The Wellbeing of Women in Entrepreneurship Maria-Teresa Lepeley,Katherina Kuschel,Nicholas Beutell,Nicky Pouw,Emiel L. Eijdenberg,2019-07-01 Women accomplish nearly two thirds of total work around the world including household duties comprise one third of the formal labor force but women receive one tenth of the world s income and own only one hundredth of the world s property Entrepreneurship is a vehicle for advancing the lives of women around the world This book brings together 49 distinguished entrepreneurship scholars to provide a unique global vision of the wellbeing of women entrepreneurs necessary for fostering sustainable development and inclusive societies Although gender inequality is an important issue solutions leading to gender parity are far from reaching ideal levels in the formal workplace and globally Meanwhile the number of women involved in entrepreneurship is growing exponentially because there are more opportunities for women to own a business and be their own boss This offers women the most desirable and flexible working conditions that better align with women s lifestyles and multiple family responsibilities However entrepreneurial activities are demanding and complex compared to men women face special challenges that deserve close attention This book presents research and programs to effectively support women entrepreneurs in reaching levels of wellbeing required to ensure business sustainability and personal prosperity Offering a diversity perspectives from around the globe The Wellbeing of Women in Entrepreneurship is of great interest to academics and practitioners working in teaching and research in disciplines including business management entrepreneurship oganizational change human centered management human resources sustainable development and women s studies

Women Entrepreneurship in India Namita Kumari, The starting point for the book is the low economic activity of women in India and hence both governmental and NGO based activities to raise the level of women s participation to Indian economy and through that the increase in women s economic and social independence The book focuses on elementary and important issues of entrepreneurship and women in any economy Prof Anne Kovalainen School of Economics University of Turku Finland The book focuses on three NGOs and their activities in enhancing and promoting women s entrepreneurial activities in three different areas in India The empirical material consists of interview materials as well as background data and reports national level statistics and other figures that are used to describe the Indian situation in general and specifically those conditions from where women s entrepreneurial activities arise such as gender equality and legislation frameworks The book is very important not only for the women s

entrepreneurship and economic activity but for the Indian society at large Prof Paola Villa Department of Economics University of Trento Italy This book is a product of extensive and intensive research The book aptly highlights and proves the importance of NGOs in promoting women entrepreneurship Given the rigors of research methodology the book will also serve as a model for future research on the related dimensions of women entrepreneurship Prof Italo Trevisan Department of Economics and Management University of Trento Italy Women s empowerment in India remains a daunting task for governmental and non governmental organizations alike Given the importance of economic empowerment of women this study provides an overview of the entrepreneurship as a means to economic empowerment of Indian women Dr Suman Sharma Officer on Special Duty OSD Dayal Singh College Evening University of Delhi Global, Regional, and National Entrepreneurial Ecosystems Allan Villegas-Mateos, Ali Akaak, Josiane Fahed-Sreih, Grégory Guéneau, Robert D. Manning, Boumedine Ramdani, Evren Tok, 2025-09-10 This book serves as an introduction to entrepreneurship and a guide to transforming ideas into a reality in the MENA region Also it possesses solid research and theoretical background in the literature on entrepreneurial ecosystems **Research Handbook on Entrepreneurship and Leadership** Richard T. Harrison, Claire M. Leitch, 2019 This Research Handbook argues that the study of entrepreneurs as leaders is a gap in both the leadership and the entrepreneurship literatures With conceptual and empirical chapters from a wide range of cultures and entrepreneurship and leadership ecosystems the Research Handbook for the first time produces a systematic overview of the entrepreneurial leadership field providing a state of the art perspective and highlighting unanswered questions and opportunities for further research It consolidates existing theory development stimulates new conceptual thinking and includes path breaking empirical explorations **Globalization and Entrepreneurship** Hamid Etemad, Richard W. Wright, 2003-01-01 Globalization has begun to dismantle the barriers that traditionally segregated local business opportunities and local firms from their international counterparts The works in this collection provide new insights on both traditional and emerging aspects of small and medium sized enterprises **Social Entrepreneurship** Johanna Mair, 2006-04-27 Social Entrepreneurship is a global phenomenon that impacts the lives of citizens by using innovative approaches to solving social problems This book offers a comprehensive examination of this growing area of research and provides an excellent introduction to social entrepreneurship theory and a framework for future research
