

# ENLIGHTENED EQUITATION

RIDING IN TRUE HARMONY WITH YOUR HORSE

HEATHER MOFFETT

Achieve remarkable results  
with this unique method

Note the very light contact;  
horse's neck lengthened and  
released in self carriage

Soft, happy  
expression of eye

Bit changed to a pelham —  
relaxation of the jaw and  
poll achieved by light  
squeezing action of  
the fingers on the  
reins. Jaw relaxes and  
head lowers of its  
own accord

Joints really flexing, hindlegs stepping through,  
quarters lowered; the mare is working in her natural  
rhythm. Stride springy and expressive. From this  
outline and way of going true impulsion can be created

photos as well as the brilliantly clear drawings that first made the original editions so sought after the book offers sections on perfecting the rider's seat, hands, balance and use of the back, schooling both the green and trained horse on the flat and corrective work for various behavioural or training problems

**Zen and the Horse** Pamela J.G. Au, 2003-03-07 This is a very interesting and intelligent little book the author takes a unique approach to teaching centered balanced riding using Eastern philosophy as a context for mastering the art of equitation The author writes with credible authority and conveys ideas and concepts clearly and vividly Most important the book delivers what it promises It does provide specific advice for equestrians hoping to achieve this zen state in their riding As reviewed by Writers Digest 2004 I think this is the first writing that actually describes what I feel when I ride my horses I have never wanted to compete just reach that place of unity which will be an ongoing practice with the horse for the rest of my life No hurry to get somewhere only connect while there Maybe someday you will put this great book into visual movement in a video You have really taken the mechanics out and replaced with emotion awareness with motivation to feel With great respect to our patient teacher the horse Sincerely Chris in OR A must for the serious rider This book stayed on target and was easy to keep up with Most Zen horse books make me want to gag after 5 minutes but this author has both of her feet on the ground and a lot to say Buy it you and your horse will both benefit Chuck Click Here to go the authors website and more on Zen and the Horse

**Uta Gräf's Effortless Dressage Program** Uta Gräf, Friederike Heidenhof, 2016 At last the dressage world has a sensible means of reconciling classical idealism with show ring aspirations In these pages Gräf shares her schooling exercises as well as the techniques she uses to incorporate groundwork long lining trail riding creative play bombproofing and turnout in her training program The result is dressage that makes reaching your riding goals look and seem easy while ensuring a healthy contented horse Back cover

**The Harmony Project** Kate Farmer, 2003-12 The Harmony Project is a unique concept to give horse lovers a deeper insight into the equine mind The project follows the training and development of a filly foal called Harmony from 6 months and separation from the mare up to 3 and a half years and carrying her first rider Harmony's behaviour and training are explained in terms of her view of the world and show how we can present ourselves to our horses in a way that is more meaningful to them and therefore more effective Harmony is being trained primarily under the principles of natural horsemanship taught by the top American trainer Richard Thompson who is the mentor of Harmony's owner and trainer Kate Farmer Date comes from a classical British riding background and aims to show in the Harmony Project that the principles of natural horsemanship are equally relevant to all equestrian disciplines and not as many suppose mostly of help to western riders Part 1 of The Harmony Project follows harmony from 6 months to 18 months and presents the first stages of her training in a clear easy to follow way Each chapter focusses on one or two specific aspects of equine psychology and the exercises that relate to them It offers an excellent introduction to natural horsemanship for newcomers to these methods and a very useful companion for those who have already started working on NH principles

*The Alchemy of Lightness*

Dominique Barbier, Maria Katsamanis, 2013 Enlightening riders on how to truly become one with the horse this spiritual riding guide opens the world of molecular equitation otherwise known as the scientific study of the interplay of mechanisms when humans and horses meet communicate and interact By encouraging the equestrian to let the horse be the teacher at times this book explains how a rider can change consciousness in order to affect riding habits and build on togetherness with an equine partner A beautiful example of the importance of respecting trusting and fully connecting with the horse this resource provides the key to obtaining the ever elusive quest to find total lightness on horseback      **Riding and Schooling**
