## **Enter The Lion A Posthumous Memoir Of My:**

**Enter the Lion** Michael P. Hodel, Sean M. Wright, 1979 In 1875 a strange party of arrogant Americans visits Whitehall on suspicious business Shortly thereafter on the streets of London a shooting takes place one of the Americans is injured A mysterious black stranger makes a threatening appearance at the door of the British government What does it mean where will it lead That s for Mycroft Holmes with the aid of his younger brother Sherlock to find out The tale is cleverly told in the literary debut of Mycroft seven years older than his celebrated sibling quite Falstaffian in appearance but no less intelligent and very much the sleuth Here we meet young Sherlock at work during the budding of his career as he and his brother become embroiled in a plot to overthrow the American government and restore the Confederacy under British rule The conspiracy punctuated with spies counterspies murder kidnapping and a direct threat to the British government eventually comes to involve William Gladstone and Benjamin Disraeli as we follow the brothers Holmes through Victorian London in their characteristically clever manner tracking down clues and culprits Meet the young Sergeant Lestrade and even the elusive Moriarty as we have a chance to learn at last the real reason for the legendary animosity between Moriarty and Sherlock An intricate plot that is as thick as the London fog itself leads to the final dramatic chase through the sky that is recounted with skill and authenticity It s the world of Arthur Conan Doyle alive with action and suspense in a thriller that will enchant Sherlockians and historians alike

**Mystery Fanfare** Michael L. Cook, 1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre

The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and

valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field

**The MX Book of New Sherlock Holmes Stories - Part XXXI** David Marcum, 2022-05-06 Part XXXI featuring contributions from Sean Wright John Lawrence I A Watson Kevin Patrick McCann Arthur Hall Tim Symonds Tracy J Revels Susan Knight Hal Glatzer Thomas Burns Geri Schear David Marcum Robert Stapleton Gordon Linzner David MacGregor Terry Golledge DJ Tyrer Steven Herczeg Dan Rowley a poem by Kelvin I Jones and forewords by Jeffrey Hatcher Roger Johnson Emma West Steve Emecz and David Marcum Parts XXXI XXXII and XXXIII 2022 Annual 61 New Holmes Adventures Collected in Three Companion Volumes In 2015 the first three volumes of The MX Book of New Sherlock Holmes Stories arrived containing over 60 stories in the true traditional Canonical manner revisiting Holmes and Watson in those days where it is always 1895 or a few decades on either side of that That was the largest collection of new Holmes stories ever assembled and originally planned to be a one time event But readers wanted more and the contributors had more stories from Watson s Tin Dispatch Box so the fun continued Now with the release of Parts XXXI XXXII and XXXIII the series has grown to nearly 700 new Holmes adventures by over 200 contributors from around with world Since the beginning all contributor royalties have gone to the Undershaw school formerly Stepping Stones for special needs children at Undershaw one of Sir Arthur Conan Doyle s former homes and to date the project has raised nearly 100 000 for the school as well as helping provide a world wide awareness of its mission As has become the tradition this new collection of 61 adventures features Holmes and Watson carrying out their masterful investigations from the early days of their friendship in Baker Street to the post War years during Holmes s retirement Along the way they are involved in dozens of fascinating mysteries all progressing along completely unexpected lines Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes described by the estimable Dr Watson as the best and wisest whom I have ever known 61 new traditional Holmes adventures in three simultaneously published volumes The game is afoot All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw one of the former homes of Sir Arthur Conan Doyle

**Black Dahlia Avenger** Steve Hodel, 2012-06-20 More than fifty years after what has been called the most notorious unsolved murder of the 20th century the case has finally been solved On January 15 1947 the body of beautiful 22 year old Elizabeth Short dubbed the Black Dahlia because of her black clothing and the dahlia she wore in her hair was discovered on a vacant lot in downtown Los Angeles her body surgically bisected horribly mutilated and posed as if for display Even the most hardened homicide detectives were shocked and sickened by the sadistic murder Thus began the largest manhunt in LA history For weeks the killer taunted the police and public much as his infamous English counterpart Jack the Ripper had done in London 60 years before sending tantalizing notes urging them to catch me if you can And for weeks and months the LAPD came up empty Charges of police ineptitude soon gave way to rumors of

corruption and cover up at the highest levels Meanwhile a rash of lone women in LA were brutally murdered and their cases also remained mysteriously unsolved Could the Black Dahlia Avenger be in fact a serial killer stalking the city streets     **The New York Times Book Review** ,1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
