Entering The Life Of Prayer:

Entering the Castle Caroline Myss, 2007-03-06 Internationally renowned motivational teacher spiritual instructor and popular theologian Caroline Myss has created a transcendent work of unique insight and revelation in *Entering the Castle*. This exciting new teaching of contemporary mysticism is also a brilliant synthesis of the psychology of consciousness and of Eastern and Western mystical traditions. Myss provides a highly original inner path to self knowledge which is also the road into a spiritual knowledge of God and your own soul as she reveals a necessary external path one that takes you out into the world to serve God and others as a mystic without a monastery without having to retreat into total silence self denial or isolation. As her main template for this extraordinary modern spiritual journey Myss uses the beloved revered writings of *The Interior Castle* by Teresa of vila. Adapting Teresa's vision of the soul as a beautiful crystal castle with many floors or mansions and many rooms within those mansions Myss guides us from room to room helping us meet different aspects of our self our soul and our spirit preparing us for the ultimate encounter with God and our own divinity. Through intense practices and methods of spiritual inquiry adapted for contemporary life she helps us to develop our personal powers of prayer contemplation and intuition and to ascend the seven levels of soul knowledge that build an ever stronger interior castle of our own a soul of strength and stamina. As in all her books Myss also recounts stories of profoundly moving real life experiences of her own as well as of her students and of renowned spiritual figures that bring home the universal truth of her insights. Presiding over the entire book and journey are the great mystics ancient and contemporary of Christianity Judaism Islam and Hinduism with their inspiring lives and discerning spirits. And over all the benevolence truth and gentle and tough love of Teresa of vila shine through. Doubtless Myss's most deeply personal revealing compassionate and transforming book yet *Entering the Castle* is a comprehensive guidebook for the journey of your life a journey into the center of your soul. There peace God and a fearless bliss wait for you to discover them and claim them for your own. **Entering the Life of Prayer**
