Enter Dr. Jones Judith Hunte,1991 *The Memphite Equation* Nathaniel Cameron,2022-11-30 The locations and physical descriptions are factual the prophetic embellished future is yet to be foretold During July 15 17 2007 an epochal event occurred in Manchester England the first international biblical conference on the 3000 year old copper scroll which later brewed a dangerous controversy The copper scroll is among a group of scrolls found in 1947 and 1952 but this is the only one carved in metal and is not strictly a religious scroll Dr David E Burton a recent Harvard graduate attended the conference After Q A when what he saw didn't come up feeling baffled he shared his idea that there was an equation on the scroll From that moment his life family an old and enigmatic organization existing since 1863 he later joins and the world change forever *Small Town* Alfonzo Lanier,2018-02-23 *Small Town* is a fictional story of a family's generational navigation through the Jim Crow South The book is a collection of fictional stories woven together to describe the lives times and struggles of a black family living in the Deep South in a climate of racial animus Three generations of family members experiences are depicted in a plethora of colorful characters The only thing that helped this family through precarious and challenging times was their faith family and friends Ultimately the book *Small Town* shows us that no matter what we encounter or embark on in life we can achieve and be successful under even the most distressful circumstances This family's accomplishments were typical of a generation of people who were persistent and who instilled perseverance in their children passed down from generation to generation The Southern town where the setting of the book is depicted is a typical southern small town as they existed after the Civil War Reconstruction *Small Town* refers not only to the population of the Southern town but also its mentality Small towns were microcosms of the racist and white supremacist attitudes that were pervasive below the Mason Dixon line before and after landmark civil rights legislations Rumors and rumors of rumors were a constant in this environment Everyone knew your comings and goings in this small American town and similarly just like the major cities only a few prominent families dictated who would be the haves and the have nots The fictional family in this book displayed the balance and flexibility to walk the tightrope of race and bigotry to maintain a social status that was rare and unique for black families in the Deep South Religion and education were the foundations for this family and were their main weapons against any adversity that they encountered *Education and Training and Other Benefits for Veterans Serving on Or After June 27, 1950* United States.
