Entrepreneurial Strategy Text And Cases:

Entrepreneurial Strategy Donald F. Kuratko, Harold P. Welsch, 1994 The Entrepreneur's Strategy Guide Tom Cannon, 2006-09-30 In an environment where the chances of failure are much greater than success what will make your company a winner Drawing from fifty years of experience research and observation in entrepreneurial strategy Tom Cannon offers a game plan for entrepreneurs Dividing the book into two basic parts the marketplace external environment and the organization internal environment he outlines the ten core capabilities that every business must master in order to be successful Illustrating each principle through examples of real companies and engaging the reader through diagnostics checklists and other interactive exercises Cannon presents an essential resource for entrepreneurs managers of startups spinoffs and other entrepreneurial units and students of strategy and business development At the heart of the book is an emphasis on how entrepreneurs can execute ambitious visions and strategies by mastering the basics and recognizing opportunities to continuously improve and innovate Entrepreneurship Strategy Lisa K. Gundry, Jill R. Kickul, 2006-08-14 In this engaging and practical book authors Lisa K Gundry and Jill R Kickul uniquely approach entrepreneurship across the life cycle of business growth offering entrepreneurial strategies for the emerging venture for the growing venture and for sustaining growth in the established venture Written from the point of view of the founder or the entrepreneurial team the book offers powerful and practical tools to increase a venture's potential for success and growth *Technology and Business Strategy* Igor Stepanov, 2021-02-01 This book examines how new technologies have transformed global markets as well as global business strategy It explores how digitalization artificial intelligence virtual reality and other changes in technology have led both to new opportunities but also to increased uncertainty within both business and legislature By pulling together academics from Russia China France Hungary Azerbaijan Tajikistan and other countries this book provides a truly international perspective on the impact of new technologies across areas including smart cities corporate governance EU legislation and logistical enterprise It will be valuable reading for academics interested in digitization digital business digital entrepreneurship and the way that technological change has informed strategy *Entrepreneurial Strategic Management* Ken R. Blawatt, 2014-04-18 This managerial book goes beyond the traditional thoughts on this subject It brings you a challenging dimension Create an entrepreneurial organization and you will exceed in the realization of your goals and objectives The entrepreneurial organization thrives on developing innovation customer retention productivity and growth Your role and that of other managers has changed dramatically in the last decade because two powerful new forces have joined in the environment A new social awareness and demographic shift in the work force coupled with a shrinking of markets in a technological and global landscape demands new ways of planning organizing and directing organizations ESM argues the need for implementation as the force majeure in fulfilling strategic plans and the engagement of the whole organization in strategic management to achieve organizational goals Inside you will be introduced to a new approach to

understanding the economic marketplace in four quadrants or fields where each determines what strategic responses are needed to thrive in those fields and which direction the organization is to go if it is to survive and grow This book lays out the cycle of corporate products and services from profitable innovation to decline and failure and offers the executive a road map to renovate and build the organization
