Environment And Development In Mexico Recommendations For Reconciliation:

Environment and Development in Mexico Jan Gilbreath Rich, 2003-06-11 Political Change and Environmental Policymaking in Mexico Jordi Diez, 2013-10-31 This book explores environmental policymaking in Mexico as a vehicle to understanding the broader changes in the policy process within a system undergoing a democratic transformation It constitutes the first major analysis of environmental policymaking in Mexico at the national level and examines the implementation of forestry policy in Mexico's largest rain forest the Selva Lacandona of the state of Chiapas National Solutions to Trans-Border Problems? Isidro Morales, 2016-04-22 Triggered by the North American Free Trade Agreement NAFTA Canada the United States and Mexico redefined their public policies to facilitate the regionalization of transactions However this volume addresses the institutional gaps that still remain focusing mainly on the cross border governance of security aspects It gathers interdisciplinary contributions of specialists working on continental issues within Canada the United States and Mexico and highlights the transnational dimension of certain issues still managed under national framed policies Furthermore it explores the possibilities and constraints for moving public policy into new cross border governance strategies Divided in three parts the first part assesses what is at stake in cross border governance issues and whether the integrative trend in the region will be maintained or stalled in the years to come The second part explores the growing scope of security problems interconnected with borders migration energy and drug trafficking across the region It highlights how Mexico and Canada are responding or adapting their policy choices to a continental security approach framed by the US after the terrorist attacks of September 11 and to the major concerns of the Obama administration The third part focuses on the governance of territorial borders and bilateral affairs i.e. Mexico US and Canada Mexico relations **The First Decade of NAFTA: The Future of Free Trade in North America** Kevin Kennedy, 2021-10-25 This volume provides practitioners academics and students with the first definitive coverage of NAFTA investment arbitration Given the level of foreign direct investment within the NAFTA countries the issue of redress for states in investment cases is a major one The state dispute settlement mechanisms within NAFTA's Chapter Eleven are recognized as a model worthy of close examination The experts and scholars who have contributed to this work present a comprehensive overview of the first ten years of practice in the area of investment disputes under the NAFTA provision As in any nascent undertaking the successes failures and controversies that have been the experience of the state parties involved in NAFTA are keenly reflected in the Chapter 11 cases It is in these experiences as described by in the chapters of this timely volume that the readers will find substantive and procedural insights into an emerging new area of public international economic law Many see the workings of the NAFTA agreement particularly Chapter 11 as a Rorschach test for how state parties can approach and effectively adjudicate investment disputes For this reason all practitioners and scholars concerned with international trade and foreign direct investment issues should consult this book Published under the Transnational Publishers imprint **Changing Structure**

of Mexico Laura Randall,2015-01-28 Mexico is reinventing itself It is moving toward a more tolerant global market oriented and democratic society This new edition of Changing Structure of Mexico is a comprehensive and up to date presentation of Mexico s political social and economic issues All chapters have been rewritten by noted Mexican scholars and practitioners to provide a lucid and informative introductory reader on Mexico The book covers such topics as Mexico s foreign economic policy and NAFTA maquiladoras technology policy and Asian competition as well as domestic economics such as banking tax reform and oil energy policy the environment population and migration policy the changing structure of political parties and values and changes affecting women Mexico Today Ana Paula Ambrosi,Silvia D.
