Entrepreneurship In Imperial Russia And The Soviet Union:

Entrepreneurship in Imperial Russia and the Soviet Union Gregory Guroff, Fred V. Carstensen, 2014-07-14 This multidisciplinary study of entrepreneurship in Russian society from the sixteenth to the twentieth century demonstrates the crucial influence of central government on economic initiative Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Polish Entrepreneurs and American Entrepreneurs John O'Del, 2014-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

The Reformer Stephen F. Williams, 2017-11-07 Besides absolutists of the right the tsar and his adherents and left Lenin and his fellow Bolsheviks the Russian political landscape in 1917 featured moderates seeking liberal reform and a rapid evolution towards a constitutional monarchy Vasily Maklakov a lawyer legislator and public intellectual was among the most prominent of these and the most articulate and sophisticated advocate of the rule of law the linchpin of liberalism This book tells the story of his efforts and his analysis of the reasons for their ultimate failure It is thus in part an example for movements seeking to liberalize authoritarian countries today both as a warning and a guide Although never a cabinet member or the head of his political party the Constitutional Democrats or Kadets Maklakov was deeply involved in most of the political events of the period He was defense counsel for individuals resisting the regime or charged simply for being of the wrong ethnicity such as Menahem Beilis sometimes considered the Russian Dreyfus He was continuously a member of the Kadets central committee and their most compelling orator As a somewhat maverick and moderate Kadet he stood not only between the country's absolute extremes the reactionary monarchists and the revolutionaries but also between the two more or less liberal centrist parties the Kadets on the center left and the Octobrists on the center right As a member of the Second Third and Fourth Dumas 1907 1917 he advocated a wide range of reforms especially in the realms of religious freedom national minorities judicial independence citizens judicial remedies and peasant rights

The Communist Party and Soviet Science Stephen Fortescue, 1986-06-18 **British Entrepreneurship in Poland** Sarah Dietz, 2016-03-09 Drawing upon an impressive range of international sources this book explores the late nineteenth century partnership between Bradford worsted manufacturers the Briggs brothers and the German merchant Ernst Posselt and their subsequent foreign direct investment in a modern factory and workers community at Marki near Warsaw in Poland Protectionism and increasing foreign competition are discussed among many complex economic pressures on British industry as likely catalysts for this enterprise and the general historiography of the Polish lands is explored to reveal a climate of extraordinary opportunity for well capitalised foreign industrialists in this period British Polish and

German press and archival documents as well as Russian police and factory inspectors reports reveal the everyday experience of Polish factory workers and British consular correspondence provides fascinating insight into the machinations of the entrepreneurs and Warsaw's cosmopolitan business community Through the development and domination of market and raw materials sources this venture is shown to have monopolised worsted manufacture in the Russian Empire using state of the art technology to create and modern marketing techniques to promote its product range and evolving image Marki was described in 1886 as a second edition of Saltaire and latterly as the Polish Bournville or Port Sunlight thus aspects of British and Polish social history are compared to assess the efficacy of introducing the model community concept in combination with a radical employment policy to less industrially developed Poland The experiences of an expatriate community of skilled Yorkshire foremen and their instrumentality in diffusing British industrial technology throughout the Russian Empire are described Against a backdrop of political instability and social upheaval which dramatically impacted on business behaviour after 1905 and particularly during the interwar period of

The Russian Empire Andreas Kappeler, 2014-08-27 The national question and how to impose control over its diverse ethnic identities has long posed a problem for the Russian state This major survey of Russia as a multi ethnic empire spans the imperial years from the sixteenth century to 1917 with major consideration of the Soviet phase It asks how Russians incorporated new territories how they were resisted what the character of a multi ethnic empire was and how finally these issues related to nationalism

Decisions For War, 1914 F.H. Hinsley, Keith Wilson, 2016-04-29 Keith Wilson is Lecturer in International History at the University of Leeds This book is intended for undergraduate history courses broad 20th century European history First World War military history war studies international and diplomatic history school libraries

Merchant Moscow James L. West, Iurii A. Petrov, 2014-07-14 With the collapse of the Soviet system the long neglected history of the early capitalists is being recovered and rewritten Once regarded as the losers in the Russian Revolution these merchants can now be seen as early pioneers in Russia's transformation to a free market economy This book is the first joint Russian American collaborative project on the history of Russian entrepreneurship Merchant Moscow puts a human face on early Russian capitalism It presents thematic groupings of historic photographs paired with commentaries by contemporary Russian and American historians The pictures provide a stunning wide ranging visual portrait of Imperial Russia's most influential entrepreneurial elite the Moscow merchantry while the accompanying articles interpret the photographs and place them in the larger cultural context of prerevolutionary Russia Here is a surprising new view of the bourgeoisie during the Silver Age revealed for the first time in this fascinating volume The fourteen contributing historians selected and ordered photographs that best illustrate their specialized knowledge of the period They have framed their topics in a variety of ways Some have chosen to pursue traditional topics such as collective biography institutional history or the history of business practices Others have approached the photographs in more experimental ways emphasizing the semiotics of dress discourses of identity or the history of daily life

Together they offer fresh perspectives on the successes and failures of Russia's first experiment with entrepreneurial capitalism. Originally published in 1998, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. *Russia's First World War* Peter

Gatrell, 2014-07-10 The story of Russia's First World War remains largely unknown, neglected by historians who have been more interested in the grand drama that unfolded in 1917. In *Russia's First World War: A Social and Economic History*, Peter Gatrell shows that war is itself revolutionary, rupturing established social and economic ties but also creating new social and economic relationships, affiliations, practices, and opportunities. *Russia's First World War* brings together the findings of Russian and non-Russian historians and draws upon fresh research. It turns the spotlight on what Churchill called the unknown war, providing an authoritative account that finally does justice to the impact of war on Russia's home front.

Russian Corporate Capitalism From Peter the Great to Perestroika Thomas C. Owen, 1995-12-07 From the three perspectives of geography, economic policy, and ideology, this work examines corporate capitalism under the tsarist and late Soviet regimes. Thomas C. Owen discovers a remarkable history of thwarted effort and lost opportunity. He explores the impact of bureaucratic restrictions and reveals the entrepreneurial capabilities of Russia's corporate founders from various social groups as well as the prominence of Poles, Germans, Jews, Armenians, and foreign citizens in the corporate elite of the Russian Empire and its ten largest cities. The study stresses continuities between tsarist and late Soviet periods, especially in the persistence of anti-capitalist attitudes, both radical and reactionary. A provocative final chapter considers the implications of the weak corporate heritage for the future of Russian capitalism. **Nationalizing the Russian Empire** Eric

Lohr, 2003-05-15 Table of contents *Reluctant Capitalists* Linda M. Randall, 2001-08-06 *Reluctant Capitalists* examines Russia's plodding, sometimes painful journey toward a free market. Through case studies, interviews, and first-hand observation, Randall tells us of Russia's economic troubles and offers suggestions for making market reform work. **A**

Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution. The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world. It altered the geo-political landscape of not only Eurasia but of the entire globe. The impact of this immense event is still felt in the present day. The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity; the causes and meanings of revolution are many, as is reflected in contemporary scholarship on the subject. *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th-century Russian history. Presenting a wide range of contemporary perspectives, the

Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon

Second Metropolis Blair A. Ruble, 2001-05-28 By exploring and comparing North America s Russia s and Japan s second cities Chicago Moscow and Osaka Second Metropolis discloses the extent to which social fragmentation frequently viewed as an obstacle to democratic development actually fostered a pragmatic pluralism that nurtured pluralistic public policies Such policies are explored through six case studies the politics of street railways and charter reform in Chicago adult education and housing in Moscow and harbor revitalization and poverty alleviation in Osaka that illustrate how even those with massive political and economic power were stymied by the complexity of their communities Chicago Moscow and Osaka though the products of very different nations and cultures nonetheless shared an important experience of inclusive politics during an era of extraordinary growth and social diversity The success of all three cities which went well beyond mere survival rested on a distinctive political resource pragmatic pluralism *Hegel's Philosophy of Reality, Freedom, and God* Robert M. Wallace, 2005-04-04 Showing the relevance of Hegel s arguments this book discusses both original texts and their interpretations

Chinese Business Enterprise Rajeswary Ampalavanar Brown, 1996

How Progress Ends Carl Benedikt Frey, 2025-09-16 A globally comparative historical assessment of the factors that speed up technological and economic progress and those that slow it down Provided by publisher

Cronies or Capitalists? The Russian Bourgeoisie and the Bourgeois Revolution from 1850 to 1917 David Lockwood, 2009-05-27 Why wasn t there a successful bourgeois revolution in Russia Was it because Russian capitalists were too servile in their relationship with the Tsarist autocracy Or was it because Russian states Tsarist republican and Soviet were just too strong This book is a political history of the Russian capitalist class from 1850 to 1917 that seeks to answer these questions The book covers the consistent opposition of the Russian bourgeoisie to the Tsarist autocracy up to and including the revolution of 1905 It then considers its alliance from 1909 with new state elements officials politicians army officers and technical experts who were convinced of the possibility of reform and renovation through a radically reorganised state cleansed of its autocratic detritus Such a reorganisation was expected as a result of the Great War While these ideas came to a temporary

fruition in the February Revolution of 1917 they also laid the basis for a much more demanding Soviet state in October and the destruction of the bourgeoisie itself The book ends with a consideration of the wider implications for the concept of the bourgeois revolution implications that stretch well beyond Russia that are revealed by the rise and fall of the Russian bourgeoisie Perspectives on Ayn Rand's Contributions to Economic and Business Thought Edward W.

Younkins,2020-07-06 Ayn Rand wrote and lectured on economic concepts and topics This volume addresses the economic and business aspects of her writings The authors of this anthology are from a variety of fields and all of them are enthusiastic supporters of her ideas **Corruption and the Russian Economy** Yulia Krylova,2018-04-17

Corruption and the Russian Economy examines why the number of entrepreneurs is declining so rapidly in contemporary Russia how many economic opportunities are being irrevocably lost each year because of administrative corruption and why entrepreneurship has become one of the most dangerous occupations in the country over the last decade Based on extensive research including in depth interviews with entrepreneurs and case studies it reveals a corrupt system of government agencies at both the regional and local levels and the increasing involvement of public officials in unlawful seizures of businesses One major conclusion is that the vast majority of informal payments by entrepreneurs to regulatory agencies are made not to achieve illegal advantages but rather to secure the property rights that they are entitled to under the law

Entrepreneurship In Imperial Russia And The Soviet Union Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Entrepreneurship In Imperial Russia And The Soviet Union free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Entrepreneurship In Imperial Russia And The Soviet Union free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Entrepreneurship In Imperial Russia And The Soviet Union free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Entrepreneurship In Imperial Russia And The Soviet Union. In conclusion, the internet offers

numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Entrepreneurship In Imperial Russia And The Soviet Union any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Entrepreneurship In Imperial Russia And The Soviet Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Entrepreneurship In Imperial Russia And The Soviet Union is one of the best book in our library for free trial. We provide copy of Entrepreneurship In Imperial Russia And The Soviet Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Entrepreneurship In Imperial Russia And The Soviet Union. Where to download Entrepreneurship In Imperial Russia And The Soviet Union online for free? Are you looking for Entrepreneurship In Imperial Russia And The Soviet Union PDF? This is definitely going to save you time and cash in something you should think about.
