The Enthroned Christian Frederick Julius Huegel, 2009      Enthroned Christian F. J. Huegel, 1992-01-01      **Early Christianity and paganism** Henry Donald Maurice Spence-Jones, 1902      *The Christian Advocate*, 1909      **Encyclopedia of Heaven** Miriam Van Scott, 1999 From myth religion art literature drama music film and television the spectacular visions of Heaven are illuminated and interpreted 50 photos illustrations      **People, the Land, and the Book**, 1905      Roger Williams, the Pioneer of Religious Liberty Oscar Solomon Straus, 1894 BIOGRAPHY OF ROGER WILLIAMS AND HIS RELATIONSHIP WITH OTHER COLONIES INDIANS AND HIS ESTABLISHMENT OF RHODE ISLAND A COLONY THAT PERMITTED RELIGIOUS FREEDOM FOR ALL      The Resurrection of Jesus Dale C. Allison, Jr., 2021-03-11 The earliest traditions around the narrative of Jesus resurrection are considered in this landmark work by Dale C Allison Jr drawing together the fruits of his decades of research into this issue at the very core of Christian identity Allison returns to the ancient sources and earliest traditions charting them alongside the development of faith in the resurrection in the early church and throughout Christian history Beginning with historical critical methodology that examines the empty tomb narratives and early confessions Allison moves on to consider the resurrection in parallel with other traditions and stories including Tibetan accounts of saintly figures being assumed into the light in the chapter Rainbow Body Finally Allison considers what might be said by way of results or conclusions on the topic of resurrection offering perspectives from both apologetic and sceptical viewpoints In his final section of modest results he considers scholarly approaches to the resurrection in light of human experience adding fresh nuance to a debate that has often been characterised in overly simplistic terms of it happened or it didn't      *The Art of Empire* Lee M. Jefferson, Robin M. Jensen, 2015-10-01 In recent years art historians such as Johannes Deckers *Picturing the Bible* 2009 have argued for a significant transition in fourth and fifth century images of Jesus following the conversion of Constantine Broadly speaking they perceive the image of a peaceful benevolent shepherd transformed into a powerful enthroned Jesus mimicking and mirroring the dominance and authority of the emperor The powers of church and state are thus conveniently synthesized in such a potent image This deeply rooted position assumes that ante pacem images of Jesus were uniformly humble while post Constantinian images exuded the grandeur of power and glory The Art of Empire contends that the art and imagery of Late Antiquity merits a more nuanced understanding of the context of the imperial period before and after Constantine The chapters in this collection each treat an aspect of the relationship between early Christian art and the rituals practices or imagery of the Empire and offer a new and fresh perspective on the development of Christian art in its imperial background      **Homiletic Review**, 1895      The Shack Revisited C. Baxter Kruger, 2012-10-02 Millions have found their spiritual hunger satisfied by William P Young's 1 New York Times bestseller *The Shack* the story of a man lifted from the depths of despair through his life altering encounter with God the Father God the Son and God the Holy Spirit Now C Baxter Kruger's *THE SHACK REVISITED* guides readers into a

deeper understanding of these three persons to help readers have a more profound connection with the core message of The Shack that God is love An early fan of The Shack and a close friend to its author Kruger shows why the novel has been enthusiastically embraced by so many Christians worldwide In the words of William P Young from the foreword to THE SHACK REVISITED Baxter Kruger will stun readers with his unique cross of intellectual brilliance and creative genius as he takes them deeper into the wonder worship and possibility that is the world of The Shack

**Albrecht Dürer and the Embodiment of Genius** Jeffrey Chipps Smith,2020-10-09 During the nineteenth century Albrecht Dürer's art piety and personal character were held up as models to inspire contemporary artists and it was hoped to return Germany to international artistic eminence In this book Jeffrey Chipps Smith explores Dürer's complex posthumous reception during the great century of museum building in Europe with a particular focus on the artist's role as a creative and moral exemplar for German artists and museum visitors In an era when museums were emerging as symbols of civic regional and national identity dozens of new national princely and civic museums began to feature portraits of Dürer in their elaborate decorative programs embellishing the facades grand staircases galleries and ceremonial spaces Most of these arose in Germany and Austria though examples can be seen as far away as St Petersburg Stockholm London and New York City Probing the cultural political and educational aspirations and rivalries of these museums and their patrons Smith traces how Dürer was painted sculpted and prominently placed to accommodate the era's diverse needs and aspirations He investigates what these portraits can tell us about the rise of a distinct canon of famous Renaissance and Baroque artists addressing the question of why Dürer was so often paired with Raphael who was considered to embody the greatness of Italian art and why with the rise of German nationalism Hans Holbein the Younger often replaced Raphael as Dürer's partner Accessibly written and comprehensive in scope this book sheds new light on museum building in the nineteenth century and the rise of art history as a discipline It will appeal to specialists in nineteenth century and early modern art the history of museums and collecting and art historiography
