(With a focus on entrepreneurship, skills, interests, and passions)

Choosing a Business Name

Now that you've selected the type of business you'd like to start, it's time to choose a name! There's a lot to think about when choosing a name for your business. You can use your own name, a name that's easy to remember, or a name that's unique. You can also use a name that's already in use, but make sure you have the right to use it.

How to Choose

Consider the following factors when choosing a business name:

- Is it easy to remember?
- Is it easy to spell?
- Is it unique?
- Is it relevant to your business?
- Is it available as a domain name?
- Is it available as a trademark?

Write down your

Designing a Logo

A logo is a symbol or design that represents your business. It can be a word, a picture, or a combination of both. A logo is one of the most important elements of your business identity, so it's important to choose one that is unique and memorable.

Use the space below to design your logo. You can use a computer program like Microsoft Word, or you can draw it by hand. Be creative and make sure your logo is easy to remember.

***Note that you are doing creating a logo. It is time to finalize your design. Create a logo in Microsoft Word, Pages (for Mac), or a drawing program like Adobe Illustrator or CorelDRAW.

Donating Proceeds

When you donate part of your proceeds to a charity, you can help support a good cause. There are many charities that accept donations, and you can choose the one that is most important to you.

1. Think about a charity organization, or place that is important to you.
2. Decide how much money you want to donate.
3. If you are donating a percentage of your proceeds, make sure you know what percentage that is.
4. If you are donating a fixed amount, make sure you know how much that is.
5. How often will you donate your proceeds? (Monthly, quarterly, etc.)

Pricing

When you start a business, you need to set prices for your products or services. There are many factors that can affect your pricing, such as the cost of your materials, the time it takes to make your products, and the demand for your products.

Use the space below to determine your pricing. Consider the cost of your materials, the time it takes to make your products, and the demand for your products.
