loved writing I loved chronicling life and every moment I was cogent sober or blitzed I was forever feeding off my surroundings making copious notes as ammunition for future compositions The thing is good bad or indifferent I never stopped writing it was as addictive as any drug This is the memoir music fans have been waiting for Half of one of the greatest creative partnerships in popular music Bernie Taupin is the man who wrote the lyrics for Elton John who conceived the ideas that spawned countless hits and sold millions and millions of records Together they were a duo a unit an immovable object Their extraordinary half century and counting creative relationship has been chronicled in biopics like 2019 s Rocketman and even John s own autobiography Me But Taupin a famously private person has kept his own account of their adventures close to his chest until now Written with honesty and candor Scattershot allows the reader to witness events unfolding from Taupin s singular perspective sometimes front and center sometimes from the edge yet always described vibrantly with an infectious energy that only a vivid songwriter s prose could offer From his childhood in the East Midlands of England whose imagination was sparked and forever informed by the distinctly American mythopoeics of country music and cowboy culture to the glittering star studded fishbowl of 70s and 80s Beverly Hills Scattershot is simultaneously a Tom Jones like picaresque journey across a landscape of unforgettable characters as well as a striking first hand account of a creative era like no other and one man s experience at the core of it An exciting multi decade whirlwind told in a non linear yet grounded narrative Scattershot whizzes around the world as we ride shotgun with Bernie on his extraordinary life We visit Los Angeles with him and Elton on the cusp of global fame We spend time with him in Australia almost in residency at an infamous rock n roll hotel in an endless blizzard of drugs And we spend late late night hours with John Lennon with Bob Marley and hanging with Frank Sinatra And beyond the world of popular music we witness memorable encounters with writers like Graham Greene painters like Andy Warhol and Salvador Dali and scores of notable misfits miscreants eccentrics and geniuses known and unknown Even if they re not famous in their own right they are stars on the page and we discover how they inspired the indelible lyrics to songs such as Tiny Dancer Candle in the Wind Bennie and The Jets and so many more Unique and utterly compelling Scattershot will transport the reader across the decades and around the globe along the way meeting some of the greatest creative minds of the 20th century and into the vivid imaginings of one of music s most legendary lyricists      **Dictionary of International**
