The Complete Works of Sangharakshita Sangharakshita, 2019-04-01 In this volume Sangharakshita approaches communicating Buddhism in the West from two very different but equally illuminating angles In the first part in talks given in the early years of his teaching in England he introduces the apparently exotic worlds of Tibetan Buddhism 1965 and its creative symbols 1972 and Zen Buddhism 1965 clarifying their mysteries while also somehow allowing them to work their magic

**Law and the Culture of Israel** Menachem Mautner, 2011-01-27 Menachem Mautner offers a compelling account of Israeli law as a site for the struggle over the shaping of Israeli culture On the one hand a secular liberal group wishes to associate Israel with Western culture and to link Israeli law to Anglo American liberalism On the other hand a religious group wishes to associate Israeli culture with traditional Jewish culture and to found Israeli law on traditional Jewish law The struggle between secular and religious Jews has been part of the life of the Jewish people in the past 300 years It resurged in the 1970s with the rise of

religious fundamentalism and the decline of the political and cultural hegemony of the Labor movement The secular group reacted by shifting much of its political action to the Supreme Court which since the establishment of the state has been the state organ most identified with entrenching liberal values in the country's political culture In a short span of time in the early 1980s the Court effected extensive changes in its jurisprudence most strikingly adoption of sweeping judicial activism which is widely regarded as the most far reaching in the world The Court's activism provided the secular group with the means for intervening in decisions of the state branches over which the group had lost control With Arabs being a fifth of the country's population an additional divide in Israel is that between Jews and Arabs Drawing on notions of multiculturalism political liberalism and republicanism the book offers fresh insights as to how to manage Israel's divisive situation **A**
