Entrepreneurship Creativity And Organization Text Cases And Readings:

Entrepreneurship, Creativity & Organization John J. Kao, 1989 Cutting edge combination of text Harvard cases and readings First text to examine entrepreneurship from behavioral and organizational perspectives *Entrepreneurship, Creativity, and Organization* John Kao, 1989 Entrepreneurship, creativity & organization John J. Kao, 1989 *Cultural Management* Chris Bilton, 2023-03-01 This shortform book tells the research story of cultural management helping scholars to analyse and combine theoretical models into an approach of their own Cultural management emerged and developed out of the field of arts management in the 1980s which imported managerial techniques and assumptions from mainstream commercial business into the arts In the late 1990s the field integrated entrepreneurial approaches to management in the creative industries before adapting to a new model based on user experiences and co creation These historical phases are theorised respectively as cultural management 1 0 cultural management 2 0 and cultural management 3 0 Yet they also overlap Bringing together theories of management and creativity this book enables scholars to get a grip on the underlying assumptions and conditions which lie behind an eclectic and evolving field The author an established expert in this field empowers scholars and reflective practitioners to develop their own approach to cultural management drawing on the available approaches and to recognise that successful cultural management is contingent on understanding the context organisational and personal within which these models will be applied **Handbook of Management and Creativity** Chris Bilton, Stephen Cummings, 2014-01-01 In many organisations creativity is so often seen as the preserve of a small number of people with artistic temperaments but in my experience all sorts of people have creative abilities which can be used to the benefit of a creative organisation The task of a manager is to find ways of exploiting this This Handbook provides the reader with insights to help them and others to promote the kind of creativity that adds real value Greg Dyke Chair British Film Institute Chair Football Association Chancellor University of York UK and Director General of the BBC 2000 2004 **Refugee and Immigrant Entrepreneurship** Mustafa Atilla Arıcıoğlu, Özdal Koyuncuoğlu, Abdullah Oktay Dündar, 2023-03-27 Due to political and economic instability in the Middle East and North Africa MENA countries an increasing number of inhabitants continue to migrate to other countries From here they either join employment or become refugee or immigrant entrepreneurs Such developments carry risks such as integration problems but there are also significant opportunities This book takes a deep dive into those challenges and potential prospects and places special emphasis on Türkiye a region that is significantly impacted by migration from Syria Afghanistan Pakistan and other African countries Chapters explore the various issues around refugee and immigrant entrepreneurs within their host countries Authors offer analysis of the difficulties experienced by such entrepreneurs in economic and socio cultural contexts Including various field examples using qualitative and quantitative research methods and economic implications using macro analysis the book offers policy recommendations examines the opportunities of refugee and immigrant entrepreneurship in Türkiye

and explores the benefits to T rkiye from a holistic perspective

Analysis of the German EXIST-II-Program and Its Transferability to Mexico Claudia Erika Gutiérrez Díaz, 2013 The promotion of entrepreneurship in higher education appears in the political spectrum as a new economic policy arena In this field policy blanks and new kinds of problems need to be addressed Scholars agree that many of the current structures and models in higher education do not fit the necessary requirements for the development of entrepreneurship training New perspectives in this field can be gained through an analysis of the feasibility of a policy transfer of the German EXIST II Program to Mexico This program was developed to address the entrepreneurial potential within higher educational institutions through the coordination of entrepreneurial efforts carried out by regional national and supranational actors An empirical analysis of the objectives regulations actors and governance personnel staff financial resources beneficiaries and output of the program as well as a comparative study of Germany versus Mexico in this book demonstrates under what conditions the transfer of know how from Germany specifically from the EXIST II Program to universities in Mexico could be implemented The research offers alternatives to improve the current ongoing initiatives in Mexico
